Folktales of Mayotte, an African Island Lee Haring, 2023-07-13 The book uncovers the versatility and literary skills of oral narrators in a small African island Relying on the researches of three French ethnographers who interviewed storytellers in the 1970s 80s Lee Haring shows a once colonised people using verbal art to preserve ancient values in the postcolonial world when the island of Mayotte was transforming itself from a neglected colony to an overseas department of France The author s innovation is to read ethnographic researches as play scripts to see printed folktales as accounts of live performances One storyteller after another comments symbolically on what it is like to be a formerly colonised population Storytelling women in particular combine diverse plots and characters to create traditional sounding stories which could not have been predicted from the African Malagasy Indian and European traditions coexisting in Mayotte Haring s account shows them to be particularly skilled at irony and ambiguity conveying both submissive and rebellious attitudes in their tales He makes Mayotte storytelling accessible to a new English speaking audience and demonstrates that traditional storytellers in those years were preserving but also critiquing their inherited social order in a changing world Their creative intentions cultural influences and widely different narrative styles constitute Mayotte s system of the arts of the word Literary specialists folklore enthusiasts and people who like reading stories will find much to appreciate in this engaging and sophisticated book

SHORT STORIES FROM THE DARK SIDE Christina Daltro, 2012-03-23 The unfamiliar mysteries belonging to the dark side have fascinated people all over the world and provoked the most diverse responses Fear is the final surrender to the unknown evil forces that exist in the different spiritual planes from the dark side Read the stories in this book and surrender to their mysteries and to the knowledge of the hidden She immediately felt the presence and she felt a chilly coldness on the back of her neck She heard the noises deep mean moans complaints screams She smelled the air Auxiliadora felt the putrid odor of rotten flesh She sensed its evilness its anger its vindictive revenge the creditor toward the debtor Oh the so many obsession cases but this one was somehow different it was somehow too strong for her too wicked for her to comprehend and to manage easily as she normally did before
