Franchise Opportunities Handbook ,1979 This is a directory of companies that grant franchises with detailed information for each listed franchise

The Economics of Franchising Roger D. Blair,Francine Lafontaine,2005-04-11 This book describes in much detail both how and why franchising works It also analyses the economic tensions that contribute to conflict in the franchisor frnachisee relationship The treatment includes a great deal of empirical evidence on franchising its importance in various segments of the economy the terms of franchise contracts and what we know about how all these have evolved over time especially in the U S market A good many myths are dispelled in the process The economic analysis of the franchisor franchisee relationship begins with the observation that for franchisors franchising is a contractual alternative to vertical

integration Subsequently the tensions that arise between a franchisor and its franchisees who in fact are owners of independent businesses are examined in turn In particular the authors discuss issues related to product quality control tying arrangements pricing location and territories advertising and termination and renewals

The Org Ray Fisman, Tim Sullivan, 2015-02-22 We create organizations because we need to get a job done something we couldn't do alone and join them because we're inspired by their missions and our paycheck But once we're inside these organizations rarely feel inspirational So where did it all go wrong In *The Org* Ray Fisman and Tim Sullivan explain the tradeoffs that every organization faces arguing that this everyday dysfunction is actually inherent to the very nature of orgs *The Org* diagnoses the root causes of that malfunction beginning with the economic logic of why organizations exist in the first place then working its way up through the org's structure from the lowly cubicle to the CEO's office You'll learn The purpose of meetings and why they will never go away Why even members of al Qaeda are required to submit travel and expense reports What managers are good for How the army and other orgs balance marching in lockstep with fostering innovation Why the hospital administrator not the heart surgeon is more likely to save your life Why CEOs often spend more than 80 percent of their time in meetings and why that's exactly where they should be and why they get paid so much
