Fanthorpe, Lionel Fanthorpe, Patricia Fanthorpe, 2014-09-30 Psychology recognises the existence of multiple personalities
inhabiting the same mind To the ancients such strange transformations were evidence of demonic possession and even today
there are reputable experts who would not rule out the possibility that something else can take over a human mind To the
victim of such personality change there are long periods for which the memory cannot account periods during which the
secret enemy is in charge Walter Hamilton was a perfectly normal well adjusted man in early middle age when strange gaps
in his memory first began to worry him At first he tried to ignore the tell tale symptoms of schizophrenia but other clues
presented themselves The face in the crowd scene on a telerecorded film vaguely familiar It wasn't his face but there were
undeniable similarities A picture in a newspaper worried him more Before he could extricate himself he was trapped in a
tangled web of interwoven personalities unable to find himself powerless to break away from the sinister complications of his
