Fashioning Indie Rachel Lifter,2019-10-31 In 2005 British supermodel Kate Moss went to Glastonbury with her then boyfriend indie rocker

Pete Doherty Their unwashed appearance captured widespread attention propelling the British indie music scene and its signature look slender bodies clad in skinny jeans to the center of popular fashion Using this fashionable watershed as a launching point Fashioning Indie narrates indie s evolution from a 1980s British music subculture into a 21st century international fashion phenomenon It explores the lucrative transformation of indie style first into high concept menswear and later into festival fashion a womenswear phenomenon that remade what indie looked like and provided a launching point to reimagine who the ideal subject of indie could be Fashioning Indie is essential reading for academic and popular audiences offering an original account of what happens when a subculture is incorporated into the commercial fashion system As the music and fashions of festivals face increasing scrutiny in debates about diversity and inclusion and the transformations of indie style coincide with the global expansion of the second hand retail sector the book offers also essential insights into the broader culture of popular fashion in the 21st century and the values that inform it Learned Writing Chinua

Asuzu,2019-05-22 As lawyers we must not in hot pursuit of common law outrun common sense The dread of that eventuality prompted this book Learned Writing promotes common sense in legal language Plain language which is commonsensical broadens access to legal documents thus democratizing the law If democracy is government of the people by the people and for the people law is the language in which government interacts with the people it is the language of democracy The people whose government speaks through law must understand what is said No democratic society should brook legalese a dense verbose dialect known only to lawyers What then should society do to redress the lawyer induced obscurity A Shakespearean character had an alarming proposal The first thing we do let s kill all the lawyers Apparently that proposal was not enthusiastically endorsed which explains why we re still here A milder remedy enrolling lawyers in language classes has been muted which explains why this book is in your hands Learned Writing motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries This book is as sweeping a treatment of its subject as you can find anywhere **A New Law-Dictionary ... The third edition, with very large additions, etc** Giles Jacob,1736

The Athenaeum ,1906 **Learning Styles, Classroom Instruction, and Student Achievement** Daniel H.

Robinson,Veronica X. Yan,Joseph A. Kim,2022-01-29 The book examines the history of learning styles including their widespread acceptance and endorsement in educational settings In addition it explores both the support of and opposition to learning styles by academics The book discusses cases for and against learning styles and offers a systematic review of empirical evidence It describes consequences of promoting learning styles in the classroom and offers insights into future directions in research and practice The book offers a critical examination that adds to the broader discussion of what is truthful and what is fake news in education Key areas of coverage include History of learning styles Widespread belief in and uses of learning styles Review of recent learning styles coverage in academic journals The case for learning styles The case against learning styles Consequences associated with using learning styles Learning Styles Classroom Instruction and

Student Achievement is an essential resource for researchers professors and graduate students as well as teachers and educational professionals in such varied fields as clinical child and school psychology educational psychology social work public health teaching and teacher education and educational practice and policy Gender And The Changing Face Of Higher Education: A Feminized Future? Leathwood, Carole, Read, Barbara, 2008-12-01 Drawing on international and national data theory and research Gender and the Changing Face of Higher Education provides an accessible but nuanced discussion of the feminization of higher education for postgraduates policy makers and academics working in the field **Citizenship and Intercultural Dialogue** Christine Laton, 2018-07-17 In the wake of tragic terrorist attacks in Western Europe so called parallel communities have come under increased scrutiny and pressure to be engaged and integrated in the politics and society of the country of settlement In this context the tools of intercultural dialogue and citizenship have been proposed to bridge the gap between majority and minority communities Yet how are these concepts understood on the ground This book explores perceptions of citizenship and intercultural dialogue among minority youth in Berlin and London chosen for their contrasting citizenship and immigration policies Germany has a strong ethnic heritage and the presence of a large minority community from Turkey The policies and relationship with the Turkish community have often served to perpetuate cultural and ethnic boundaries their presence overshadowing the numerous other ethnicities living within Germany In the UK the large presence of immigrants of Afro Caribbean and Asian descent often dominates centre stage in a much more territorially defined political context while the needs and demands of smaller communities are not commonly known Nonetheless these smaller communities shape and even offer unique insights into the way that local contexts interact with international and transnational structures It is argued that in both cities minority youths communicated feelings and experiences of marginalization and contestation generally feeling a sense of belonging to their local neighbourhoods but not to broader society The book explores the process of valuisation the idea that a value is put on an immigrant according to their desirability or undesirability based on ethnicity or skills Furthermore it assesses the role of education as a mediator between state and society By arguing that local engagement has international ramifications and highlighting the importance of the role of youth in international politics this book offers a new perspective on International Relations and Diaspora Studies

Evaluation Across Newspaper Genres Jonathan Ngai, 2022-05-08 Evaluation Across Newspaper Genres Hard News Stories Editorials and Feature Articles is the first book length study of evaluation or stance in three major newspaper genres hard news stories editorials and feature articles the last of which is a Cinderella genre in linguistic studies It offers a fresh approach to exploring the ways in which evaluation or stance contributes to the construction of the three newspaper genres each with a distinct communicative purpose Key features include using a 900 000 word comparable corpus of newspaper texts arranged by genre and topic domain drawing on a specially developed framework of analysis with a strong orientation to news values carrying out structural analysis by creating sub corpora of different parts of newspaper texts and adopting a functional approach to evaluation in newspaper discourse Evaluation Across Newspaper Genres amply demonstrates that evaluation plays a vital and yet dynamic role in the construction of hard news stories editorials and feature articles by performing a great variety of discourse functions In doing so the book also illuminates such important linguistic concepts as specificity variation and textual colligation Providing a new and unifying perspective on evaluation as a prime driver of text construction it will be of interest and use to researchers teachers and students of English language applied linguistics and journalism

The Cinema of Paolo Sorrentino Russell Kilbourn, 2020-06-16 Paolo Sorrentino director of *Il Divo* 2008 and *The Great Beauty* 2013 and creator of the HBO series *The Young Pope* 2016 has emerged as one of the most compelling figures in twenty first century European film From his earliest productions to his more recent transnational works Sorrentino has paid homage to Italy's cinematic past while telling stories of masculine characters whose sense of self seems to be on the brink of dissolution Together with his usual collaborators including cinematographer Luca Bigazzi and editor Cristiano Travagliolo and actors chief among them Toni Servillo Sorrentino has produced an incisive depiction of the contemporary European condition by means of an often spectacular postclassical style that nevertheless continues postwar Italian film's tradition of political commitment This book is a critical examination of Sorrentino's work focusing on his emergence as a preeminent transnational auteur Russell J A Kilbourn offers close readings of Sorrentino's feature films and television output from *One Man Up* 2001 to *The Young Pope* 2016 and *Loro* 2018 featuring in depth analyses of the director's exuberant and intensified film style Addressing the crucial themes of Sorrentino's output including a masculine subject defined by a melancholic awareness of its own imminent demise and a critique of the conventional cinematic representation of women Kilbourn

illuminates Sorrentino's ability to suffuse postmodern elegies for the humanist worldview with a sense of social awareness and responsibility Kilbourn also foregrounds Sorrentino's contributions to the ongoing transformations of cinematic realism and the Italian and European art cinema traditions more broadly The first English language study of the acclaimed director's oeuvre *The Cinema of Paolo Sorrentino* demonstrates why he is considered one of the most dynamic figures making films today
