Theology of the New Testament Frank S. Thielman, 2011-03-22 Studying the theology of the New Testament can be a daunting task even to the knowledgeable Bible student or pastor Each of the twenty seven books written by various authors has its own theological emphasis and nuances How do we elicit a coherent message from such theological diversity especially given that some of the theological statements in the New Testament seem to be at odds with one another Is such an endeavor achievable or even valid Theology of the New Testament takes a balanced approach in response to these challenges Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole He not only examines each book s theological content individually but also in relation to the rest of the New Testament particularly within each of the three theological units that comprise the New Testament the gospels and Acts the Pauline epistles and the general epistles and Revelation This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books In the end Thielman finds a unified theological vision of the New Testament anchored in the centrality of Jesus Christ Frank Thielman s Theology of the New Testament is an outstanding achievement The book is marked by scholarly depth exegetical rigor and theological profundity Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents Thomas R Schreiner Professor of New Testament The Southern Baptist Theological Seminary An accessible presentation of the key theological

points of the New Testament books by an accomplished New Testament scholar and teacher Its clear style lucid organization and sound theological insight make it a prime resource for serious students in both the academy and the church Karen H Jobs PhD Associate Professor of New Testament Westmont College *Heavenly Space in Hebrews and Its Jewish and Christian Environment* Stephen C. Wunrow, 2025-06-12 Stephen Wunrow addresses the pressing question of what the author of Hebrews meant by his descriptions of heaven arguing that the author intended his references to heavenly space to be interpreted as realistic descriptions of a real place Wunrow posits that language about heaven is neither metaphor nor a description of a place outside the creation by examining other early Jewish and Christian texts that narrate or describe humans ascending into heaven Given the nature and the function of heavenly space as described in these texts Wunrow suggests it is most probable that the authors of the texts intended their descriptions of heavenly space to be understood as realistic Wunrow thus explores 1 and 2 Enoch 4 Ezra 2 and 3 Baruch the Apocalypse of Abraham the Testament of Levi the Testament of Abraham the Ascension of Isaiah and Revelation investigating how other roughly contemporary authors described heavenly space and considering that the rhetorical aims of most of these authors fail unless their readers understand their descriptions of heavenly space in realistic ways Turning then to examine Hebrews Wunrow suggests that while the letter does contain unique features and rhetorical aims it also fits comfortably with other early Jewish and Christian texts that describe humans ascending into heaven in a realistic manner He concludes with reflections on how this conclusion helps to clarify other topics in Hebrews including atonement and eschatology Simon Magus: The First Gnostic? Stephen Haar, 2012-10-24 This latest comprehensive work on Simon Magus lends new impetus to the investigation of Early Christianity and questions surrounding the origin and nature of Gnosticism Major contributions of this study include 1 a departure from the traditional exegesis of Acts 8 5 24 the first narrative source of Simon and the later following reports of ancient Christian writers 2 an overview of the literature of Graeco Roman antiquity to determine the contribution of magic and the Magoi in the development of perceptions and descriptions of Simon and 3 the inclusion of social science explanation models and modern estimations of identity in a creative approach to questions surrounding the phenomenon of Simon

McMaster Journal of Theology and Ministry: Volume 14, 2012-2013 Lois Dow, 2014-03-18 The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors educators and interested lay persons with the fruits of theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College s previous print publications the Theological Bulletin Theodolite and the McMaster Journal of Theology **McMaster Journal of Theology and Ministry: Volume 12** Hughson T. Ong, 2011-12-01 The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors educators and interested lay persons with the fruits of theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton

Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College's previous print publications the Theological Bulletin Theodolite and the McMaster Journal of Theology **The Letter to Philemon** Scot McKnight, 2017 The Academy of Parish Clergy's 2018 Top Five Reference Books for Parish Ministry Paul's letter to Philemon carries a strong message of breaking down social barriers and establishing new realities of conduct and fellowship It is also a disturbing text that has been used to justify slavery Though brief Philemon requires close scrutiny In this commentary Scot McKnight offers careful textual analysis of Philemon and brings the practice of modern slavery into conversation with the ancient text Too often McKnight says studies of this short letter gloss over the issue of slavery an issue that must be recognized and dealt with if Christians are to read Philemon faithfully Pastors and scholars will find in this volume the insight they need to preach and teach this controversial book in meaningful new ways **Jeremiah** Georg Walser, 2012-03-02 This commentary on Greek Jeremiah is based on what is most certainly the best complete manuscript namely Codex Vaticanus The original text is presented uncorrected and the paragraphs of the manuscript itself are utilized The translation into English on facing pages is deliberately literal so as to give the modern reader a hint of the impression the Greek translation could have made on an ancient reader The purpose of the commentary is to provide a discussion of the Greek text of Jeremiah in its own right Hence references to the Vorlage are only made to explain peculiarities in the Greek text **The Eschatology of First Thessalonians** David Luckensmeyer, 2013-03-06 David Luckensmeyer gelingt durch die Untersuchung der eschatologischen Motive ein hervorragender Zugang zum ersten Thessalonicherbrief Er analysiert die grundlegenden Richtungen des enthaltenen Diskurses erstmalig und verdeutlicht sowohl die Rhetorik wie auch die Briefstruktur des 1. Briefes an die Thessalonicher Durch diese Zugangsweise lassen sich die verschiedenen eschatologischen Motive als Teil einer systematischen Aufforderung des Verfassers an eine Gemeinde verstehen die einen Konflikt zu bestehen hat Luckensmeyer verdeutlicht die Eschatologie als den besten hermeneutischen Schlüssel um die systematischen Aspekte des Briefes zu interpretieren Es besteht kein Zweifel Eschatologische Motive sind im Brief vorhanden etwa in 1.9.10.2.13.16.4.13.18 oder 5.1.11 Der Frage auf welche Weise diese Motive die Absichten des Paulus in seinem Schreiben verdeutlichen widmet sich Luckensmeyer ganz besonders Paulus kann verständlich machen warum die Thessalonicher im Konflikt leben und sie zugleich zu einem neuen Verständnis von Gemeinde ermutigen Die ausführliche Bibliographie gibt einen guten Überblick über die neueste Sekundärliteratur und verschiedene Register erleichtern den Zugang **The Message of Acts in Codex Bezae (vol 4)** Jenny Read-Heimerdinger, Josep Rius-Camps, 2009-06-15 This is the final volume in the justifiably lauded four volume commentary on the Book of Acts presenting a fresh look at the text of Codex Bezae and comparing its message with that of the more familiar Alexandrian text of which the Codex Vaticanus is taken as a representative Where Codex Bezae is lacunary after 22-29 other manuscripts that often support Bezan readings elsewhere are employed Although based on the Greek text the commentary aims to be accessible to those who are not familiar with Greek It is intended to

publish the entire Greek text of Codex Bezae following the publication of this fourth volume The fourth volume addresses Acts 18 24 28 31 the chapters that cover the trial of Paul and the last stage of the mission to the Gentiles culminating in Paul's unhindered proclamation of the gospel in Rome For each section there is a side by side translation of the Vaticanus and Bezan manuscripts or related alternatives after 22 29 followed by a full critical apparatus which deals with more technical matters and finally a commentary which explores in detail the differences in the message of the two texts Of particular interest in this part of Acts is the evaluation made by the author of Paul's defence at his successive trials which it is argued is considerably less favourable than is commonly assumed

The Message of Acts in Codex Bezae (vol 4). Josep Rius-Camps, Jenny Read-Heimerdinger, 2009-08-15 This final volume in the four volume commentary The Message of Acts in Codex Bezae continues the comparison of the message of Acts transmitted by Codex Bezae with that of the more familiar Alexandrian text represented by Codex Vaticanus For each section of Acts there is a side by side translation of the Bezan and Alexandrian manuscripts followed by a critical apparatus and finally a commentary that explores the variations in the message of the two texts Working from this strong methodological foundation Jenny Read Heimerdinger and Josep Rius Camps conclude that the Bezan text is the earlier of the two In the process they provide an illuminating and comprehensive guide to the Acts of the Apostles Book Jacket

Oral Performance and the Veil of Text Ben F. van Veen, 2024-01-26 It is common opinion in biblical scholarship that the biblical documents functioned in a sociocultural context dominated by the spoken word Detextification is the result of addressing the complex relation between this formally acknowledged functioning in its original oral delivery and the daily praxis of biblical scholarship in which these

documents function as autonomous texts in an ever expanding universe of texts The argument in this book is that in addition to acknowledging the difference in media oral performance there and then versus reading text here and now it is crucial to differentiate and explicate the mindsets behind these media A literate reader in the present structures thought vis a vis text differently from someone intensively formed by oral aural communication in the moment of exposure to a performing orator The latter perspective was Paul s in the process of his letter composition Therefore this is a leading question in detextification How can a contemporary biblical scholar relate to the text of Paul s letters in such a way as to understand how the apostle envisioned his original addressees structuring their thoughts during the event of a letter s oral aural delivery Two test cases are provided from the Letter to the Galatians Gal 2 3
