Civil Society and International Students in Japan Polina Ivanova,2023-07-14 This book explores encounters and interactions between international students and local civil society organizations CSOs in Japan Based on the results of a cross case analysis this study reveals the possibilities for international students in Japan of creating social capital in the short term in culturally and socially diverse groups While a conventional approach sees universities as the main support providers this research shows the role of local CSOs as

alternative actors offering international student support Unlike the long standing paradigm viewing Japanese civil society as top down and closely following the government this book uncovers many decentralized and bottom up organizational types Furthermore it highlights an active part taken by foreign staff and volunteers in Japanese CSOs which challenges the guest host dichotomy of the previous literature Presenting a reconsidered insight into the role of international students and their interaction with CSOs in community building this book will appeal to students and scholars of Asian studies and migration studies as well as organizers of CSOs and faculty of international higher education institutions

Collaborating for Our Future Barbara Gray,Jill Purdy,2018-02-02 Organizations turn to multistakeholder partnerships MSPs to meet challenges that they cannot handle alone By tapping the resources of diverse stakeholders MSPs develop the capability to address complex issues and problems such as health care delivery poverty human rights watershed management education sustainability and innovation This book provides a comprehensive understanding of MSPs why they are needed the challenges partners face in working together and how to design them effectively Through the process of collaboration partners combine their differing strengths vantage points and expertise to craft innovative responses to pressing societal concerns The book offers valuable advice for leaders about how to design and scale up effective partnerships and how to address potential obstacles that partners may face Drawing on three comprehensive cases and countless shorter examples from around the world the book offers both practical advice for organization embarking on an MSP as well as a theoretical understanding of how partnerships function Using an institutional theory lens it explains how partnerships can effect change in institutional fields by reducing turbulence and negotiating a common set of norms and routines to govern partners future interactions within the field of concern American Book Publishing Record ,2006 **The Social Value of New**

Technology Albert N. Link,John T. Scott, New technologies with their practical contributions provide social value The chapters in this volume view this social value from a program evaluation perspective and the focus of the evaluations is the generation of new technology funded by public sector agencies The authors provide important background on methodology and application and show that it is relevant not only to the established scholars and practitioners but also to students

Handbook of Social Policy Evaluation Bent Greve,2017-03-31 This Handbook uses methodologies and cases to discover how and when to evaluate social policy and looks at the possible impacts of evaluation on social policy decisions The contributors present a detailed analysis on how to conduct social policy evaluation how to be aware of pitfalls and dilemmas and how to use evidence effectively Entrepreneurship, Universities & Resources Ulla Hytti,Robert Blackburn,Denise Fletcher,Friederike Welter,2016-11-25 The role of resources is pivotal in entrepreneurship for the success of new and small ventures though most face resource constraints The book offers multiple perspectives on analysing and understanding the importance of resources in entrepreneurship development Approaching the subject with both a practice theory and research based approach the contributors analyse topics such as processes and structures in social entrepreneuring entrepreneurship

and equity in crowdfunding and forming alliances with large firms to overcome resource constraints The contributors provide evidence for example on how business angels can contribute more than finance to small ventures and how the flexibility of resources is important in internationalisation *Happiness and Well-Being in Chinese Societies* Chau-kiu Cheung,Xiaodong Yue,2021-03-22 This book addresses the sustainability of happiness and well being in Chinese societies It starts by introducing the various conceptions of well being particularly in the Chinese sociocultural context The book then proceeds with the examination of the sustainability of well being by scrutinizing the effects of sociocultural contextual and personal factors on well being The contextual factors are the aggregates or averages of personal factors at the contextual levels of the regions and colleges in Mainland China its special administrative region and Taiwan These factors cover personality traits strengths orientations beliefs values and idolizing By bringing together empirical studies and theoretical perspectives applied to Chinese societies this book offers researchers in social science and humanities a valuable reference work on happiness and well being in Chinese societies *Forthcoming Books* Rose Arny,2002
