there in the happenings of the narrative the humor the precise details the definitions of the characters Miss MacIntosh herself who hails from What Cheer Iowa and seems downright and normal with an incorruptible sense of humor and the desire to put an end to phantoms Catherine Cartwheel the opium lady a recluse who is shut away in a great New England seaside house and entertains imaginary guests Mr Spitzer the lawyer musical composer and mystical space traveler a gentle man wholly unsure of himself and of reality his twin brother Peron the gay and raffish gambler and virtuoso in the world of sports Cousin Hannah the horsewoman balloonist mountain climber and militant Boston feminist known as Al Hamad through all the seraglios of the East Titus Bonebreaker of Chicago wild man of God dreaming of a heavenly crown the very efficient Christian hangman Mr Weed of the Wabash River Valley a featherweight champion who meets his equal in a graveyard these are a few who live with phantasmagorical vividness in the pages of Miss MacIntosh My Darling The novel touches on many aspects of life drug addiction woman s suffrage murder suicide pregnancy both real and imaginary schizophrenia many strange loves the psychology of gambling perfectionism but the profusion of this huge book serves always to intensify the force of the central question What shall we do when fleeing from illusion we are confronted by illusion What is real what is dream Is the calendar of the human heart the same as that kept by the earth Is it possible that one may live a secondary life of which one does not know In every aspect Miss MacIntosh My Darling stands by itself in the lyric beauty of its prose its imaginative vitality and cumulative emotional power It is the work of a writer of genius **A Grateful Nation Soon Forgot**
