**Identity and Story** Dan P. McAdams, Ruthellen Josselson, Amia Lieblich, 2006 The editors bring together an interdisciplinary and international group of creative researchers and theorists to examine the way the stories we tell create our identities The contributors to this volume explore how beginning in adolescence and young adulthood narrative identities become the stories we live by *Identity and Story : Creating Self in Narrative* ,2006 The Oxford Handbook of Positive Organizational Scholarship Kim S. Cameron, Gretchen M. Spreitzer, 2013-05-02 An ideal resource for organizational scholars students practitioners and human resource managers this handbook covers the full spectrum of organizational theories and outcomes that define explain and predict the occurrence causes and consequences of positivity The Oxford Handbook of Diversity and Work Quinetta M. Roberson, 2013-01-31 Greater workforce diversity and business trends make the management of such diversity an important challenge for organizational leaders The Oxford Handbook of Diversity and Work offers a comprehensive review of current theory and research and stimulates thoughtful and provocative conversation about future study of diversity in the workplace *The Redemptive Self* Dan P. McAdams, 2013-02-14 In this revised and expanded edition of *The Redemptive Self* McAdams shows how redemptive stories promote psychological health and civic engagement among contemporary American adults **The SAGE Handbook of Interview Research** Jaber F. Gubrium, James A. Holstein, Amir B. Marvasti, Karyn D. McKinney, 2012-02-14 The new edition of this landmark volume emphasizes the dynamic interactional and reflexive dimensions of the research interview Contributors highlight the myriad dimensions of complexity that are emerging as researchers increasingly frame the interview as a communicative opportunity as much as a data gathering format The book begins with the history and conceptual transformations of the interview which is followed by chapters that discuss the main components of interview practice Taken together the contributions to *The SAGE Handbook of Interview Research* The Complexity of the Craft encourage readers simultaneously to learn the frameworks and technologies of interviewing and to reflect on the epistemological foundations of the interview craft Handbook of Constructionist Research James A. Holstein, Jaber F. Gubrium, 2013-10-21 Constructionism has become one of the most popular research approaches in the social sciences But until now little attention has been given to the conceptual and methodological underpinnings of the constructionist stance and the remarkable diversity within the field This cutting edge handbook brings together a dazzling array of scholars to review the foundations of constructionist research how it is put into practice in multiple disciplines and where it may be headed in the future The volume critically examines the analytic frameworks strategies of inquiry and methodological choices that together form the mosaic of contemporary constructionism making it an authoritative reference for anyone interested in conducting research in a constructionist vein **Narrative Psychology** Julia Vassilieva, 2016-04-28 This book provides the first comparative analysis of the three major streams of contemporary narrative psychology as they have been developed in North America Europe and Australia and New Zealand Interrogating

the historical and cultural conditions in which this important movement in psychology has emerged the book presents clear well structured comparisons and critique of the key theories of narrative psychology pioneered across the globe Examples include Dan McAdams in the US and his followers who have developed a distinctive approach to self and identity as a life story over the past two decades in the Netherlands by Hubert Hermans whose research on the dialogical self has made the University of Nijmegen a centre of narrative psychological research in Europe and in Australia and New Zealand where the collaborative efforts of Michael White and David Epston helped to launch the narrative movement in psychotherapy in the late 1980s
