Thinking Like an Island Jennifer Chirico,Gregory S. Farley,2015-04-30 Hawaii is a rare and special place in which beauty and isolation combine to form a vision of paradise That isolation though comes at a price resources in modern day Hawaii are strained and expensive and current economic models dictate that the Hawaiian Islands are reliant upon imported food fuels and other materials Yet the islands supported a historic Hawaiian population of a million people or more This was possible because Hawaiians prior to European contact had learned the ecological limits of their islands and how to live sustainably within them Today Hawaii is experiencing a surge of new strategies that make living in the islands more ecologically economically and socially resilient A vibrant native agriculture movement helps feed Hawaiians with traditional foods and employs local farmers using traditional methods efforts at green homebuilding help provide healthy comfortable housing that exists in better harmony with the environment efforts to recycle wastewater help reduce stress on fragile freshwater resources school gardens help feed families and reconnect them with local food and farming At the same time many of the people who have developed these strategies find that their processes reflect and in some cases draw from the lessons learned by Hawaiians over thousands of years This collection of case studies is a road map to help other isolated communities island and mainland navigate their own paths to sustainability and establishes Hawaii as a model from which other communities can draw inspiration practical advice and hope for the future

Getting Lost On My Way Diane Hartman,2025-09-30 For fans of McCarthy's *Bar* a debut memoir about a woman's humorous and poignant solo adventures of self discovery on Ireland's backroads following a painful divorce When an introverted divorced middle aged mother and school librarian from the Midwest decides to leave her comfort zone and travel alone to Ireland her desire to fulfill her dream overcomes her fear as she immerses herself into what will become an adventure of courage and self discovery Motivated by her love of Irish music and Celtic spirituality along with her desire to find healing from depression and divorce Diane sets off for Ireland a country she's been obsessed with for years Her romantic preconceptions of the Emerald Isle quickly clash with reality however and while there she faces many obstacles including driving the narrow ill marked roads throughout the countryside she traverses Nevertheless this first sojourn leads to three more trips over the next six years and she gradually learns to navigate Ireland's back roads not to mention her own personal and spiritual roads toward self discovery and acceptance This heartfelt and humorous account of Diane's adventures including hanging out with an Irish rock band traveling remote roads in search of a hermit nun and meeting her favorite Irish musician not once but

twice is sure to inspire readers to get outside their own comfort zones and take some rewarding risks of their own
