If Only For One Nite:

Encyclopedia of African-American Literature Wilfred D. Samuels, 2015-04-22 Presents a reference on African American literature providing profiles of notable and little known writers and their works literary forms and genres critics and scholars themes and terminology and more The Advocate, 1997-09-16 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *My Power, My Pleasure, My Pain, My Life in Poetry* Michael Wade, 2010-12-06 My Power My pleasure My pain cuts deep into emotions from the revealings of truths we encounter and relate to in our everyday lives For instance the poem Gladiator is a perfect example of how we as people fight our own demons with the struggles of good or bad right or wrong and the plethora of difficult choices that could ultimately change our lives for the better or worse Mizchief s Dead i s another powerful and riveting poem demonstrating we reap what we sow and we can t change what s been done But when the journey is at the end we must still chose our fate still fighting the evil trying to trap our souls into misery Then the question remains which road will you take The light or the dark In the end the choice is ultimately yours Great ending for the book Seeking & saving. Vol.1 - new quarterly ser. no.20, 1882 Product of My Creation: The Evolution of Man, Volume 2 Maurice Cade, 2022-05-23 This book is a lyrical journey through a pivotal part of my youth It tells the story of my transformation from a product of my environment into the product of my own creation It all starts with recognizing that my intense desire for love came from not receiving it at home from my parents and then trying to find that love from someone else in the world Through TV and media the narrative of finding someone to love overtook my life But through many experiences I learned that loving myself was my job to do Yes my environment raised me and instilled a lot into me both good and bad but it is also my job as a responsible adult to address and change all the parts of me that no longer serve me I tried on a lot of different hats and personalities to find the kind of person that I wanted to be When it was all said and done the product of my creation is a new man that I can be proud of *Truth be Told* Rita Hunte, 2021-03-21 A young woman is intrigued by a younger man desperately pursuing her As she soon learns there are secrets in his present and past that are truly concealing his true identity Her friends support her as she is navigating her relationship with her mate The nature of his father s business has put her in harm s way Risking everything to win his son s love the father is willing to put everything on the line to safely retrieve his son s lover In two separate incidents the young woman learns more about the true identity of her male companion and his father His lifestyle clashes with hers The woman has serious doubt that she can live in his world but at the same time she has come to love him Choosing will be the hardest thing she must do **Her Hot Highland Doc** Annie O'Neil, 2017-03-01 A match made in Scotland He might have the good looks of a modern day Viking but Dr Brodie McClellan has brooding down to an art He s only recently returned to the Isle of Dunregan and already the demons of his past are pushing him to the edge Running from her own troubled past this remote posting is heaven sent for locum Dr Kali O Shea And Brodie makes her long to find her

The Art of Loving a Black Woman Ponce W. DeLeon, 2012-08 The Art Of Loving A Black Woman was inspired by the many beautiful black women that I see in my urban community I also intended this work of poetry to be a pedestal to promote the bonding of black men and women I feel there is a need for black men to bring back respectable love for black women A respect that stemmed from the bosom of Africa on through slavery but deteriorated in the 1980's and seems to be depleting in this twenty first century I feel more men should step up to the plate and express the way they feel about the beauty and grace of our women I decided to be one of those black men and this work of art is dedicated to the strong black mothers sisters daughters and to the black community in general I have tried to compile a complete 360 degree view of a black woman and a black man's feelings when pertaining to her This 360 degree view is urban poetry inspired by relationships built upon marriage sexual relationships friendship relationships courting relationships spiritual relationships erotic filled relationships and most importantly love filled relationships I find this is the ultimate poetry guide to aid black men in The Art Of Loving A Black Woman
