and hours Skim text and risk missing crucial information Read cliff notes or shortened versions of a book This book combines the best lessons from speed reading techniques neuroscience and modern technology to allow you to read faster and comprehend more than you ever thought possible and you will start reading faster today Say Goodbye to Slow Reading Forever I have always been a slow reader I could never focus long enough to read an entire book I often forgot what I had just read and had to re read sentences over and over again Reading was a frustrating slow and painful experience so I tried to make up for my poor reading skills by studying more and working harder And it worked but I wanted more I wanted to be able to read more learn more and most importantly remember more If you've quit reading more books than you can remember because of boredom or frustration this quick read will change your life and every book from now on will be a quick read for you Everything changed when I developed this new way to get through entire books very fast My Results I was able to read 4 books in my first week of using the method including the first Harry Potter Book a book I never had time to read and would never imagine getting through the entire thing In SPEED READING IN THE ELECTRONIC WORLD you will discover The exact method to read books faster than you would have ever imagined Stop getting discouraged about books taking too long to get through Start reading more books your friends and colleagues recommend to you No more going back to re read the same content over and over because you can't concentrate or focus this won't happen anymore How to comprehend and retain more of what you are reading Specific techniques to use so you remember what you're reading Method reduces zoning out and losing focus so reading content the first time will stick more in your brain How to accelerate your learning Fast readers have a huge advantage to learn faster and become more successful as a result Utilize your new superpower to learn anything you've always wanted to learn Impress your friends and your colleagues with the new you This is perfect if you Need to study for an exam Need to learn new business skills for your career Or if you just want to breeze through your favorite fiction books so you can read more of them in a shorter amount of time Make the small investment in you to gain this new superpower you can use for the rest of your life This will open up an entire new world for you and it's just one click away BUY NOW *Good Cent\$* Ed Murrell, 2015-12-21 Schools today offer their students a wide selection of courses From the three Rs to almost everything from computers to exotic foreign languages students can select classes to enrich their lives Unfortunately most schools offer little or no guidance in enriching a student's bank account or at least in keeping the student out of debt Author Ed Murrell knows about the allure of easy credit From early adulthood he heard the siren call of credit card companies and soon found himself way over his head in debt In *Good Cent* Murrell reaches out to young people to help them avoid the pitfalls of credit Readers will learn how he paid off his debts by creating and living on a budget based on the Bible and what it teaches about money Learn how to create a budget for your stage of life and how to make adjustments as circumstances change Chapter questions will help make certain the reader understands what was read so readers will not be left uncertain about the budget making process *Good Cent* encourages young people to start a budget

today and continue it for the rest of their lives These are tough financial times and young people cannot wait to get and keep control of their finances

The Pentateuch Acts and Revelation Thelma White, 2015-03-03 Have you ever begun to read the Bible and given up in despair because you couldn't understand what you were reading If so this book was designed with you in mind You will find help in understanding the difficult words and phrases written in the Bible as well as studying chapter by chapter verse by verse trying to make the reader's questions easier to understand This book covers the first five books of the Bible known as the Pentateuch also the books of Acts and Revelation You will find charts maps diagrams and pictures that will enlighten your study of the Bible When reading this book you will find things that will make you laugh as well as places where you will shed tears of sorrow and joy and some who read this book may become downright mad because of what is written in this book It is the earnest hope of the writer of this book that as you read it you will do so with an open mind and open heart to learn the truth Above all have an open Bible to study as you read this book May God richly bless you as you read
