If The Irish Ran The World Montserrat 1630 1730 Joanne Goodman Lectures:

If the Irish Ran the World Donald Harman Akenson, 1997-10-23 Montserrat although part of England's empire was settled largely by the Irish and provides an opportunity to view the interaction of Irish emigrants with English imperialism in a situation where the Irish were not a small minority among white settlers. Within this context Akenson explores whether Irish imperialism on Montserrat differed from English imperialism in other colonies. Akenson reveals that the Irish proved to be as effective and as unfeeling colonists as the English and the Scottish despite the long history of oppression in Ireland. He debunks the myth of the nice slave holder and the view that indentured labour prevailed in the West Indies in the seventeenth century. He also shows that the long held habit of ignoring ethnic strife within the white ruling classes in the West Indies is misconceived. *If the Irish Ran the World* provides interesting insights into whether ethnicity was central to the making of the colonial world and the usefulness of studies of sixteenth and seventeenth century English imperialism in the Americas. It will be the basis of the Joanne Goodman Lectures at the University of Western Ontario in 1997.

If the Irish Ran the World Donald H. Akenson, 1997 *If the Irish Ran the World* Donald Harman Akenson, 1997 What would have happened if the Irish had conquered and controlled a vast empire? Would they have been more humane rulers than the English? Using the Caribbean island of Montserrat as a case study of Irish imperialism, Donald Akenson addresses these questions and provides a detailed history of the island during its first century as a European colony.
