

The background of the book cover is a light greenish-grey with several abstract, colorful shapes. There are three main horizontal bands of shapes: one at the top, one in the middle, and one at the bottom. These bands consist of various colored circles and elongated shapes in shades of yellow, blue, purple, and red. The title 'iGenetics' is printed in a large, white, serif font across the middle band, with the subtitle 'A Molecular Approach' in a smaller, italicized, white, serif font to its right.
