¹² To address the issue, we estimated the model for each country separately. The results are available from the author upon request.

As noted earlier, the 1998 election was significant for the South in that it was the first time that a Republican candidate won the governorship. This was a significant change from the previous 20 years, when the Democratic Party had dominated the state's politics. The 1998 election was a turning point in the state's political history, and it was a reflection of the changing demographics and political climate of the South.
