

GROUNDLESS

*Rumors, Legends, and Hoaxes
on the Early American Frontier*

GREGORY EVANS DOWD

Groundless Early America History Context Ebook

Wilbur Fisk Gordy

Groundless Early America History Context Ebook:

Groundless Gregory Evans Dowd, 2015 Today we have grown so used to having boundless information at our fingertips that we can easily forget the practical limits on reliable news that both natives and European settlers faced in early America Beyond what one could see or hear at the instant one could only make surmises based on what others reported or reportedly said etc In a real sense rumor ruled Historians have known about this problem of information and wondered about how stories of far off deeds plans or intentions could develop and then travel about from place to place crossing various lines of authority and changing in every telling Here Greg Dowd an established student of Native Americans and their encounters with white settlers makes a determined effort to examine the phenomenon itself Using about a dozen case studies organized in parts that alternately deal with overarching themes and groups of specific episodes he asks on what basis rumors or legends emerged in the first place and why they grew as they did and reached the level of credibility they did The Spanish belief that the interior of America hid huge supplies of gold will be familiar to readers as will the white practice of using tainted blankets to spread smallpox among the natives this before the germ theory of disease Others like stories of Washington's use of rumor and Franklin's worries about counterfeit currency and the role of bad information in the Indian removal campaign of the Andrew Jackson presidency may surprise

Groundless Gregory Evans Dowd, 2016-01-15 The fascinating and troubling story of powerful rumors that circulated and influential legends that arose in early America Why did Elizabethan adventurers believe that the interior of America hid vast caches of gold Who started the rumor that British officers purchased revolutionary white women's scalps packed them by the bale and shipped them to their superiors And why are people today still convinced that white settlers hardly immune as a group to the disease routinely distributed smallpox tainted blankets to the natives Rumor spread by colonists and Native Americans alike ran rampant in early America In Groundless historian Gregory Evans Dowd explores why half truths deliberate lies and outrageous legends emerged in the first place how they grew and why they were given such credence throughout the New World Arguing that rumors are part of the objective reality left to us by the past a kind of fragmentary archival record he examines how uncertain news became powerful enough to cascade through the centuries Drawing on specific case studies and tracing recurring rumors over many generations Dowd explains the seductive power of unreliable stories in the eastern North American frontiers from the sixteenth to the mid nineteenth centuries The rumors studied here some alluring some frightening commanded attention and demanded action They were all by definition groundless but they were not all false and they influenced the classic issues of historical inquiry the formation of alliances the making of revolutions the expropriation of labor and resources and the origins of war

Witness Protection and Criminal Justice in Africa Suzzie Oyakhire, 2023-06-30 This book examines the concept of witness protection which is still at an early developmental stage in several African countries including Nigeria from a legal and institutional perspective Recent developments in Nigeria highlight the need to clarify legal and conceptual

issues within the existing legal framework for protecting witnesses Using the Nigerian case study the book illustrates some obscurities inherent in the concept of witness protection These are highlighted around five critical areas the definition of witness protection the scope of beneficiaries requiring protection the nature of crimes necessitating protection the nature of protective measures and the administrative control of witness protection Specifically this book draws from the existing literature and practices of witness protection and adopts two distinct perspectives the criminal justice perspectives and human rights perspectives as heuristic tools for analysing the concept and to separate the disparate influences that shape how it is construed These distinctions are utilised throughout the book as an integrated way of conceptualising the concept of witness protection By discussing the practice of witness protection within the Nigerian context the book contributes to African conversations on the topic of witness protection The clarifications made in this book are utilised in making normative proposals for developing a legal framework for witness protection in Nigeria They are also useful for other African countries interested in developing a witness protection framework as part of criminal justice reform This book will serve as a reference point for legal scholars researchers academics postgraduate students and policy makers interested in the concept of witness protection It would also be useful for courses concerned with comparative criminology where there is an interest in developments in the Global South

Streaming and Copyright Law Lasantha Ariyaratna, 2022-09-05 This book examines the challenges posed to Australian copyright law by streaming from the end user perspective It compares the Australian position with the European Union and United States to draw lessons from them regarding how they have dealt with streaming and copyright By critically examining the technological functionality of streaming and the failure of copyright enforcement against the masses it argues for strengthening end user rights The rising popularity of streaming has resulted in a revolutionary change to how digital content such as sound recordings cinematographic films and radio and television broadcasts is used on the internet Superseding the conventional method of downloading using streaming to access digital content has challenged copyright law because it is not clear whether end user acts of streaming constitute copyright infringement These prevailing grey areas between copyright and streaming often make end users feel doubtful about accessing digital content through streaming It is uncertain whether exercising the right of reproduction is appropriately suited for streaming given the ambiguities of embodiment and scope of substantial part Conversely the fair dealing defence in Australia cannot be used aptly to defend end users acts of streaming digital content because end users who use streaming to access digital content can rarely rely on the defence of fair dealing for the purposes of criticism or review news reporting parody or satire or research or study When considering a temporary copy exception end users are at risk of being held liable for infringement when using streaming to access a website that contains infringing digital content even if they lack any knowledge about the content's infringing nature Moreover the grey areas in circumventing geo blocking have made end users hesitant to access websites through streaming because it is not clear whether technological protection measures apply

to geo blocking End users have a severe lack of knowledge about whether they can use circumvention methods such as virtual private networks to access streaming websites without being held liable for copyright infringement Despite the intricacies between copyright and access to digital content the recently implemented website blocking laws have emboldened copyright owners while suppressing end users access to digital content This is because the principles of proportionality and public interest have been given less attention when determining website blocking injunctions *American Journal of Public Health* ,2008 AIDS, an Epidemic of Ethical Puzzles Hastings Center,1991 AIDS has focused attention on relationships between individuals and communities and personal moral responsibility has been questioned and balanced with concerns about stigma and discrimination This text attempts to reflect the way these issues have emerged to shape the ethical debate

AIDS Carol Levine,Joyce Bermel,1986 **New Statesman and Nation** ,1954 **PAIS International in Print** Catherine Korvin,2003-05 This book contains bibliographic references with abstracts and subject headings to public and social policy literature and to world politics published in print and electronic formats international focus **The Compact Edition of the Oxford English Dictionary** Sir James Augustus Henry Murray,1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 **Early America** ,199? **Original Narratives of Early American History** ,1906 **Research in Progress in Early American History** Institute of Early American History and Culture (Williamsburg, Va.),1960 Original Narratives of Early American History John Franklin Jameson,1915 **Books about Early America** ,1965 **Stories of Early American History** Wilbur Fisk Gordy,1928 The Genuine Article Edmund S. Morgan,2013-04-01 A masterly quarter century of commentary on the discipline of American history Allen D Boyer New York Times Book Review This book amounts to an intellectual autobiography These pieces are thus a statement of what I have thought about early Americans during nearly seventy years in their company writes historian Edmund S Morgan in the introduction to this landmark collection The Genuine Article gathers together twenty five of Morgan s finest essays over forty years commenting brilliantly on everything from Jamestown to James Madison In revealing the private lives of Those Sexy Puritans and The Price of Honor on Southern plantations The Genuine Article details the daily lives of early Americans along with The Great Political Fiction that continues to this day As one of our most celebrated historians Morgan s characteristic insight and penetrating wisdom are not to be missed in this extraordinarily rich portrait of early America and its Founding Fathers **Beginnings of the American People** CARL LOTUS BECKER,William Edward Dodd,2025-03-28 Delve into the formative years of the United States with Carl Lotus Becker s Beginnings of the American People This historical account meticulously explores the American colonies during the 17th and 18th centuries offering valuable insights into the colonial period from approximately 1600 to 1775 A comprehensive exploration of American history this volume provides a window into the origins of a nation Journey back to the roots of North America and understand the foundations upon which the United States was built This book remains a relevant resource for anyone interested in the colonial period and the

development of American identity This edition carefully prepared for print republication ensures that Becker s insightful analysis of early American history is accessible to all This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Stories of Early American History Wilbur Fisk Gordy, 2019 **In Small Things Forgotten** James Deetz, 1996-08 Objects such as doorways gravestones musical instruments and even shards of pottery fill in the cracks between large historical events and depict the intricacies of daily life
