This Study Guide has been written especially for students studying the University of Cambridge International Examination IGCSE Business Studies syllabus. It provides all the explanation and advice students need to study efficiently for the exam. Written by experienced teachers and examiners, it highlights the skills and knowledge that students need to acquire during the course, plus common misconceptions and errors. Further questions with answers at the back of the book allow students to test their knowledge. The subject is divided into topics. Each topic starts with a list of Key Objectives which specifies the skills and knowledge that students need to acquire during the course. Where appropriate, there is also a list of Key Definitions. The Key Ideas sections outline the content and can be used by students to check that they know and understand the essential concepts for Cambridge IGCSE Business Studies. Common misconceptions and errors are highlighted.

**Cambridge IGCSE and O Level Business Studies Study and Revision Guide 3rd edition** Karen Borrington, Peter Stimpson, 2019-09-02. Send students into their exam with the confidence to achieve their maximum potential using step by step guidance that helps to practise skills learned and improve exam technique. Avoid common misconceptions with frequent mistakes highlighted throughout. Build students' skills constructing and writing answers with a range of practice and exam style questions. Easily identify areas for improvement with the answers in the back of the book. Help students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter. Ensure that students maximise their time in the exam with examiner's tips and suggestions on how to approach questions. Contextualise knowledge with authentic case studies.
