Multisensory God Connections Linda Van Soest Tintle, 2022-12-27 In this book the author shares the story of her personal spiritual learning quest and the specific strategies that were effective for her spiritual growth During a particularly demanding time of her life Linda felt a longing for peace and spiritual connectedness In those very busy days she questioned whether she was following the Great Commandment to love the Lord your God with all your heart with all your soul with all your mind and with all your strength Luke 10 27 She was dissatisfied with the lack of spiritual growth she experienced in the habits of praying silently and passively reading devotionals Learning to love God with heart soul mind and strength became a focus of private study and journaling which led to this book Linda began integrating short practical routines throughout her days creating several brief periods of daily spiritual connectedness Utilizing multisensory learning strategies that she used with her students she discovered more meaning in her spiritual life She concluded that part of loving God fully means loving him more actively as opposed to having a passive and lukewarm relationship with God Linda feels passionate about sharing these multisensory teaching methods for personal spiritual growth evidence based effective strategies that are widely used in academic settings but are rarely used in spiritual learning The author suggests practical ideas for connecting with God throughout busy days ways requiring more involvement and more mental focus Also Linda

and after much self examination and soul searching I got the clarity I needed I came to the realization that knowing about God and knowing God are not the same It was no longer enough for me to have a relationship with Him based on rituals I needed a more intimate friendship With this recognition I set out on a lifelong spiritual journey of growing whole *Getting Closer to God Using Meditation* Joseph Pace,2023-06-11 Can we get closer to God Yes and this method is a powerful way to do it Try it you will like it The Top 20 Passages in the Bible Eric Elder,2011-05-03 The Top 20 Passages In The Bible contains 20 inspiring devotional messages based on the top 20 passages in the Bible those passages which people turn to again and again for comfort hope and encouragement The book also includes a SMALL GROUP STUDY GUIDE filled with questions for personal reflection or group discussion It also features a special section called The Top 100 Verses In The Bible which features the most well known and best loved verses in all of Scripture each one of which is excellent for meditation memorization or just plain inspiration
