Alexander the Great in Jerusalem Ory Amitay, 2025-03-21 Alexander the Great in Jerusalem Myth and History discusses four different stories told in antiquity about the meeting between Alexander the Great and the Judeans of Jerusalem In history this meeting passed without noticeable events Into the historical void stepped various Judean storytellers who wrote not what was but what could or even should have been The tradition as a whole deals with an issue that resurfaced time and again in ancient Judean history conquest and regime installment by new foreign rulers It does so by using Alexander as a cipher for a current Hellenistic and Roman foreign rule The earliest version can be traced to the context of the Seleukid monarch Antiochos III the Great and postulates a Judean text from that time that has been hitherto unknown and which survived in a Byzantine recension epsilon of the Alexander Romance The second and third chapters turn to rabbinic sources and deal with the Judean approaches and attitudes towards Roman occupation and rule first at the advent of Pompey and then at the institution of Provincia Iudaea at the expense of the Herodian dynasty The final story is the most famous previously considered the earliest rather than the latest that of Josephus Alexander the Great in Jerusalem demonstrates how the historical tradition consistently maintained

Flavius Josephus' Self-Characterisation in First-Century Rome Eelco Glas, 2024-06-03 The Jewish War describes the history of the First Jewish Revolt against Rome 66 70 CE This study deals with one of this work s most intriguing features why and how Flavius Josephus its author describes his own actions in the context of this conflict in such detail Glas traces the thematic and rhetorical aspects of autobiographical discourse in War and uses contextual evidence to situate Josephus self characterisation in a Flavian Roman setting In doing so he sheds new light on this Jewish writer s historiographical methods and his deep knowledge and creative use of Graeco Roman culture **Josephus, the Emperors, and the City of Rome** William den Hollander, 2014-01-23 In Josephus the Emperors and the City of Rome William den Hollander places under the microscope the Judaeen historian s own account of the latter part of his life following his first encounters with the Romans Episodes of Josephus life such as his embassy to Rome prior to the outbreak of the 1st Judaeen Revolt his prophetic pronouncement of Vespasian s imminent rise to the imperial throne and his time in the Roman prisoner of war camp are subjected to rigorous analysis and evaluated against the broader ancient evidence by the application of a vivid historical imagination Den Hollander also explores at great length the relationships formed by Josephus with the Flavian emperors and other individuals of note within the Roman army camp and later in the city of Rome He builds solidly on recent trends in Josephan research that emphasize Josephus distance from the corridors of power *The Jewish Revolt AD 66–74* Si

Sheppard,2013-10-20 In AD 66 a local disturbance in Caesarea caused by Greeks sacrificing birds in front of a local synagogue exploded into a pan Jewish revolt against their Roman overlords Gaining momentum the rebels successfully occupied Jerusalem and drove off an attack by the Roman legate of Syria Cestus Gallius who was defeated at the battle of Beth Horon The emperor Nero dispatched the Roman general Vespasian along with reinforcements and having crushed the revolt in Galilee he became embroiled in the events of the Year of the Four Emperors that would lead to his assumption of the Imperial throne His son Titus was left to carry on the war which culminated in the dramatic siege of Jerusalem in AD 70 Remorselessly the legions strangled the life out of the defense street by street leaving nothing but rubble and ashes in their wake The apotheosis of the conflict was the final stand of the last holdouts in the Temple precinct itself and the utter annihilation of this the physical manifestation of Judaism itself The last remnants held out in the mountain fortress of Masada until AD 73 when with the Romans breaking down the walls the defenders committed mass suicide bringing the revolt to an end

Orientation to the History of Roman Judaea Steve Mason,2016-12-09 No field of study is livelier than the history of Roman era Judaea ca 200 BC to AD 400 Bold reinterpretations of texts and new archaeological discoveries prompt us constantly to rethink assumptions What kind of religion was Judaism How did Jews and Christians relate to Roman imperial power Should we speak of Judaism or Judaisms How should the finds at Qumran affect our understanding Did Paul and other early Christians remain within Judaism Should we translate Ioudaioi as Jews or Judaeans These debates can leave students perplexed this book argues because the participants share only a topic They are actually investigating different questions using disparate criteria In the

hope of facilitating communication and preparing advanced students this book explores two basic but neglected problems What does it mean to do history if history is what we wish to do And how did the ancients understand and describe their world It is not a history then but an orientation to the history of Roman Judaea Rather than trying to specify which questions are good ones or what one should think about them the book offers new perspectives to help unleash the historical imagination while reckoning squarely with the nature of our evidence **The Genesis 6 Conspiracy** Gary

erupted between Roman legions and some Judaeans in late A D 66 had an incalculable impact on Rome s physical appearance and imperial governance on ancient Jews bereft of their mother city and temple and on early Christian fortunes Historical scholarship and cinema alike tend to see the conflict as the culmination of long Jewish resistance to Roman oppression In this volume Steve Mason re examines the war in all relevant contexts e g the Parthian dimension Judaea s place in Roman Syria and phases from the Hasmoneans to the fall of Masada Mason approaches each topic as a historical investigation clarifying problems that need to be solved understanding the available evidence and considering scenarios that might explain the

evidence The simplest reconstructions make the conflict more humanly intelligible while casting doubt on received knowledge

Women at War in the Classical World Paul Chrystal, 2017-02-28 A look at how warfare affected and was affected by women in ancient times Although the conduct of war was generally monopolized by men in the Greco Roman world there were plenty of exceptions with women directly involved in its direction and even as combatants Artemisia Olympias Cleopatra and Agrippina the Elder being famous examples And both Greeks and Romans encountered women among their barbarian enemies such as Tomyris Boudicca and Zenobia More commonly of course women were directly affected as noncombatant victims of rape and enslavement as spoils of war and this makes up an important strand of the author's discussion The portrayal of female warriors and goddesses in classical mythology and literature and the use of war to justify gender roles and hierarchies are also considered Overall this is a landmark survey of women's role in and experience of war in the Classical world

Mimetic Criticism and the Gospel of Mark Joel L. Watts, 2013-02-01 What if the story of Jesus was meant not just to be told but retold molded and shaped into something new something present by the Evangelist to face each new crisis The Evangelists were not recording a historical report but writing to effect a change in their community Mark was faced with the imminent destruction of his tiny community a community leaderless without Paul and Peter and who witnessed the destruction of the Temple now another messianic figure was claiming the worship rightly due to Jesus The author of the Gospel of Mark takes his stylus in hand and begins to rewrite the story of Jesus to unwrite the present rewrite the past to change the future Joel L Watts moves the Gospel of Mark to just after the destruction of the Temple sets it within Roman educational models and begins to read the ancient work afresh Watts builds upon the historical criticisms of the past but brings out a new way of reading the ancient stories of Jesus and attempts to establish the literary sources of the Evangelist
