John Anthony McGuckin

Icons Saints Of The Eastern Orthodox Church:

Icons and Saints of the Eastern Orthodox Church Alfredo Tradigo, 2006 An icon from the Greek word eikon image is a wooden panel painting of a holy person or scene from Orthodox Christianity the religion of the Byzantine Empire that is practiced today mainly in Greece and Russia It was believed that these works acted as intermediaries between worshippers and the holy personages they depicted Their pictorial language is stylized and primarily symbolic rather than literal and narrative Indeed every attitude pose and color depicted in an icon has a precise meaning and their painters usually monks followed prescribed models from iconographic manuals The goal of this book is to catalogue the vast heritage of images according to iconographic type and subject from the most ancient at the Monastery of Saint Catherine in the Sinai to those from Greece Constantinople and Russia Chapters focus on the role of icons in the Orthodox liturgy and on common iconic subjects including the fathers and saints of the Eastern Church and the life of Jesus and his followers As with other volumes in the Guide to Imagery series this book includes a wealth of color illustrations in which details are called out for discussion

Icons and Saints of the Eastern Orthodox Church Alfredo Tradigo, 2004 **Icons** Robin Cormack, 2007 Byzantine and Russian Orthodox icons are perhaps the most enduring form of religious art ever developed and one of the most mysterious This book provides an accessible guide to their story and power Illustrated mostly with Cretan Greek and Russian examples from the British Museum which houses Britain's most important collection the book examines icons in the context of the history of Christianity as well as within the perspective of art history Ecclesiasticus II George Dion Dragas, 2005 Ecclesiasticus Prayer brings together essays which were delivered on various occasions and are arranged into four general topics hence the subtitle The first section on Icons offers an introductory lecture on the iconoclastic dispute with a select updated bibliography and a fresh exposition on the basis of the original text of St John of Damascus Defense of the Icons The second section on Saints represents an introduction to Orthodox Hagiography which was prepared for the Orthodox Reformed Dialogue and offers an extensive bibliography on the subject The third section on Feasts is a general presentation of the major movable and immovable feasts of the Orthodox liturgical years and dovetails with the section on the Saints Finally the fourth section on Prayer offers two expositions of the Lord's Prayer one by St Maximos the Confessor and another by St Macarios of Corinth which are representative of the patristic understanding of this Prayer that constitutes the basis of Orthodox spirituality **The Eastern Orthodox Church** John Anthony McGuckin, 2020-03-17 An insider's account of the Eastern Orthodox Church from its beginning in the era of Jesus and the Apostles to the modern age In this short accessible account of the Eastern Orthodox Church John McGuckin begins by tackling the question What is the Church His answer is a clear historically and theologically rooted portrait of what the Church is for Orthodox Christianity and how it differs from Western Christians expectations McGuckin explores the lived faith of generations including sketches of some of the most important theological themes and individual personalities of the ancient and modern Church He interweaves a personal

approach throughout offering to readers the experience of what it is like to enter an Orthodox church and witness its liturgy In this astute and insightful book he grapples with the reasons why many Western historians and societies have overlooked Orthodox Christianity and provides an important introduction to the Orthodox Church and the Eastern Christian World
