The Everything Parent's Guide to Special Education Amanda Morin, 2014-05-18 Children with special needs who succeed in school have one thing in common: their parents are passionate and effective advocates. This valuable handbook explains how to evaluate, prepare, organize, and get quality services, no matter what a child's disability. Includes worksheets, forms, and sample documents and letters.

Aligning IEPs to the Common Core State Standards for Students with Moderate and Severe Disabilities, 2012-09 eBooks are delivered directly to your iPad from the Attainment Bookshelf, no file attachments or disks and no need for side loading your book onto your iPad through iTunes. New Edition Updated book features entirely new areas of discussion and examination. Now Drs. Courtade and Browder have an updated version of *Aligning IEPs* in which they expand and elaborate on their original ideas while creating a new template that shows teachers how to align IEPs to the core curriculum standards. This updated version features entirely new areas of discussion and examination. And it has a new chapter on effective instruction for teaching academic objectives to students with an intellectual disability.

Assistive Technology Emily C. Bouck, 2015-12-31 Succinct yet comprehensive Assistive Technology is designed to help educators better understand assistive technology and how it can support students with disabilities from early childhood through the transition into adulthood. This practical book is organized around the purpose of technology and the support it can provide rather than a student's disability categorization. Grounded in research and filled with engaging case studies and activities, author Emily C. Bouck offers an unbiased depiction of the advantages and limitations of technology. Readers are exposed to a full range of assistive technology, including up-to-date coverage of low and high technology as well as free and for-purchase options that can be used to support students with disabilities.

IEPs and CCSS: Specially Designed Instructional Strategies Toby Karten, 2013-01-01 The Common Core State Standards, which have been adopted in most states in the country, delineate the skills and knowledge that students are expected to possess at each grade level (K-12) in order to be college and career ready (CCR) by the time they graduate high school. They are designed to ensure that ALL American students, including students with disabilities, receive a high-quality education that positions them for lifelong success. In *IEPs and CCSS: Specially Designed Instructional Strategies*, author Toby Karten presents a variety of specially designed instructional strategies and interventions that teachers and IEP team members can use to connect the individualized education programs (IEPs) of students with disabilities to the Common Core State Standards (CCSS). This six-page tri-fold laminated guide offers a side-by-side outline of the required components of an

IEP and the criteria for instruction according to the CCSS Karten explains that when developing a student's IEP the IEP team should include both individualized goals the behaviors skills tasks the student is expected to learn and the grade level standards of the CCSS The guide offers examples of accommodations and instructional supports to include in a student's IEP to help him/her meet IEP goals as well as math and literacy standards Specially designed instruction may include among other things the involvement of additional service providers instructional strategies based on universal design for learning UDL principles assistive technology devices and services incorporating the student's interests and strengths Five scenarios are provided to demonstrate a variety of ways instruction can be individualized for students with specific classifications strengths and interests The guide also outlines a step by step approach for helping students with IEPs achieve the standards Additional online and print resources are also included making this guide a valuable quick reference tool for IEP team members
