Werner Johansson,2013-12-20 The coolest kind of disability That was how you had to consider magic At least it made it bearable in this time and age All the devices and such were just not for the average wizard as it were It was even worse if you up until the beginning of the summer had planned on working with computers It was almost as bad as to move to Alpena whose biggest claim to fame was the snow that didnt arrive in time for Die Hard 2 What could possibly happen in a sleepy town like that Life is complicated enough with a twin divorced parents and once again a new city The best thing to do is to be stealthy Avoid attention with friends who have the same agenda If everything just would be simple that would make for two easy years Getting a job some education and then leave for some real education learn about the other side of your life magic That and the rest of the world that no one talks of its the big secret after all But if things were simple and straightforward it wouldnt be life Whom do you love Magic On paper it was powerful mysterious and possibly cool In reality it was about much of a problem as a pissed off twin sister The reality of it had dawned on Morgan the moment he sat down and thought about it Never mind moving to a new town and high school New friends dont grow on trees so any is good especially if they want to escape the town as badly as you do Rose the cute Ice Queen seems like the perfect partner until her past surfaces Who knew the troubles you can get into by a kiss you werent prepared for **Holmes Sweet Holmes** Dan Andriacco,2018-09-04

Writer actor director Peter Gerards latest film was a smash hit but some fans of Sherlock Holmes were outraged Why Because 221 B Bourbon Street portrayed the beloved detective as a goateed saxophone playing southern American working in 1920s New Orleans Was it a disgruntled Sherlockian or someone else who hated Gerard enough to kill him twice That is what mystery writer and college professor Sebastian McCabe assisted by brother in law Jeff Cody must find out before McCabes own disgraceful involvement in the affair comes to light And it will take a little stage magic to do it Amidst this challenging mystery Jeffs complicated relationship with the lovely journalist Lynda Teal seems to be reaching a definitive resolution just as Jeff approaches his birthday Readers who so enjoyed the best selling No Police Like Holmes will find this sequel packed with the same suspense surprises and sharp humor that characterized the debut adventure of Sebastian McCabe and Jeff Cody [The Boy I Love](#) Lynda Bellingham,2014-11-20 A superb evocation of theatre life from a naturally gifted storyteller the beloved Lynda Bellingham It is the summer of 82 as Sally Thomas prepares to leave her job at the British Drama League in London and head off to the North of England for her very first season in repertory as an Assistant Stage Manager at the beautiful old theatre in Crewe Flung into this new world Sally soon finds her feet thanks to her own steady unspoilt nature and to the company of her best friend Jeremy One of the first lessons she learns is that the other actors barely need tuition in the art of stage fighting since they are quite adept at stabbing each other in the back When Jeremy falls suddenly and dangerously in love Sally needs to grow up fast A shadow is falling over the theatre sparing no one and a tragedy is gathering pace in the darkness behind the stage The Boy I Love is a superb evocation of theatre and real life that will stay with you long after you ve read it Be warned it may just break your heart *Get Ready to Teach Verity*
