For Gross Motor Skills

- I am impressed with [Student's Name]'s agility in activities like jumping and dodging. A little more effort in balancing and sliding skills can improve your physical abilities further.
- I see [Student's Name] having a tough time with activities like throwing and kicking a ball. However, giving her/him ample opportunities to practice these skills can help her/him get better.
- [Student's Name]'s performance in gross motor skills is satisfactory. To get even better, she/he can perform complex movements like crab walks and ninja kicks at home to build core muscles and improve balance.
- [Student's Name]'s dodging skills could use improvement, especially during games. Practice agility drills like side-stepping and quick direction changes to enhance this ability of yours."
- [Student's Name] has a strong kick compared to her/his peers. This is quite evident when she/he plays soccer. However, her/his kicking accuracy seems a bit inconsistent. Aiming for specific targets during practice sessions can improve her/his ability to kick with greater precision.
