adaptations of Shakespeare's plays can be used to empower young audiences by addressing issues of oppression, trauma, and resistance. Showcasing a wide variety of approaches to understanding, adapting, and teaching Shakespeare, this collection examines the significant number of Shakespeare adaptations targeting adolescent audiences in the past 25 years. It examines a wide variety of creative works made for and by young people that harness the power of Shakespeare to address some of the most pressing questions in contemporary culture, exploring themes of violence, race relations, and intersectionality. The contributors to this volume consider whether the representations of characters and situations in YA Shakespeare can function as empowering models for students and how these works might be employed within educational settings. This collection argues that YA Shakespeare represents the diverse concerns of today's youth and should be taken seriously as art that speaks to the complexities of a broken world, offering moments of hope for an uncertain future.

More Book Lust
 Nancy Pearl, 2009-09-29 Whether you're searching for the perfect read for yourself or for a friend, *More Book Lust* offers eclectic recommendations unlike those in any other reading guide available. In this followup to the bestselling *Book Lust*, popular librarian Nancy Pearl offers a fresh collection of 1,000 reading recommendations in more than 120 thematic, intelligent, and wholly entertaining reading lists. For the friend wanting to leave her job, *Living Your Dream* offers good armchair dreaming books about people who have left stodgy jobs to do what they love. Are you a budding chef? *Fiction For Foodies* includes books that sneak in a recipe or two along with a tantalizing plot. For the James Bond wannabe, *Crime is a Globetrotter* features crime novels set in various locations around the world, such as Tibet, Sweden, and Sicily. In the book's introduction, Pearl jokes, "If we were at a twelve-step meeting together, I would have to stand up and say, 'Hi, I'm Nancy P, and I'm a readaholic.' *Booklist* magazine plays off this obsession while echoing a sentiment of Nancy Pearl's fans everywhere: A self-confessed readaholic, Pearl lets us benefit from her addiction. May she never seek recovery. Indeed."

The Big Book of Teen Reading Lists
 Nancy J. Keane, 2006-08-30 Use these 100 handy, reproducible book lists to instantly create handouts for teen readers and teachers, add to your newsletter, or post on your web site or bulletin board. Based on the most common needs of educators and librarians who work with teen readers, these lists focus on new titles and classics that are still in print and readily available for purchase. Fiction and nonfiction titles for ages 13-18 are covered. Bibliographic information and a brief description are given for each title. A dozen bookmarks are also included. This is a great time-saving tool and a good source for finding extended reading lists and read-alikes. Looking for humorous novels for teen readers? A fast-paced sports novel for a reluctant reader? Biographies to use in history class? You'll find these lists and more in this treasury of great reading lists. This versatile guide provides one-page reproducible book lists and bookmarks for books about self, coming of age, perfectionism, gangs, genre literature, e.g., fantasy, romance, historical fiction, themes, e.g., extreme sports, vampires, peace settings, e.g., Ellis Island, Dust Bowl, WWII, character studies, e.g., adventure with female protagonist, boy bonding, books, fantasy heroes, and read-alikes for bookmarks. Teaching the Tough Issues Jacqueline Darwin, 2015-04-24 This book introduces a groundbreaking teaching method intended to help English social studies and humanities teachers address difficult or controversial topics in their secondary classrooms Because these issues are rarely addressed in teacher preparation programs few teachers feel confident facilitating conversations around culturally and politically sensitive issues in ways that honor their diverse students voices and lead to critical transformative thinking The author describes a four step method to help teachers structure discussions and written assignments while concurrently assisting them in addressing Common Core State Standards Designed to aid students in both developing their own viewpoints on contentious issues and in actively critiquing those of their teachers and peers these practices will enhance any humanities curriculum

Booklist's 1000 Best Young Adult Books Since 2000 Booklist, 2014-05-15 With the explosion in YA publishing it's harder than ever to separate good books from the rest Booklist magazine's editors deep and broad knowledge of the landscape offers indispensable guidance and here they bring together the very best of the best books for young adults published since the start of the 21st century

Portrait of the Artist as a Young Adult Lois Thomas Stover, Connie S. Zitlow, 2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others especially their peers For some of these individuals the arts can help them cope with adolescent turmoil allowing them to express their emotions in poems stories painting songs and other creative outlets Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self knowledge and finding their way in the world It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others In *Portrait of the Artist as a Young Adult: The Arts in Young Adult Literature* Lois Thomas Stover and Connie S Zitlow examine books in which the coming of age for young adults is influenced by the arts Stover and Zitlow consider the connection between the arts and a young person's developing sense of self the use of art to cope with loss and grief and how young adults can use art to foster catharsis and healing The young people in these books either identify as artists or use the arts in intentional ways to explore their identities They often have artistic gifts that make them stand outside the norms of teenage life yet those gifts also help them find a sense of community Artists considered in this book include painters photographers sculptors actors directors choreographers dancers composers musicians graffiti artists and others The books discussed also explore the ways adults can nurture the artist's development and understand the way young people sometimes use the arts to form their unique identity Included is an annotated bibliography organized by art discipline as well as an appendix about using the arts pedagogically making *Portrait of the Artist as a Young Adult* a valuable resource for educators parents librarians and young adults
