Identity Diaspora Minor Imperial Period:

Lived Religion in the Ancient Mediterranean World Valentino Gasparini, Maik Patzelt, Rubina Raja, Anna-Katharina Rieger, Jörg Rüpke, Emiliano Urciuoli, 2020-04-06 The Lived Ancient Religion project has radically changed perspectives on ancient religions and their supposedly personal or public character This volume applies and further develops these methodological tools new perspectives and new questions The religious transformations of the Roman Imperial period appear in new light and more nuances by comparative confrontation and the integration of many disciplines The contributions are written by specialists from a variety of disciplinary contexts Jewish Studies Theology Classics Early Christian Studies dealing with the history of religion of the Mediterranean West Asian and European area from the late Hellenistic period to the early Middle Ages and shaped by their intensive exchange From the point of view of their respective fields of research the contributors engage with discourses on agency embodiment appropriation and experience They present innovative research in four fields also of theoretical debate which are Experiencing the Religious Switching the Code A Thing Called Body and Commemorating the Moment

Counting the Miracles: Jewish Thought, Mysticism, and the Arts from Late Antiquity to the Present Silvana Greco, Judith Olszowy-Schlanger, 2025-05-19 In honor of the writings of Giulio Busi scholar of Jewish culture the book investigates from a multidisciplinary perspective the extraordinary richness of Jewish culture in the Diaspora from antiquity to the latter part of the 20th century A number of rabbinic writings medieval manuscripts from the South of France visual qabbalah the Yiddish language artistic expressions as well as the philosophical and social traditions of some prominent twentieth century figures will be explored While the Jewish cultural tradition has always incorporated the cultural influences of the broader socio historical context in which it was embedded it has in turn been a source of inspiration for the intellectual lite of the majority society In this regard the volume will examine the fruitful mutual exchange between Jewish scholars and Christian humanists during the Renaissance However the life of Jews in the Diaspora did not always take place in a context of peaceful integration It was punctuated by harsh confrontations and persecution Finally the book will illustrate how precisely during the darkest and most tragic period of the 20th century Jewish culture was an important tool of resistance and struggle against Nazi Fascism

Synagogues in the Hellenistic and Roman Periods Lutz Doering, Andrew R. Krause, Hermut Löhr, 2020-12-14 The study of ancient Judaism has enjoyed a steep rise in interest and publications in recent decades although the focus has often been on the ideas and beliefs represented in ancient Jewish texts rather than on the daily lives and the material culture of Jews Judaeans and their communities The nascent institution of the synagogue formed an increasingly important venue for communal gathering and daily or weekly practice This collection of essays brings together a broad spectrum of new archaeological and textual data with various emergent theories and interpretative methods in order to address the need to understand the place of the synagogue in the daily and weekly procedures community frameworks and theological structures in which Judaeans Galileans and Jewish people in the Diaspora

lived and gathered The interdisciplinary studies will be of great significance for anyone studying ancient Jewish belief practice and community formation *The Routledge Handbook of Jews and Judaism in Late Antiquity* Catherine Hezser, 2024-01-24 This volume focuses on the major issues and debates in the study of Jews and Judaism in late antiquity third to seventh century C E providing cutting edge surveys of the state of scholarship main topics and research questions methodological approaches and avenues for future research Based on both Jewish and non Jewish literary and material sources this volume takes an interdisciplinary approach involving historians of ancient Judaism scholars of rabbinic literature archaeologists epigraphers art historians and Byzantinists Developments within Jewish society and culture are viewed within the respective regional political cultural and socioeconomic contexts in which they took place Special focus is given to the impact of the Christianization of the Roman Empire on Jews from administrative legal social and cultural points of view The contributors examine how the confrontation with Christianity changed Jewish practices perceptions and organizational structures such as for example the emergence of local Jewish communities around synagogues as central religious spaces Special chapters are devoted to the eastern and western Jewish Diaspora in Late Antiquity especially Sasanian Persia but also Roman Italy Egypt Syria and Arabia North Africa and Asia Minor to provide a comprehensive assessment of the situation and life experiences of Jews and Judaism during this period *The Routledge Handbook of Jews and Judaism in Late Antiquity* is a critical and methodologically sophisticated survey of current scholarship aimed primarily at students and scholars of Jewish Studies Study of Religions Patristics Classics Roman and Byzantine Studies Iranology History of Art and Archaeology It is a valuable resource for anyone interested in Judaism and Jewish history *Private Associations and Jewish Communities in the Hellenistic and Roman Cities* Dr. Benedikt Eckhardt, 2019-07-01 In *Private Associations and Jewish Communities in the Hellenistic and Roman Cities* Benedikt Eckhardt brings together a group of experts to investigate a problem of historical categorization Traditionally scholars have either presupposed that Jewish groups were Greco Roman Associations like others or have treated them in isolation from other groups Attempts to begin a cross disciplinary dialogue about the presuppositions and ultimate aims of the respective approaches have shown that much preliminary work on categories is necessary This book explores the methodological dividing lines based on the common sense assumption that different questions require different solutions Re introducing historical differentiation into a field that has been dominated by abstractions it provides the debate with a new foundation Case studies highlight the problems and advantages of different approaches **Christian Divination in Late Antiquity** Robert Wisniewski, 2025-10-01 In Late Antiquity people commonly sought to acquire hidden knowledge about the past the present and the future using a variety of methods While Christians acknowledged that these methods could work effectively in theory they were not allowed to make use of them In practice they behaved in diverse ways Some probably renounced any hope of learning about the future Others resorted to old practices regardless of the consequences A third option was to construct divinatory methods that were effective yet religiously tolerable This book is devoted to the

study of such practices and their practitioners and provides answers to essential questions concerning Christian divination How did it develop How closely were Christian methods related to older traditional practices Who used them and in which situations Who offered oracular services And how were they perceived by clerics intellectuals and common people This book studies a phenomenon which is most interesting in itself but also helps to understand religious and social life in the period in which they were swiftly changing o covers the entire field and not a single method o deals with the evidence from all parts of Christendom

The Oxford Handbook of Greek Cities in the Roman Empire ,2024-11-22 This handbook provides the first comprehensive treatment of the Greek cities in the Roman Empire The poleis are studied here both as urban forms with a specific organization of space and specific public buildings and as socio political entities with specific institutions and social hierarchies The contributions cover all the important aspects of civic life and present the on going debates on the degree of integration and autonomy uniformization and diversity of the Greek civic model in the Roman Empire One of the main guidelines of the handbook is the issue of the impact of Roman rule on the long lasting Greek model of political social and spatial organization Geographically the volume covers the whole Roman Empire with a focus on regions where the Greek polis was the dominant form of organization such as mainland Greece the Aegean Islands Asia Minor Syria and the Black Sea region In addition to that the Greek cities of Sicily and Egypt as well as more isolated Greek settlements such as Cyrene in North Africa are also considered The chronological scope of the handbook runs from a community s integration into the Roman Empire varying depending on the region until the 3rd c AD when the epigraphic documentation strongly decreases and some important changes make way for the transition to Late Antiquity

Early Christianity on the Lower Maeander Ulrich Huttner,2025-07-24 In Early Christianity on the Lower Maeander Ulrich Huttner explores the religious authorities crucial for the poleis in the region Miletus Magnesia Tralles Nysa and for shaping the conditions under which the Christian communities developed from the first to the fifth centuries The Christians had to find their way between traditional institutions like the Oracle of Didyma and new impulses like those in the letters written by Ignatius of Antioch While they were first still victims of local and imperial persecutions from the 4th century onwards they enjoyed their superiority by demolishing pagan monuments

Bar Kokhba Lindsay Powell,2021-11-24 This biography of the ancient Jewish military leader examines how he mounted a years long revolt against Rome that changed the course of history In AD 132 a bloody struggle began between two determined leaders over who would rule Judea One was the powerful Roman Emperor Hadrian who some regarded as divine The other was Shim on known today as Bar Kokhba a Jewish military commander in a district of a minor province who some believed to be the King Messiah In Bar Kokhba ancient historian Lindsay Powell examines the clash between these two men and the two ancient cultures they represented In the ensuing conflict the Jewish militia resisted the onslaught of the professional Roman army for three and a half years They established an independent nation with its own administration headed by Shim on as its president The outcome of that David and Goliath contest was of great consequence

both for the people of Judaea and for Judaism itself Drawing on archaeology art coins inscriptions militaria as well as secular and religious documents Lindsay Powell sheds light on Bar Kokhba s singular life and legacy She also describes her personal journey across three continents to establish the facts The Christian Economy of the Early Medieval West Ian Wood,2022 Examines the chronology of the Church s acquisition of wealth and particularly of landed property as well as the distribution of its income in the period between the conversion of Constantine and the eighth century Provided by publisher *The Oxford Handbook of the Book of Revelation* Craig Koester,2020-06-12 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book Thirty essays by leading scholars from around the world orient readers to the major currents in the study of Revelation Divided into five sections Literary Features Social Setting Theology and Ethics History of Reception and Influence and Currents in Interpretation the essays identify the major lines of interpretation that have shaped discussion of these topics and then work through the aspects of those topics that are most significant and hold greatest promise for future research *Jews in a Graeco-Roman Environment* Margaret Williams,2013 A collection of articles published previously **The Lamps of Late Antiquity from Rhodes** Angeliki Katsioti,2017-12-31 This study focuses on the recording study and publication of the corpus of the Late Antique lamps dating from the 3rd to the 7th centuries as found in rescue excavations in the town of Rhodes The aim here is to present the diachronic changes in the artistic sensibility and preferences of this particular market **Dictionary of New Testament Background** CRAIG A EVANS,STANLEY E PORTER,2020-05-21 The Dictionary of New Testament Background joins the Dictionary of Jesus and the Gospels the Dictionary of Paul and his Letters and the Dictionary of the Later New Testament and its Developments as the fourth in a landmark series of reference works on the Bible In a time when our knowledge of the ancient Mediterranean world has grown this volume sets out for readers the wealth of Jewish and Greco Roman background that should inform our reading and understanding of the New Testament and early Christianity The Dictionary of New Testament Background takes full advantage of the flourishing study of the Dead Sea Scrolls and offers individual articles focused on the most important scrolls In addition the Dictionary encompasses the fullness of second temple Jewish writings whether pseudepigraphic rabbinic parables proverbs histories or inscriptions Articles abound on aspects of Jewish life and thought including family purity liturgy and messianism The full scope of Greco Roman culture is displayed in articles ranging across language and rhetoric literacy and book benefactors travel and trade intellectual movements and ideas and ancient geographical perspectives No other reference work presents so much in one place for students of the New Testament Here an entire library of scholarship is made available in summary form The Dictionary of New Testament Background can stand alone or work in concert with one or more of its companion volumes in the series Written by acknowledged experts in their fields this wealth of knowledge

of the New Testament era is carefully aimed at the needs of contemporary students of the New Testament In addition its full bibliographies and cross references to other volumes in the series will make it the first book to reach for in any investigation of the New Testament in its ancient setting *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith,2008

The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike *Colossae in Space and Time* Alan H. Cadwallader,Michael Trainor,2011-12-07

The ancient site of Colossae in south west Turkey has been sorely neglected by archaeologists and biblical commentators It has never been excavated Modern scholarship in general has been content to repeat nineteenth century assessments especially those of J B Lightfoot and W M Ramsay This is the first modern contribution to gather the archaeological historical classical and biblical materials related to the site and its region some of which is published in English for the first time It marks a major step forward in scholarship on Colossae and is designed to restore Colossae to time and space to its material and comparative significance Colossae emerges as a site of uninterrupted human activity in dynamic interaction with its neighbours from before the Achaemenid period to beyond the end of Byzantine control Evidence of a chalcolithic origin of Colossae is presented along with an assessment of the relationship of the site to the modern city of Honaz An array of international scholars have brought their specialisations in various periods and disciplines to yield a radically new assessment of the history and importance of the site All future scholarship will be able to use this volume as the necessary foundation for research The volume includes the first chronology of the ancient site and the first English translation of the key Byzantine text centred on the ancient city as well as major new insights into the text of the Epistle to the Colossians **Identity of the Diaspora** Krystyna

Stebnicka,2015 The book is depicting the Jewish Diaspora in the Roman Imperial period *Diasporas* Professor Kim Knott,Doctor Sean McLoughlin,2010-10-14 Featuring essays by world renowned scholars *Diasporas* charts the various ways in which global population movements and associated social political and cultural issues have been seen through the lens of diaspora Wide ranging and interdisciplinary this collection considers critical concepts shaping the field such as migration ethnicity post colonialism and cosmopolitanism It also examines key intersecting agendas and themes including political economy security race gender and material and electronic culture Original case studies of contemporary as well as classical diasporas are featured mapping new directions in research and testing the usefulness of diaspora for analyzing the complexity of transnational lives today *Diasporas* is an essential text for anyone studying working or interested in this increasingly vital subject **John and Anti-Judaism** Jonathan Numada,2021-06-17 This study argues that the Gospel of John s anti Judaism can be well understood from the perspective of trends apparent within the context of broader Greco Roman culture It uses the paradigm of collective memory and aspects of social identity theory and self categorization theory to explore the theological and narrative functions of the Johannine Jews Relying upon a diverse range of historical testimony drawn from Greco Roman literature inscriptions and papyri this work attempts to understand the social identities and social locations of Diaspora Jews as a first step in reading John s Gospel in the context of the political and social instability of the first century CE It then attempts to understand John s theology its portrayal of Jewish social identity and the narrative and theological functions of the Jews as a group character in light of this historical context This work attempts to demonstrate that while John s treatment of Jews and Judaism is multivalent at both social and theological levels it is primarily focused upon strengthening a Christologically centered Christian identity while attempting to mitigate the attractiveness of Judaism as a religious competitor *Global Diasporas* Robin Cohen,2002-09-11 First published in 1997 Routledge is an imprint of Taylor Francis an informa company

This book delves into Identity Diaspora Minor Imperial Period. Identity Diaspora Minor Imperial Period is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Identity Diaspora Minor Imperial Period, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Identity Diaspora Minor Imperial Period
 - Chapter 2: Essential Elements of Identity Diaspora Minor Imperial Period
 - Chapter 3: Identity Diaspora Minor Imperial Period in Everyday Life
 - Chapter 4: Identity Diaspora Minor Imperial Period in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Identity Diaspora Minor Imperial Period. The first chapter will explore what Identity Diaspora Minor Imperial Period is, why Identity Diaspora Minor Imperial Period is vital, and how to effectively learn about Identity Diaspora Minor Imperial Period.
 3. In chapter 2, this book will delve into the foundational concepts of Identity Diaspora Minor Imperial Period. The second chapter will elucidate the essential principles that must be understood to grasp Identity Diaspora Minor Imperial Period in its entirety.
 4. In chapter 3, the author will examine the practical applications of Identity Diaspora Minor Imperial Period in daily life. This chapter will showcase real-world examples of how Identity Diaspora Minor Imperial Period can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Identity Diaspora Minor Imperial Period in specific contexts. The fourth chapter will explore how Identity Diaspora Minor Imperial Period is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Identity Diaspora Minor Imperial Period. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Identity Diaspora Minor Imperial Period.
