**A Little Nostalgia for Freedom** Bonham, 2013-02-01 A voyage through places and ideas A Little Nostalgia for Freedom explores the desire to on the one hand put down roots to conform and fit in and on the other yearn for a freer more adventurous life The consequence of surrendering our freedom to the mortgage and the career is that we might end up living not quite the life we expected to live haunted by a sense of possibility just at the edge of our experience As he takes us on a wry and idiosyncratic journey through London Morocco Hong Kong and the Sahara encountering thought provoking and odd characters along the road Steve searches for ways that we can reconnect with our lost sense of freedom by adopting a more audacious way of being and in doing so open up new possibilities in our lives The result challenging and witty insights into the roots of our restlessness and five rules of the road for a more adventurous and possibly more fulfilling life A Little Nostalgia for Freedom is a playful and provoking exploration of psychological freedom that will appeal to anyone who wants to change their life Steve blends travel psychology and the philosophy of identity into a slightly surreal mischievous and challenging exploration of who we are and who we might be The catalyst for this search is the character of Knulp from Knulp by Herman Hesse who provides encouragement and advice along the way
