Idioms in the Bible Explained and a Key to the Original Gospels George M. Lamsa, 2024-03-19 Explanations of nearly 1 000 ancient idioms metaphors and figures of speech in the Old and New Testaments from a renowned Bible translator George M Lamsa who was raised speaking Aramaic in a community that followed customs largely unchanged since the times of Christ offers accurate translations of important idioms metaphors and figures of speech found in the Scripture and provides clear explanations of their meaning in biblical context Just as Shakespeare Milton and Browning wrote in the vernacular for English speaking people Moses the prophets and the apostles wrote for their own people in the plain language of their times so that even the unlearned might understand God's Word Over the centuries inaccurate translations and misunderstandings of customs and concepts have led to difficulties in bringing the biblical message to contemporary English speaking readers For example when a man says to Jesus let me bury my father Lamsa points out that this expression means Let me first take care of my father until he dies Traditionally scholars assumed that this man's father was dead and that Jesus was not interested in his burial Lamsa's scholarship offers a more accurate understanding of the intent and spirit of this passage **Idioms in the Bible Explained and a**

Key to the Original Gospels goes far in correcting such errors that have crept into Biblical scholarship. Obscure and difficult passages from both Old and New Testaments are listed and compared with the King James version though it will be helpful when used with any English version. These make clear the original meaning of such ancient idioms and assure that our grasp of the biblical message is more sound and rewarding. To further uncover the original teachings of Scripture, Lamsa discusses at greater length such topics as The Language of Jesus, Aramaic Phraseology, The Sayings of Jesus, Early Translations and more.

Hebrew Idioms Found in the Bible Mark Uraine, 2017-05-26. Language is a curious thing. We know that God communicates to us through His Word, the Bible. He reaches out in words of a distant language, one that we don't understand. This book attempts to communicate those cultural idioms and expressions that we so often glaze over or misinterpret.

The Four Gospels of Jesus the Christ Robert Luthmers, 2011-07-30. The purpose of this book is to feature the Gospels of Jesus the Christ in an authentic canon apart from the patriarchal language framework of the New Testament. By that I mean that the gospels have been translated into a language framework that clarifies the truth of the Gospels by eliminating the bias and obscurities of patriarchy, gender, anti-Semitism, and the sixteenth century's distortions inherent in King James I's promotion of the divine right of kings. From the discoveries and research over the last fifty years, I have been inspired by the Gospel of Mary, the Gospel of Thomas, and writings on the Aramaic basis of the Gospels where the authentic voice of Jesus is made accessible.

The Four Gospels Christoph Rau, 2024-04-16. When a theologian speaks of the widespread misconception nowadays that faith is an intellectual holding of what is possible, they underpin a wretched reduction of faith. Since the interest of New Testament studies shifted to philosophical details, the word of the Bible was treated intellectually, thus shaking the foundation of faith in many people. Christoph Rau: Could a deeper cause of today's myriad human troubles be related to a dwindling or even nonexistent familiarity with the four New Testament Gospels of Matthew, Mark, Luke, and John? This is the view of Christoph Rau for whom today's prevailing approach to theological research, which treats the ancient religious texts more as literary products than authentic records of spiritual experience, is if anything a contributing factor in our modern alienation from the spirit. In this book, Rau presents the results of five decades of research demonstrating the independent structure of each of the four canonical Gospels. Through clear analyses, he illumines the distinctive stylistic features of each composition, revealing the design principles through which the meaning and goal of each Gospel can be understood. Beyond the intrinsic value of each Gospel, the author draws on their special features to explain how the spiritual richness of the four written works is fully revealed only by considering the pre-Christian religions, because each of the evangelists describes the incarnation of the Son of God from the perspective of his own mystery religion. Furthermore, the author succeeds in showing that the Gospels, despite their seeming contradictions, are elements of a common organism. This book is a translation from German of *Die Vier um den Einen Wesensart und spiritueller Hintergrund der Evangelien*. Verlag Dr. Dieter Winkler, 2008.

understand the Bible we love so much We read it study it listen to sermons about it buy teaching tapes and go to seminars to learn more about it It is possible to know the Bible and not understand the Bible It is necessary to view the Word of God from the perspective of a two thousand year old Jew to actually grasp Biblical concepts Mary was Joseph s espoused wife What was an espoused wife How old was Mary when she gave birth to Jesus We have nothing like this in our culture What Law gives us the right by the blood of Jesus to be saved have the right to use His Name have everlasting life and much much more This is all because of Blood Covenant and most Christians understand nothing about this New Covenant Testament Jesus cut with His Blood Is it lawful to divorce your wife for every cause What were the Jewish grounds for divorce How does the everyday language of Jesus Aramaic shed light on His teaching of divorce and remarriage Was John the first to baptize What was the pet name God gave the nation of Israel What did the most strict of all the religious groups of Jesus day believe on salvation healing spiritual warfare Where are we in Jesus fulfilling the marriage covenant with us Why do we have the inheritance of the firstborn Facts are pieces of knowledge Related pieces of knowledge form concepts Concepts yield understanding The Church has knowledge of the Bible but it is necessary to allow knowledge to mature into understanding This book is designed to aid in this process **Marriage** Buddy Helms,2010-06 Could you counsel someone who is considering marriage or having difficulty in his her relationship and explain God s real purpose for marriage Would you like to be able to explain the meaning of marriage to your children and friends but aren t sure how Have you been dead ended by our culture s definition of marriage What s the deal with marriage anyway A lot God s design for marriage goes deeper than just saying I do And just as God s story of redemption starts in Genesis and ends with John s Revelation so does the story and purpose of marriage Learn to read between the lines and join Buddy Helms in an eye opening and page turning journey through the Bible You ll hear what many have to say about interpreting the Bible s metaphors similes and types and discover what God has been trying to communicate to the world since the beginning of time Marriage What s the Deal The deal is you ll never look at marriage the same H e offers a layered nuanced interpretation of Scripture that simultaneously will strengthen marriages and intensify Christians understanding of the intimate relationship between Christ and His church Marv Knox Editor of the Baptist Standard Contacting God Sheryl Hardin,2007-10 Moses Jesus and Paul communicated with God directly What if we could communicate with God even in today s world just as they did Is it possible to ask a question of God and get an answer back Author Sheryl Hardin answers with a resounding Yes In Contacting God she gives evidence that the God of conversation revelation and personal guidance is as present for us today as during biblical times She explains that God has not changed becoming a distant recluse who can only be known academically Instead she suggests perhaps it is not God but ourselves who are distant and uncommunicative Contacting God offers a method of contemplative prayer designed to establish the kind of close relationship with God that includes learning to hear the direction of Spirit in your life In a down to earth warm and personal style Sheryl shares her extensive experience with prayer and guides you

distance and over two thousand years of history Using a chronological approach to the life of Christ he guides the reader through significant events such as Jesus birth baptism and crucifixion pointing out illuminating details that that the Western mind would normally miss Amaral s premise is that to understand Jesus we must understand the time and place in which he was born the background from which he drew his illustrations and the audience he spoke to Throughout the book he explores specific terms places and events for their significance and shows how they add richness and meaning to the text Topics include the connection between Jesus and John the Baptist the annual Feasts and why they are important to modern Christianity Jewish customs such as foot washing clean and unclean foods paying tribute to political governments and the significance of various miracles In Understanding Jesus Amaral draws back the curtain on a way of life that existed during the reign of the Caesars and in doing so reveals truths about the way we live more than two thousand years later half a world away

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions
