**Grief** Barbara R. Wise,1993 An anthology of the wisdom of poets philosophers and theologians who endured life s most painful experiences     **Augustine and the Limits of Virtue** James Wetzel,1992-06-18 This sophisticated analysis of Augustine s thought on virtue and the will makes a notable contribution to Augustine studies and casts light both on the subject of moral luck and on the relationship between theology and philosophy generally     **Maternal Grief in the Hebrew Bible** Ekaterina E. Kozlova,2017 Maternal Grief in the Hebrew Bible explores the stories of biblical mothers who were placed at key junctures in Israel s history to renegotiate the destinies not only of their own children dead or lost but also those of larger communities i e family lines ethnic groups or entire nations These women used the circumstance of child loss as a platform for a kind of grief driven socio political activism As maternal bereavement is generally understood as the most intense of all types of loss and was seen as archetypal of all mourning in the ancient Near East Israelite communities in crisis deemed sorrowing motherhood as a potent agent in bringing about their own survival and resurgence back to normalcy Book jacket     *The Sage's Quest* Chinmoy Mukherjee,2025-06-12 In an age when the tapestry of Bharatavarsha was woven with threads of both divine light and encroaching shadow the principle of dharma was a constant cosmic struggle It was a time of deep spiritual yearning yet the path to truth was often obscured by the illusions of the world The memory of Lord Rama s righteous reign and his trials in the wild forests of Dandaka served as a timeless lesson that even in eras of great virtue forces of adharma gather strength in darkness ever waiting to disrupt the universal harmony The balance of the three worlds was not a given but a fragile equilibrium maintained by sacrifice wisdom and unwavering resolve Guardians of this sacred balance were the Rishis the seer sages of the ancient land They were not men of worldly power but of cosmic insight their consciousness attuned to the subtle rhythms of the universe In their hermitages nestled in sacred groves and on remote mountain slopes they preserved the primordial truths of the Vedas Through immense asceticism or tapasya they sought to transcend the mortal coil becoming living conduits of knowledge the very pillars upon which the edifice of dharma rested Among these custodians of wisdom a legend was whispered a tale passed down through generations of masters and disciples It spoke of the Manuscript of Eternal Wisdom a divine text of immense power lost to the world for countless centuries It was said to contain not just knowledge but the very essence of creation the blueprint for cosmic order and the definitive path to liberation from the cycle of rebirth To possess it was to hold the key to restoring light in an age of encroaching darkness Yet its location was a profound mystery a secret believed to be hidden beyond mortal maps guarded by celestial forces until a time of dire need As whispers of discord began to trouble the serene hermitages and the prayers of the righteous seemed to go unanswered a quiet stirring was felt across the land It was a subtle call a cosmic imperative resonating only in the hearts of those whose senses were pure enough to perceive it The time of need was approaching The legend of the lost manuscript was no longer just a story for contemplation but a quest waiting for its champions a journey that would demand the ultimate
