Jerome, 2015-03-04 Many years ago when I was a young man I was taken very ill I never could see myself that much was the matter with me except that I had a beastly cold But I suppose it was something very serious for the doctor said that I ought to have come to him a month before and that if it whatever it was had gone on for another week he would not have answered for the consequences It is an extraordinary thing but I never knew a doctor called into any case yet but what it transpired that another day's delay would have rendered cure hopeless Our medical guide philosopher and friend is like the hero in a melodrama he always comes upon the scene just and only just in the nick of time It is Providence that is what it is **Idle Thoughts of an Idle Fellow Annotated** Jerome Klapka Jerome, 2020-12-17 Idle Thoughts of an Idle Fellow published in 1886 is a collection of humorous essays by Jerome K Jerome It was the author's second published book and it helped establish him as a leading English humorist While widely considered one of Jerome's better works and in spite of using the same style as Three Men in a Boat it was never as popular as the latter Idle Thoughts of an Idle Fellow Annotated Jerome Klapka Jerome, 2021-04-03 Idle Thoughts of an Idle Fellow published in 1886 is a collection of humorous

Idle Thoughts of an Idle Fellow Jerome K. Jerome,2011-07-26 In Idle Thoughts of an Idle Fellow Jerome K Jerome shares his uncanny knack for looking at life in the 1800 s and unknowingly applying it to our life of today Idle Thoughts of an Idle Fellow is uproariously funny tearfully sad but always true Jerome s chapter on dogs and cats is enough to make you roll down the hall There is nothing here that is an obscurity of a hundred years ago it s all fresh and invigorating though there are many strange things almost forgotten luminescent memories of aunties and uncles who were old fashioned and gracious walks in the park and net curtains and butterfly cakes and all those things that have long since passed away Also not to be overlooked his dedication in the front is to his friend his PIPE Idle Thoughts of an Idle Fellow contains some of the most poignant and lovely imagery you will ever encounter Nothing compares to Jerome s evocations of lost days the gentle ghosts of boys he knew playing in the fields saucers of milk for beloved pets the haunted look of infants gazing into the infinite distance on house steps on villages whose names have been consigned to forgetfulness While profoundly beautiful Idle Thoughts of an Idle Fellow is also quite ridiculous in parts very moving often quite melancholy and shows evidence of a very lively gentle and very compassionate man This pithy classic is a must in anyone s library for pure joy and insight If you haven t read it you are missing out

The Idle Thoughts of an Idle Fellow Jerome K. Jerome,2004 There are various methods by which you may achieve ignominy and shame By murdering a large and respected family in cold blood and afterward depositing their bodies in the water companies reservoir you will gain much unpopularity in the neighborhood of your crime and even robbing a church will get you cordially disliked especially by the vicar But if you desire to drain to the dregs the fullest cup of scorn and hatred that a fellow human creature can pour out for you let a young mother hear you call dear baby it Unsurpassed as a work of literary and comic genius Jerome K Jerome s Idle Thoughts is a wonderful set of essays detailing the author s view on a variety of topics from babies and being hard up to

cats and dogs furnished apartments and being in love Questions of taste were soon decided in those days When a twelfth century youth fell in love he did not take three paces backward gaze into her eyes and tell her she was too beautiful to live He said he would step outside and see about it And if when he got out he met a man and broke his head the other man s head I mean then that proved that his the first fellow s girl was a pretty girl But if the other fellow broke his head not his own you know but the other fellow s the other fellow to the second fellow that is because of course the other fellow would only be the other fellow to him not the first fellow who well if he broke his head then his girl not the other fellow s but the fellow who was the Look here if A broke B s head then A s girl was a pretty girl but if B broke A s head then A s girl wasn t a pretty girl but B s girl was That was their method of conducting art criticism Nowadays we light a pipe and let the girls fight it out among themselves
