Handbook Of Contemporary Preaching:

Handbook of Contemporary Preaching Dr. Michael Duduit, 1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more Handbook of Contemporary Preaching, 2nd Edition Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching **Illustrating Well** Jim L. Wilson, 2022-05-18 Communicate well by illustrating well Preachers face all kinds of obstacles on Sunday mornings A sermon that employs interesting and appropriate illustrations can help break through barriers and convey truth in a fresh way In *Illustrating Well* Jim L Wilson provides pastors with the tools to effectively use sermon illustrations to help them communicate the Bible's teachings To reach the hearts and minds of their congregations preachers must do more than explain the truth they must demonstrate how the truth relates to real life Every sermon should be theologically rich and thoroughly biblical but a good illustration can take what might be an abstract concept and turn it into a concrete reality for the listener In *Illustrating Well* preachers will discover what makes for a compelling illustration as well as the benefits and potential pitfalls of particular types of illustrations **Preaching Christ in a Postmodern Culture** K. A. Beville, 2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism this work goes on to assess the feasibility of preaching in a postmodern culture which rejects both the idea of absolute truth and authority used as power It traces the historical and philosophical development of postmodernism The Enlightenment project is deemed to have failed and Christianity is perceived as an oppressive metanarrative In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned this book offers some guidelines about preaching to postmoderns In a relational age rationality is impotent but the author distinguishes between authoritative and authoritarian preaching allowing hope for the survival of the homiletic task Humility is presented as preferable to certitude and persuasion is redefined The author suggests using an inductive mode of communication as a means of engaging postmodern listeners He signposts a way forward in the labyrinthine complexity of the new paradigm and demonstrates that the homiletic task is still feasible Thus this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy *Contemporary African American preaching P3040* , L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories Portraying the many approaches that are empowering preaching in African American churches today Bond shows how different theological perspectives produce different methods of sermon preparation and delivery different strategies for selecting illustrative material and even different ways of beginning and ending sermons Her goal is not to lift up the right way to preach in the African American tradition but to show the richness

and nuance contained within this powerful cultural expression **A Reader's Guide to Contemporary Literature** William Swan Sonnenschein, 1895 Homiletical Handbook Donald L. Expository Preaching in Africa Ezekiel A. Ajibade, 2021-06-30 How can expository preaching rooted in a textual analysis of Scripture be effectively utilized in oral cultures In *Expository Preaching in Africa* Ezekiel A Ajibade engages this challenge directly offering practical techniques for integrating African oral elements such as myths proverbs folklore dance drama poetry and storytelling into preaching that is both biblical and African Alongside numerous examples and tools Ajibade provides a rich overview of the nature of orality the history and development of African preaching and the reason biblical exposition must be central to gospel proclamation He reminds us that it is the word of God incarnated among us that has the power to transform lives and revitalize nations Contextualized expository preaching is not therefore one technique to be utilized among many it is rather the heart of biblical teaching and the future of the African church While contributing significantly to studies in contextualization and homiletics this book is immediately applicable to practitioners especially African preachers and those working in oral contexts

Biblical Preaching Haddon W. Robinson, 2014-03-18 This bestselling text by Haddon Robinson considered by many to be the teacher of preachers has sold over 300 000 copies and is a contemporary classic in the field It offers students pastors and Bible teachers expert guidance in the development and delivery of expository sermons This new edition has been updated throughout and includes helpful exercises Praise for the Second Edition Named One of the 25 Most Influential Preaching Books of the Past 25 Years by *Preaching* An outstanding introduction to the task of preparing and presenting biblical sermons More than any other book of the past quarter century *Biblical Preaching* has profoundly influenced a generation of evangelical preachers

Preaching *Spirit Empowered Preaching* Mozart Dor PhD, 2020-11-24 Although there are several preaching books today there are only handfuls if any that address the centrality of the Holy Spirit in preaching A hindrance to preaching in the twenty first century is over intellectualization of the Gospel After receiving a Doctor of Philosophy Degree in Preaching I thought I was now ready to prepare and preach an effective sermon that will draw any audience to Christ I told myself I am ready I have attained and I can double the size of any given church with my vast knowledge on preaching Little did I know that my degrees from the best schools around the world were not sufficient to preach the whole counsel of God s Word I have come to realize that clever persuasions of men do not change lives The name of Jesus through the power of the Holy Ghost does The secret ingredient in preparing and preaching Spirit empowered messages is the power of the Holy Spirit Ministers of the Gospel must not depend upon natural means to produce supernatural results but must use supernatural means to produce supernatural results Paul said to the Thessalonians Our gospel did not come to you in word only but also in power and in the Holy Spirit and in much assurance 1 Thess 1 5 The church is in desperate need of revival Sinners are urgently in need of the Savior and only the Spirit of God can convict sinners of their sins and bring revival to the nations Consequently the goal of this book is not to produce another great preaching book but to help students and ministers prepare and present effective Holy Spirit

empowered sermons to their audience The book seeks to instruct readers on the importance of the Holy Spirit in preaching the Word of God while laying the foundational building blocks of effective preaching This book is for both beginning ministers who are just starting ministry and for veteran ministers who would like to brush up on their preaching and teaching skills in order to become better Spirit empowered ministers of the Gospel May God bless you and speak mightily through you with clarity urgency fervency and power as you endeavor to preach Spirit empowered messages to a dying generation Take Up and Preach Blayne A. Banting, 2016-03-08 The foundation of a good biblical sermon is the biblical text Take Up and Preach is a helpful guide for the preacher in how to approach a biblical text with the intention of preaching its life giving message Blayne Banting uses memorable images and careful instructions to aid the preacher through the process of understanding a theology of preaching selecting and interpreting a preaching text right up to the point of producing the sermon outline Take Up and Preach both grounds and guides the preacher in a sound method for biblical preaching and does so with a number of practical helps to aid in the process The Moment of Truth Wayne McDill, 1999-07-01 Sermon Delivery it s more than the mere presentation of a persuasive speech on a religious theme It is God s way of keeping the original vision alive This book will show you how Preaching James Cox, 2002-06-17 Stands head and shoulders above the other texts Cox has complete mastery over all aspects of preaching Students and teachers will be awed Review and Expositor A contemporary restatement of the fundamentals of good preaching serves as a splendid refresher course for old timers and as a basic text for some of the newer preachers A distinctly practical handbook The Christian Century Balanced practical and familiar The strength of the book is the many practical sections in which the author gives step by step guidance A useful ring on which to cut one s homiletical teeth Theology Today Inspiring offers excellent counsel on ways to master the message will strengthen any pulpit Ministries A strong and worthy book may well prove little short of revolutionary in the years ahead The Christian Ministry Biblical Sermons Haddon W. Robinson, 1997-02 Haddon Robinson s method in Biblical Preaching is employed in twelve expository messages with accompanying comments on each by the editor and interviews with each preacher *Equipped for Good Work* Joe H. Cothen, Th.D, 2014-11-21 A practical handbook for today s pastors Extensively updated to aid in meeting the increased demands and challenges of twenty first century ministry this edition includes expanded indexes reading lists and technological suggestions Covering everything from policy programming to organizational management each invaluable chapter serves as a vital resource for ministers facing the challenges of pastoral work today
