Idee Und Gestalt Der Hitlerjugend

Jay W. Baird

Idee Und Gestalt Der Hitlerjugend:

Deutschbalten, Weimarer Republik und Drittes Reich Michael Garleff, 2008 **Idee und Gestalt der Hitler-Jugend** Gottfried Griesmayr, Otto Würschinger, 1980 The 12th SS Panzer Division "Hitlerjugend" Adrian Dragoş Defta, 2021-06-21 This book demythologises one of the top Waffen SS units during the Second World War the Hitlerjugend Division In addition to bringing together new research in European historiography it also represents an innovative scientific approach using social psychology It provides insights into inner psychological mechanisms that facilitated moral disengagement and culminated in the division's unparalleled combat motivation and war crimes Best known for their alleged fanaticism Nazi indoctrination and inclination to perpetrate atrocities Hitlerjugend soldiers are analysed here using perspectives drawn from across sociology anthropology and psychology Hitler Youth, 1922-1945 Jean-Denis G.G. Lepage, 2009-03-23 During the Nazi regime's swift rise to power no single target of nazification took higher priority than Germany's young people Well aware that the Nazi party could thrive only through the support of future generations Hitler instituted a youth movement the Hitler Jugend Hitler Youth which indoctrinated the easily malleable students of Germany's schools and universities Along with its female counterpart the Bund deutscher Madel League of German Girls the Hitler Youth produced many thousands of young Germans who were deeply and fanatically imbued with the Nazi racist ideology This heavily illustrated book outlines the history and development of the Hitler Youth from its origins in 1922 until it was disbanded by the allied powers in 1945 *The Trial of the Germans* Eugene Davidson, 1997 Examines each of the defendants in the Nuremberg Trials during which charges were brought against members of Hitler's Third Reich for wartime atrocities and considers questions of whether the trials were necessary and just **The Hitler Youth** H. W. Koch, 2000-08-08 A former member of the Hitlerjugend the author offers a rare look at the emergence structure and history of this totalitarian Nazi organization *Hitler's War Poets* Jay W. Baird, 2008 Jay W Baird demonstrates how poets and writers responded enthusiastically to Hitler's summons to artists to create a cultural revolution commensurate with the political radicalism of the new state *Children's Literature in Hitler's Germany* Christa Kamenetsky, 2019-06-17 Between 1933 and 1945 National Socialists enacted a focused effort to propagandize children's literature by distorting existing German values and traditions with the aim of creating a homogenous folk community A vast censorship committee in Berlin oversaw the publication revision and distribution of books and textbooks for young readers exercising its control over library and bookstore content as well as over new manuscripts so as to redirect the cultural consumption of the nation's children In particular the Nazis emphasized Nordic myths and legends with a focus on the fighting spirit of the saga heroes their community loyalty and a fierce spirit of revenge elements that were then applied to the concepts of loyalty to and sacrifice for the Führer and the fatherland They also tolerated select popular series even though these were meant to be replaced by modern Hitler Youth camping stories In this important book first published in 1984 and now back in print Christa

Kamenetsky demonstrates how Nazis used children's literature to selectively shape a Nordic Germanic worldview that was intended to strengthen the German folk community the Father and the fatherland by imposing a racial perspective on mankind. Their efforts corroded the last remnants of the Weimar Republic's liberal education while promoting an enthusiastic following for Hitler.

Die Hitlerjugend André Postert, 2021-04-12 Das Buch wirft einen Blick hinter die nationalsozialistische Propagandakulisse und entwickelt auf Basis von Befehlsblättern Archivdokumenten und Schilderungen von Zeitzeugen ein anderes Bild der Hitlerjugend Gewalt und Vandalismus Korruption und Diebstahl Sexualität Individualismus und Eigensinn Es handelte sich demnach um eine prekäre chaotische und oft berforderte Massenorganisation die nicht nur von oben gesteuert und kontrolliert wurde sondern vor Ort unterschiedlich funktionierte und deren junge Mitglieder sich der Kontrolle des Staates mitunter sogar entzogen

The Child's View of the Third Reich in German Literature Debbie Pinfold, 2001-08-23 This book examines the ways in which German authors have used the child's perspective to present the Third Reich It considers how children at this time were brought up and educated to accept unquestioningly National Socialist ideology and thus questions the possibility of a traditional naive perspective on these events Authors as diverse as Günter Grass Siegfried Lenz and Christa Wolf together with many less well known writers have all used this perspective and this raises the question as to why it is such a popular means of confronting the enormity of the Third Reich This study asks whether this perspective is an evasive strategy a means of gaining new insights into the period or a means of discovering a new language which had not been tainted by Nazism This raises and addresses issues central to a post war aesthetic in German writing

Die Opera Nazionale Balilla bzw. Gioventù Italiana del Littorio und die Hitlerjugend Ute Schleimer, 2004 Wie im nationalsozialistischen Deutschland etablierte sich im faschistischen Italien eine Staatsjugend Nachdem zunächst ehemalige Mitglieder der Staatsjugend zu Wort gekommen sind stehen neben der Geschichte der Staatsjugend die Freizeitaktivitäten der Jugendorganisation im Vordergrund Die Staatsjugend versuchte durch vielfältige Formen der Erlebnispädagogik möglichst große Teile der Jugend für das Regime zu gewinnen und somit die Jugendlichen für ihre Zwecke zu instrumentalisieren Inwieweit lässt sich die italienische Staatsjugend mit der deutschen Hitlerjugend vergleichen Diese Frage wird im letzten Teil des Buches beantwortet und die vielfältigen Gemeinsamkeiten überraschen angesichts der älteren Forschung

Ute Schleimer geboren 1974 in Rheine Studium der Lateinischen Philologie Geschichte und der Italienistik in Münster Bologna Florenz Stipendium des DAAD und Rom Stipendium des Deutschen Historischen Institutes in Rom Promotion 2004 Lehrerin für Latein Geschichte und Italienisch für Sek I II

The Nazi Machtergreifung (RLE Nazi Germany & Holocaust) Peter D. Stachura, 2014-09-19 This book analyses some of the fundamental reasons for the triumph of National Socialism in 1933 Written in 1983 by historians at Canadian American and British universities it provides a clear and balanced historiographical perspective of the dynamics of socio political mobilization which helped make the Machtergreifung possible The relationship during the Weimar republic between the Nazi Party and various social groups

constitutes a major element in the book as do the attitudes towards Hitler displayed by a number of influential institutions The Nazis successful mobilization of popular support before 1933 is illustrated through the impact of foreign policy and ideology propaganda on the Germans Gauleiter Michael Miller,Andreas Schulz,2021-07-11 No dictator can effectively govern a nation on his own This was certainly the case with Adolf Hitler who had little time for or interest in the day to day regional administration of the Nazi Party For that purpose he appointed his most loyal charismatic and brutal subordinates The Little Hitlers officially known as Gauleiters In this third volume of a series begun in 2012 Michael Miller and Andreas Schulz present in meticulous detail the lives careers and crimes of 37 such men Included are several whose wartime career paths took them outside of their home provinces and led to widespread oppression and terror outside the borders of the Reich Among these were Fritz Sauckel who presided over the roundup of millions for slave labor in the Reich Josef Terboven who oppressed the people of Norway with uncompromising brutality for five years and Gustav Simon who ruthlessly Germanized Luxembourg Perhaps most notorious of all was Julius Streicher whose virulent attacks in writing and at the podium made him the unofficial face of anti-Semitism in Nazi Germany **European Memories of the Second World War** Helmut Peitsch,Charles Burdett,Claire Gorrara,2006 During the fifty years since the end of hostilities European literary memories of the war have undergone considerable change influenced by the personal experiences of writers as well as changing political social and cultural factors This volume examines changing ways of remembering the war in the literatures of France Germany and Italy changes in the subject of memory and in the relations between fiction autobiography and documentary with the focus being on the extent to which shared European memories of the war have been constructed

Forging Germans Caroline Mezger,2020-02-27 Forging Germans explores the German nationalization and eventual National Socialist radicalization of ethnic Germans in the Banat and the Western Banat two multiethnic post Habsburg borderland territories currently in northern Serbia Deploying a comparative approach Caroline Mezger investigates the experiences of ethnic German children and youth in interwar Yugoslavia and under Hungarian and German occupation during World War II as local and Third Reich cultural religious political and military organizations wrestled over young people's national self identification and loyalty Ethnic German children and youth targeted by these nationalization endeavors moved beyond being the objects of nationalist activism to become agents of nationalization themselves as they actively negotiated redefined proselytized lived and died for the Germanness ascribed to them Interweaving original oral history interviews untapped archival materials from Germany Hungary and Serbia and diverse historical press sources Forging Germans provides incisive insight into the experiences and memories of one of Europe's most contested wartime demographics probing the relationship between larger historical circumstances and individual agency and subjectivity To Die for Germany Jay W. Baird,1992-10-22 Traces the development of Nazi propaganda from 1914 to the cult of death created by Hitler Goebbels and others during World War II Examines the biographies of individual Nazi heroes as used by the Third

Reich to sustain the deadly Nazi mythology and inspire its followers **Nazi Propaganda (RLE Nazi Germany & Holocaust)** David Welch, 2014-09-04 Based on a detailed examination of specific aspects of Nazi propaganda this book originally published in 1983 enhances the understanding of National Socialism by revealing both its power and its limitations The work tackles aspects of Nazi propaganda which had been neglected in the past but together they demonstrate the disproportionate role assigned to propaganda in one of the most highly politicised societies in contemporary European history **Die Hitler-Jugend. Idee und Gestalt, Etc** Baldur von Schirach, 1934 **Baldur von Schirach** Oliver Rathkolb, 2022-11-04 Though three of his four grandparents were from America and the first language he learned at home was English Baldur von Schirach became one of the Third Reich's most influential individuals He joined the Nazi Party as early as 1925 at the age of eighteen and three years later became a member of its National Leadership He also married Henriette the daughter of Hitler's personal photographer Heinrich Hoffmann Von Schirach continued to rise through the ranks of the Nazi Party reaching the rank of SA Gruppenführer It was as the leader of the Hitler Youth organization however for which von Schirach is best remembered becoming Reichsführer of the Hitler Youth on 16 June 1932 and the following year was given responsibility for all youth organizations in Germany He also became a member of the Reichstag as a representative of the Party Despite his influential position he was called up for military service and served in the French campaign of 1940 Following this he became Reich Governor and the Nazi's Gauleiter Reichsstatthalter in Vienna powerful positions he retained until the final collapse of the Third Reich in May 1945 His responsibilities as Gauleiter and Reichsstatthalter included overseeing the deportation of Vienna's Jews to ghettos and concentration camps in occupied Poland Though a confirmed anti Semite later in the war he pleaded for a moderate treatment of the eastern European peoples and criticized the conditions in which Jews were being deported This caused a breach with Hitler and the Nazi leadership though he managed to retain his position in Vienna Following his capture by US troops von Schirach was among the major war criminals put on trial at Nuremberg Found guilty of crimes against humanity on 1 October 1946 von Schirach was sentenced to twenty years imprisonment He served out his time in the company of Rudolf Hess and Albert Speer in Spandau prison He admitted his crimes and his role in the deportations and in his autobiography I Believed in Hitler he explained how he was drawn into the world of the Nazis He also said that his aim was destroy any belief in the rebirth of Nazism as well as blaming himself for not having done more to prevent the concentration camps This detailed and balanced analysis of Baldur von Schirach reveals the true and ambivalent nature of a complex and fascinating individual who played a key role in the events leading up to and during the Second World War Nostalgia for the Future: Modernism and Heterogeneity in the Visual Arts of Nazi Germany Gregory Maertz, 2019-04-30 In the first chapter on the German military's unlikely function as an incubator of modernist art and in the second chapter on Adolf Hitler's advocacy for eugenic figurative representation embodying nostalgia for lost Aryan racial perfection and the aspiration for the future perfection of the

German Volk Maertz conclusively proves that the Nazi attack on modernism was inconsistent In further chapters on the appropriation of Christian iconography in constructing symbols of a Nazi racial utopia and on Baldur von Schirach s heretical patronage of modernist art as the supreme Nazi Party authority in Vienna Maertz reveals that sponsorship of modernist artists continued until the collapse of the regime Also based on previously unexamined evidence including 10 000 works of art and documents confiscated by the U S Army Maertz s final chapter reconstructs the anarchic denazification and rehabilitation of German artists during the Allied occupation which had unforeseen consequences for the postwar art world

Thank you very much for downloading **Idee Und Gestalt Der Hitlerjugend**. As you may know, people have search hundreds times for their favorite readings like this Idee Und Gestalt Der Hitlerjugend, but end up in harmful downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some harmful virus inside their laptop.
