Ifsta Captain Manual:

Fire Officer's Handbook of Tactics, 5th Edition John Norman, 2019-02-15 The ONE handbook thousands of fire officers and firefighters look to for safe fireground tested strategies and tactics With his fifth edition Chief John Norman offers lessons learned during his extensive and time honored career Chief Norman imparts wisdom and experience by offering advice informed by actual outcomes from the fireground This guide continues to be invaluable for firefighters aspiring to the officer level and those seeking to promote safety and effectiveness in their organization and the communities they serve by improving their own skills NEW TO THIS EDITION This fifth edition conveys valuable information gained over the past several years from scientific research relating to the tactics that we use to the changes that have taken place within our communities Failure to recognize change and adapt to it places a fire department at a great disadvantage and can cost lives and property The community changes that most directly affect the fire service today include faster hotter and more toxic fires and significantly reduced staffing in many fire departments These are inescapable facts Our challenge is to use the knowledge that is at our disposal to select the right tools technologies and tactics to safely and successfully adapt to and overcome these challenges Chief John Norman has updated his best selling book for fire officers and firefighters to include A new chapter on fires in cellars and basements which have taken on a deadlier aspect in recent years How to safely deal with cumulative changes in the modern fire environment The role of fire departments in terrorism and homeland security about specific threats from response to active shooters and sieges to bio weapons Divided into two parts General Firefighting Tactics and Specific Fire Situations Fire Officer s Handbook of Tactics 5th edition begins with establishing ground rules for structural firefighting and then moves to specific situations of fires and emergencies in the most common structures and occupancies The many photos illustrations and anecdotes provide readers with a greater understanding of the concepts and lessons in the text As new technologies are introduced into the modern fire service the basic strategies of firefighting protecting life confining the fire and extinguishing the fire do not change What changes are the tactics

How To Excel At Fire Department Promotional Exams Steve Prziborowski, 2013-10 Getting promoted in the fire service is not an easy process Many people have that desire to promote but for whatever reason cannot put the pieces together to make it a reality Over the 20 plus years I have been in the fire service I have had the opportunity to be on both sides of the promotional process as a candidate and as a rater and proctor This book will assist fire department personnel specifically prepare for their next promotional exam Promotional candidates will be exposed to and offered key points for the most common tasks and events within a fire department promotional process including but not limited to promotional preparation completing the application resume preparation the written exam the oral interview the personnel problem the oral presentation and the emergency simulation

The Fire Chief's Handbook Robert C. Barr, John M. Eversole, 2003 Continues a 71 year tradition of publishing the definitive guide for advanced fire service training

Full-Contact Leadership Edward Flood, Anthony

Avillo,2017-07-17 Full Contact Leadership is written for men and women who hold leadership positions or aspire to leadership roles in the fire service There are many leadership positions in the fire service but not all of them are held by leaders Leadership has very little to do with the color of your helmet the bling on your collar the stripes on your sleeve the title on your door the order of march or the crease in your pants Full contact leadership is a commitment to drawing out the very best within others and allowing the very best in others to be expressed as excellence Full contact leadership is a career long ever challenging never ending self initiated self sustained personal research development and improvement program Full contact leadership is never about you it s always about them In Full Contact Leadership Chiefs Flood and Avillo examine what makes a leader and more importantly what makes a leader effective in today s fire service This text discusses the various types of leaders how they communicate discipline delegate motivate and set expectations for the people they lead Flood and Avillo also take a hard look at what hinders or blocks effective leadership and what steps to take to foster and instill leadership in your department

Firefighter's Handbook ,2004 Contains an illustrated guide to firefighting and includes information on hazardous materials terrorism and the requirements for passing the Firefighter I and II and complies with the 2002 standards for firefighting professionals

From the Ground Up James Ghi,2018-11-12 From the Ground Up describes the journey of James Ghi fulfilling his childhood dream of becoming a firefighter As a premature infant James was not expected to survive As a child he was underweight was bullied in school survived the wrath of an abusive father and stepfather but managed to meet the rigors required to become a firefighter At each stage of his life he had to adjust to many circumstances building himself from the ground up In June 2007 the Charleston Fire Department South Carolina suffered the largest loss of life since the events on 9 11 when nine firefighters perished battling a fire at the Sofa Super Store James had read the various reports written after the fire recognizing the need for better training in Charleston His successful career with Fairfax County Fire and Rescue gave him the necessary skills education and confidence to apply for and accept the position of Chief of Training for the City of Charleston Fire Department Little did he know his efforts to bring the Charleston Fire Department to nationally recognized training standards would be resisted at all levels and never imagined the efforts Charleston personnel would take to discredit him Even with the resistance James was able to bring the Charleston Fire Department training to nationally recognized standards and meet many of the mandates in the various reports building it

From the Ground Up Pride & Ownership Rick Lasky,2006 This book serves as a guide for the seasoned veteran the new firefighter and everyone in between bringing them together for what it all takes to have that love for the job Each chapter addresses the next step in the leadership chain that is necessary for a fire service professional to succeed The chapters are as follows Our Mission The Firefighter The Company Officer The Chief Our Two Families Sweating the Small Stuff Changing Shirts The Promotion What September 11th Did For Us The Good and the Bad Ceremonies Marketing Your Fire Department Making It All Happen Embracing Success Have You Forgotten

Facing the Promotional Interview John Mittendorf,2003 In

this all encompassing new guide veteran fire chief and best selling author John Mittendorf explains the subtle requirements of the promotional interview process This book is designed to help fire fighters avoid the common pitfalls of poor interviews by teaching them How to develop a balanced study program Why the first 60 seconds of an interview are critical and what you can do to make a good impression How to relate your qualifications to the position sought What to expect in the opening body and closing questions of an interview Typical opening questions How to define and prepare an opening response for the positions of engineer sergeant lieutenant captain and battalion chief **Fire Prevention and Control Act of 1973** United States.
