

JEREMIAH
PAIN AND PROMISE

KATHLEEN M. O'CONNOR

Jeremiah Pain And Promise

Louis Stulman, Edward Silver

Jeremiah Pain And Promise:

Jeremiah Kathleen M. O'Connor, 2011 Whether dealing with collective catastrophe or intimate trauma recovering from emotional and physical hurt is hard Kathleen O Connor shows that although Jeremiah's emotionally wrought language can aggravate readers memories of pain it also documents the ways an ancient community and the prophet personally sought to restore their collapsed social world Both prophet and book provide a traumatized community language to articulate disaster move self understanding from delusional security to identity as survivors constitute individuals as responsible moral agents portray God as equally afflicted by disaster and invite a reconstruction of reality Publisher description

Micah Julia M. O'Brien, 2015-11-10 This volume brings gender studies to bear on Micah's powerful rhetoric interpreting the book within its ancient and modern contexts Julia M O'Brien traces resonances of Micah's language within the Persian Period community in which the book was composed evaluating recent study of the period and the dynamics of power reflected in ancient sources Also sampling the book's reception by diverse readers in various time periods she considers the real life implications of Micah's gender constructs By bringing the ancient and modern contexts of Micah into view the volume encourages readers to reflect on the significance of Micah's construction of the world Micah's perspective on sin salvation the human condition and the nature of YHWH affects the way people live in part by shaping their own thought and in part by shaping the power structures in which they live O'Brien's engagement with Micah invites readers to discern in community their own hopes and dreams What is justice What should the future look like What should we hope for From the Wisdom Commentary series Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format to ministers preachers teachers scholars and students will aid all readers in their advancement toward God's vision of dignity equality and justice for all The aim of this commentary is to provide feminist interpretation of Scripture in serious scholarly engagement with the whole text not only those texts that explicitly mention women A central concern is the world in front of the text that is how the text is heard and appropriated by women At the same time this commentary aims to be faithful to the ancient text to explicate the world behind the text where appropriate and not impose contemporary questions onto the ancient texts The commentary addresses not only issues of gender which are primary in this project but also those of power authority ethnicity racism and classism which all intersect Each volume incorporates diverse voices and differing interpretations from different parts of the world showing the importance of social location in the process of interpretation and that there is no single definitive feminist interpretation of a text

Vast as the Sea Samuel Hildebrandt, 2023-12-05 The poetry imagery speeches and emotions readers encounter in texts like Job Psalms and Jeremiah are abundant resources for articulating the painful experiences of the human condition These compositions are sacred scripts that normalize and articulate the anxiety loneliness and despair that mark life on earth In *Vast as the Sea* Samuel

Hildebrandt presents an accessible exegetical study of these scripts that demonstrates how the Bible's ancient poetry speaks today. In conversation with current psychological research, Hildebrandt's poetic analyses invite readers to discover the personal and expressive contours of the biblical text as well as its liberating and healing potential. *Vast as the Sea* models an approach to the Old Testament that navigates a critical and creative balance between ancient contexts and contemporary life. Hildebrandt joins these two worlds together by maintaining a conscious focus on poetic language. By reflecting on individual words, engaging selected metaphors, and unpacking expressions and their underlying worldviews, *Vast as the Sea* gifts to its readers a reservoir of language for putting the pain of being human into words. The world-woe and wonder of Old Testament poetry is a vast yet overlooked resource for readers who are left speechless by the tumults of life and who struggle to reconcile such experiences with their faith. Promoting emotional literacy and wrestling with the tensions between confession and experience, *Vast as the Sea* will become a long-held treasured resource for scholars and everyday readers of the Bible as well as for practitioners in psychology and pastoral counseling.

The Oxford Handbook of Jeremiah Louis

Stulman, Edward Silver, 2021. This essay provides an overview of the book of Jeremiah, its historical background, distinctive literary character, language of trauma and resilience, dominant ideologies, and the state of 20th and 21st century Jeremian scholarship. It concludes with an explanation of the goals and structure of the Handbook.

Honoring the Wise Jill

Firth, Paul A. Barker, 2022-04-08. Since the garden of Eden, a choice between true and false wisdom has confronted human beings, and the need for discernment is consistent throughout Scripture. This volume engages with the canny decisions of the Hebrew midwives, the moral chaos of the judges era, dilemmas in the monarchy, and prophetic responses to the turmoil of the threat of empires, along with themes from Psalms, Job, and Proverbs. Wise preaching and teaching are enriched by insights from Tanzania, Myanmar, and Central Asia, and wisdom in daily life is found in biblical practices and is centered on Christ. Colleagues and students honor Lindsay Wilson, whose wisdom interests extend across the canon. This work is valuable for students and teachers of Old Testament and for anyone seeking to become wise.

Considering Compassion Frits de

Lange, L. Juliana Claassens, 2018-09-17. In light of the numerous challenges posed by globalization, living together as humanity on one planet needs to be reinvented in the twenty-first century. To create a new peaceful, just, and sustainable world order is vital to the survival of us all. In this regard, humankind will have to expand the limited scope of its moral imagination beyond the borders of family, tribe, class, religion, nation, and culture. Will the cultivation of compassion, as scholars like Martha Nussbaum and Karen Armstrong, and religious leaders like the Dalai Lama maintain, contribute to a more just world? A global movement to cultivate and extend compassion beyond the immediate circle of concern may indeed find inspiration from many different religious traditions. The question at the heart of this book is whether the Christian legacy provides us with sources of moral imagination needed to guide us into the global era. Can the Christian practice of faith contribute to a more compassionate world? If so, how? And is it true that compassion is what we need, or do we need something else, justice, for

example In Considering Compassion colleagues from different theological disciplines at Stellenbosch South Africa and Groningen Netherlands take up these challenging questions from a variety of interdisciplinary angles *Jeremiah Studies* Georg Fischer,2020-06-02 Recent research on the Book of Jeremiah reveals it as a meta text Georg Fischer shows that in dealing with earlier writings and using the example of the fall of Jerusalem in 587 BC at the end of the Persian period the book offers a synthesis and its own view of biblical faith in Jhwh back cover *The Bible and Mental Health* Christopher C.H. Cook,Isabelle Hamley ,2020-08-30 Is it possible to develop such a thing as a biblical theology of mental health How might we develop a helpful and pastoral use of scripture to explore questions of mental health within a Christian framework This timely and important book integrates the highest levels of biblical scholarship with theological and pastoral concerns to consider how we use scripture when dealing with mental health issues Chapters include Paula Gooder on Healing and wholeness Joanna Collicutt on Jesus and mental health Isabelle Hamley on Job David Firth on Anxiety in Scripture John Swinton on The Bible in Pastoral Care Walter Brueggemann on Psalms and lament With a foreword from Archbishop Justin Welby **The Prophetic Body** Anthea E. Portier-Young,2024 Modern study of biblical prophecy frequently defines prophecy as a message from God and has focused almost exclusively on prophets words But prophecy was always also embodied Anthea E Portier Young insists on the synergy of word and body in biblical prophecy Prophets did more than reveal knowledge the prophetic body connected God and people making them present to one another channeling divine power traveling between realms Drawing insights from disciplines ranging from neurobiology to cultural studies the author examines stories of prophetic commissioning bodily transformation asceticism and ecstasy mobility and immobility affect and emotion revealing the body s centrality to prophetic mediation **Trauma and Traumatization in Individual and Collective Dimensions** Eve-Marie Becker,Jan Dochhorn,2014-10-01 The contributors of this volume demonstrate how a highly developed expertise in interpreting Biblical and cognate literature is a substantial part of the overall discourse on the historical literary social political and religious dimensions of trauma in past and present This idea is based on the assumption that trauma is not only a modern concept which derives from 20th century psychiatry It is an ancient phenomenon already which predates modern discourses Trauma studies will thus profit from how Theology specifically Biblical exegesis and the Humanities deal with trauma in terms of religion history sociology and politics **Born from Lament** Emmanuel Katongole,2017-04-25 There is no more urgent theological task than to provide an account of hope in Africa given its endless cycles of violence war poverty and displacement So claims Emmanuel Katongole an innovative theological voice from Africa In the midst of suffering Katongole says hope takes the form of arguing and wrestling with God Such lament is not merely a cry of pain it is a way of mourning protesting and appealing to God As he unpacks the rich theological and social dimensions of the practice of lament in Africa Katongole tells the stories of courageous Christian activists working for change in East Africa and invites readers to enter into lament along with them **The Death Wish in the Hebrew Bible** Hanne Løland

Levinson,2021-09-23 This is the first book to systematically investigate the texts in the Hebrew Bible in which a character expresses a wish to die Contrary to previous scholarship on these texts that assumed these death wishes were simply a desire to escape suffering Hanne L land Levinson employs narrative criticism and conversation analysis together with diachronic methods to carefully hear each death wish text in its literary context She demonstrates that death wishes embody powerful multi faceted rhetorical strategies Grouping the death wish texts into four main rhetorical strategies of negotiation expression of despair and anger longing to undo one s existence and wishing for a different reality L land Levinson portrays the complex reasons why characters in the Hebrew Bible wish for death She concludes that the death wishes navigate the tension between longing for death and fighting for survival a tension that many live with also today as they attempt to claim agency and autonomy in life

Introduction to the Hebrew Bible John Joseph Collins,2014 Introduction to the Hebrew Bible is one of the most reliable and widely adopted critical textbooks at undergraduate and graduate levels alike The text is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments Collins proceeds through the canon of the Old Testament and the Apocrypha judiciously presenting the current state of historical archaeological and literary understanding of the biblical text and engaging the student in questions of significance and interpretation for the contemporary world The revised second edition is now presented in a refreshing new format

Introduction to the Hebrew Bible, Third Edition - Prophecy John J. Collins,2019-04-15 John J Collins s Introduction to the Hebrew Bible is one of the most popular introductory textbooks in colleges and seminary classrooms Enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments The third edition is presented in a new and engaging format with new maps and images An index has been added to the volume for the first time In order to enhance classroom use Collins s major text has now been divided into four volumes one for each major part of the Hebrew Bible This volume based on the new third edition focuses on prophecy in the Hebrew Bible Here Collins explores the major and minor prophets and the messages they delivered within each of their historical contexts The volume also contains the introduction to Collins s major text and is now available with even more student friendly features including charts maps photographs chapter summaries and bibliographies for further reading Collins presents the current state of historical archaeological and literary understandings of the biblical text and engages the student in questions of significance and interpretation for the contemporary world

Transforming Authority Katharina Pyschny,Sarah Schulz,2021-09-07 Human leadership is a multifaceted topic in the Hebrew Bible from a synchronic as well as diachronic perspective A large range of distributions emerges from the successive sharpening or modification of different aspects of leadership While some of them are combined to a complex figuration of leadership others remain reserved for certain individuals Furthermore it can be considered a consensus within scholarly debate that concepts of leadership have a certain connection to the history of ancient Israel which is though hard to ascertain Following a previous volume that focused

on the Pentateuch and the Former Prophets BZAW 507 this volume deals with different concepts of leadership in selected Prophetic Hag Zech Jer and Chronistic literature Ezr Neh Chr They are examined in a literary religious tradition historical and theological perspective Special emphasis is given to phenomena of transforming authority and leadership claims in exilic post exilic times Hence the volume contributes to biblical theology and sheds new light on the redaction reception history of the texts Not least it provides valuable insights into the history of religious and or political authorities in Israel and Early Judaism s

The Sacred Earth Andrue J. Kahn, 2023-06-12 The Torah begins by setting forth the heavens and the Earth as God s creation impelling humanity to steward our planet for its own sake and for its ability to nurture our lives Yet the human Divine environment relationship seems to be in perpetual crisis The Sacred Earth is a contemporary Jewish response to the looming threat of climate change the widespread desire for experiential spirituality rooted in nature and the continually changing relationship between humanity nature technology and the Divine The leading thinkers in this collection reflect on human vulnerability in the face of forces of nature examine conceptions of our place in cosmology and grapple with environmental destruction Ultimately with hope they creatively explore ways to redeem this sacred Earth It was for such a time as this that The Sacred Earth was published As we face the very real possibility of an impending climate catastrophe and certainly the reality of widespread suffering because of ecological devastation this volume gives us the spiritual resilience we will need to rise up and collectively confront the challenge This book is a deep and urgent call to action as Jews in the broader social movement to save the planet Rabbi Jonah Dov Pesner Director Religious Action Center In this invaluable collection Jewish thought leaders from a diversity of backgrounds and positions delve deep into text theology and history to bring new perspectives to the fight to save our planet For anyone interested in what millennia of Jewish wisdom can teach us about today s climate challenges this book is required reading Rabbi Jill Jacobs CEO T ruah The Rabbinic Call for Human Rights The Sacred Earth a wide ranging collection of Jewish teachings on ecology offers profound insights and inspiring challenges to all of us who must immediately rise up and protect our planet and all life upon it from utter devastation Susannah Heschel PhD Eli M Black Distinguished Professor Dartmouth College This impressive collection is a reminder that in the words of contributor Karenni Gore executive director of the Center for Earth Ethics at Union Theological Seminary and daughter of former Vice President Al Gore it is not the earth that needs fixing it is us A well researched and diverse collection of Jewish writings on our collective responsibilities to the planet Kirkus Reviews

A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any

student of the Bible pastors laity and scholars alike **The Scandal of Pentecost** Wolfgang Vondey, 2023-10-19 Through a systematic analysis of the conflicts emerging when the public church encounters the public world The Scandal of Pentecost argues that the public advent of the church stands in continuity with the public scandal of the incarnate and crucified Christ The book traces the contours of this scandal in the confrontation of the dominant ruling hermeneutic of authority with a Christian hermeneutic of resistance This highlights the brokenness of the human condition manifested by the church in the drunkenness of the disciples the speaking in other tongues the baptism with the Spirit the empowerment of the flesh and its public witness to a scandalized world The effects of the scandal transform both the disciples individual and communal witness and their public recognition as the church Through the lens of a symbolic hermeneutic the public witness of the church at Pentecost reveals a Christian scandal of anthropological proportions with the outpouring of the Spirit on all flesh the church emerges as the symbol of humanity **Claiming Her Dignity** L. Juliana M. Claassens, 2016 To be human means to resist dehumanization In the darkest periods of human history men and women have risen up and in many different voices said this one thing Do not treat me like this Treat me like the human being that I am Claiming Her Dignity explores a number of stories from the Old Testament in which women in a variety of creative ways resist the violence of war rape heterarchy and poverty Amid the life denying circumstances that seek to attack violate and destroy the bodies and psyches of women men and children the women featured in this book absolutely refuse to succumb to the explicit and at times subtle but no less harmful manifestations of violence that they face Bible through the Lens of Trauma Elizabeth Boase, Christopher G. Frechette, 2016-11-04 Explore emerging trends in trauma studies and biblical interpretation In recent years there has been a surge of interest in trauma trauma theory and its application to the biblical text This collection of essays explores the usefulness of using trauma theory as a lens through which to read the biblical texts Each of the essays explores the concept of how trauma might be defined and applied in biblical studies Using a range of different but intersection theories of trauma the essays reflect on the value of trauma studies for offering new insights into the biblical text Including contributions from biblical scholars as well as systematic and pastoral theologians this book provides a timely critical reflection on this emerging discussion Features Implications for how reading the biblical text through the lens of trauma can be fruitful for contemporary appropriation of the biblical text in pastoral and theological pursuits Articles that integrate hermeneutics of trauma with classical historical critical methods Essays that address the relationship between individual and collective trauma

As recognized, adventure as with ease as experience not quite lesson, amusement, as without difficulty as understanding can be gotten by just checking out a ebook **Jeremiah Pain And Promise** also it is not directly done, you could endure even more in the region of this life, on the subject of the world.

We provide you this proper as skillfully as simple exaggeration to get those all. We manage to pay for Jeremiah Pain And Promise and numerous ebook collections from fictions to scientific research in any way. along with them is this Jeremiah Pain And Promise that can be your partner.
