GTO: Great Teacher Onizuka 3 Toru Fujisawa, 2022-02-01 Off the streets and on the job Eikichi Onizuka has ascended to the exalted ranks of schoolteacher only to discover he's now got to learn how to teach And the student's are not going to make it easy for him A gaggle of seemingly placid young pupils who have already driven three teachers into psychotic fits now set their sites on the Great Teacher But they could very well have underestimated Onizuka's unusually high threshold for punishment This content is from a former localization of this work and may contain phrases or scenes which were and are still offensive Rather than omit this content we have decided to present it in its original form to harbor conversation and growth among the community Kodansha remains committed to the distribution of compelling stories worldwide which serve as a lens through which we may view various communities
