## **Jesus According To Paul Understanding Jesus Today:**

*Jesus According to Paul* Victor Paul Furnish, 1993-12-09 Paul's letters are the earliest surviving Christian writings and therefore the earliest documentary evidence for what Jesus's followers knew and said about him. The present volume deals with questions frequently asked about Paul: Did he know Jesus personally? If not, then how much did Paul know about Jesus and how did this information come to him? Where in his letters does Paul make use of Jesus's teachings, how does he employ them, and what kind of authority does he accord them? Above all, why does Paul place so much emphasis on Jesus' death and resurrection? How is he able to proclaim these as saving events? Finally, a closing chapter considers how several writings in the Pauline tradition variously continued and altered the apostle's own interpretation of Jesus. Because these Pauline understandings of Jesus have remained so influential across twenty centuries, the more fully they are appreciated, the more one is helped in understanding Jesus today. On Being the Church of Jesus Christ in Tumultuous Times Joe R.

Jones, 2005-08-22 This collection of essays, sermons, and prayers urges the church today to be the sort of community that sustains a vigorous and continuing conversation within itself as to who has called it into being, to whom it is responsible, and what it is called to be, and to do. Jones reminds the church that it is an alternative political community called into being by the Gospel. This collection explores what it means to be such an alternative community in tumultuous times, in times when it is tempting to look to the world for answers and to confuse loyalty to the nation-state with loyalty to God. A theme throughout all the writings is that the church is the necessary context for becoming and being a Christian. **101 Questions &**

**'Being in Christ'** Barbara Beyer, 2024-01-22 What does it mean that the believers are in Christ? Rom 8:1, 2 Cor 5:17, etc. The phrase has become so common to Christian discourse that it obscures the original meaning. By analysing key passages and stripping back the interpretive layers, this book portrays Christ in the light of Greek language usage. Insights from metaphor theory, onomastics, and ritual theory further the investigation. The book also addresses prepositional phrases like 'with Christ' and how 'in Christ' developed in the deutero-Pauline letters. This comprehensive perspective illuminates a crucial early Christian phrase and how believers viewed their relationship to Christ. *The "Man Christ Jesus"* Stephen Oliver

Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels? Critical scholarship thinks not, but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus, but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts. Stout examines Paul's intriguing description of the Man Christ Jesus (1 Tim 2:5) and suggests that this title fulfills the OT expectation of God appearing in human history as a man. In his incarnated humanity, the Man Christ Jesus accomplished salvation in the historical events of his life and death, and in his resurrected humanity, he appeared to Paul on

the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus *Dictionary of Paul and his letters* GERALD F

HAWTHORNE,RALPH P MARTIN,DANIEL G REID,2020-05-21 The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul's theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church *The Oxford Handbook of Pauline Studies* Matthew V. Novenson,R. Barry Matlock,2022-04-08 The

Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul It examines the authentic texts from his own hand other ancient texts falsely attributed to him the numerous early Christian legends about him and the many meanings that have been and still are made of these texts to give a twenty first century snapshot of Pauline Studies Divided into five key sections the Handbook begins by examining Paul the person a largely biographical sketching of the life of Paul himself to the limited extent that it is possible to do so It moves on to explore Paul in context and Pauline Literature looking in detail at the letters manuscripts and canons that constitute most of our extant evidence for the apostle Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul It is demonstrated that reading Paul is not and never has been just one thing It has always been a matter of the particular questions and interests that the reader brings to these very generative texts The Oxford Handbook of Pauline

Studies thoroughly surveys the state of Pauline studies today paying particular attention to theory and method in interpretation It considers traditional approaches alongside recent approaches to Paul including gender race and ethnicity and material culture Brought together the chapters are an ideal resource for teachers and students of Paul and his letters

Being 'in Christ' in the Letters of Paul Teresa Morgan,2020-11-05 In this study Teresa Morgan offers a radically new interpretation of in Christ and related expressions in the undisputed letters of Paul Starting from a reassessment of Deissmann s Die neutestamentliche Formel in Christo Jesu she argues that Deissmann s philology is flawed the Schweitzerian concept of participation in Christ which is indebted to it is problematic and many contemporary accounts of participation are better understood in other terms Through close readings of each letter Teresa Morgan shows how Paul uses en Christo language instrumentally to speak of what God has done through Christ by Christ s death and encheiristically to speak of the life the faithful now live in Christ s hands in Christ s power under his authority under his protection and in his care This creative use of en Christo language forms part of and connects Paul s soteriology eschatology and Christology shaping his narrative of God s intervention in the world the relationship between God Christ and the faithful the lordship and work of Christ between the resurrection and the parousia and God s ultimate triumph This narrative is closely connected with Paul s ecclesiology and ethics where life in Christ s hands is envisaged as the this worldly dimension of the new creation an aspect of eternal life already active in the present time In Christ s hands the faithful not least Paul himself live a new life in communities with a distinctive structure and dynamic In Christ s hands they hope to remain in right standing with God and serve God until Christ s return

**Imagine Paul** G. Roger Greene,2024-10-17 Can the real Paul the apostle live again in a postmodern technological age Paul s ministry stood at the very headwaters of the Christian gospel surrounding Jesus of Nazareth His letters are the earliest documents contained in the New Testament The current work calls upon the reader to actively engage Paul in his context rather than to affirm the assumed theological Paul of later Christian orthodoxy The reader is thus invited to walk with a more real Paul as he may be imagined from the sources we have to think Paul s thoughts with him through his letters and to more fully experience the gospel of God that Paul knew and proclaimed Paul was a man in Christ directly called by God to announce the gospel of God to both Jew and gentile in the midst of a world ruled by Rome He did so through two major campaigns rather than three missionary journeys He wrote pastoral letters to real first century churches The real Paul did not write theology but he rather proclaimed a gospel to a world in search of a soul

"In Christ" in Paul Michael J. Thate, Kevin J. Vanhoozer, Constantine R. Campbell, 2018-02-08 Nineteen biblical scholars and theologians in this volume explore the notions of union and participation within Pauline theology teasing out the complex web of meaning conveyed through Paul's theological vision of being in Christ With essays that investigate Pauline theology and exegesis examine highlights from reception history and offer deep theological reflection this exemplary multidisciplinary collection charts new ground in the scholarly understanding of Paul's thought and its theological implications

You Belong to Christ J. Brian Tucker, 2011-01-01 You Belong to Christ explores the way that the Apostle Paul sought to form the social identity of one of his most important Christ-following communities It sheds light on the way various social identities function within the Pauline community and provides guidance concerning the social implications of the gospel Drawing from contemporary social identity theories as well as ancient source material J. Brian Tucker describes the way 1 Corinthians 1:4 forms social identity in its readers so that what results is an alternative community with a distinct ethos in contrast to the Roman Empire and its imperial ideology This book contends that previous identities are not obliterated in Christ but maintain their fundamental significance and serve to further the Pauline mission by means of social integration Providing a comprehensive survey of Christian identity in Pauline studies as well as an interesting look into the material remains of Roman Corinth this volume provides a social scientific reading of 1 Corinthians 1:4 and argues that Paul's strategy was to form salient in Christ social identity in those to whom he wrote

God Sent His Son Cardinal Christoph Schönborn, Christoph von Schönborn, 2010-01-01 In this work of Christology Christoph Cardinal Schönborn a world renowned theologian takes as his starting point the Apostle Paul's statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4:4-5 Based on many years of lecturing on Christology Cardinal Schönborn's work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church's understanding of this truth to the consideration of

contemporary issues and the views of various modern theologians Cardinal Schonborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval questions but also modern issues of Christology

*Paul's Necessary Sin* Timothy Ashworth, 2016-12-05 A new creation the image of God Becoming the revelation of God Conclusion Conclusion Index of Greek words discussed Index of key passages discussed Index of subjects [The Quest for a Common Humanity](#) Katell Berthelot, 2011-04-11 The worldview that all human beings belong to one big family has in the history of religions never been taken for granted Moreover human rights are a modern notion that should not be projected back onto the sacred texts of Judaism Christianity and Islam However from the Hellenistic period onwards one encounters the idea of human duties towards not only parents neighbours and fellow citizens but to all human beings This volume explores the development of this idea from Antiquity to the present time focussing on the other as neighbour enemy and infidel on the interpretation of the Biblical story of Abraham s sacrifice and on ancient and modern ethical and legal implications of the concept of human dignity [Enemies of the Cross of Christ](#) Demetrius Williams, 2002-12-01 Enemies of the Cross employs classical rhetorical analysis to examine how Paul structures a deliberative argument using his understanding of the cross of Christ His goals are to guide advise the Philippian community through internal and external strife ch 2 combat his opponents ch 3 and develop his notion of the eschatological community 3 18 21 Williams proposes that while Paul has a theology of the death of Jesus of which cross terminology is one of several aspects this terminology is used almost exclusively in polemical conflictual contexts Hence Paul appears to be using cross of Christ not so much as a doctrine but rather as a rhetorical tool in a context of conflict and strife to support his understanding of eschatology apostolic service the nature of Christian existence and community among the saints **Rereading Romans from the Perspective of Paul's Gospel** Yung Suk Kim, 2019-07-02 Paul did not write a systematic theology or specific church doctrines when he wrote Romans His audience was Roman Christians and his last will was to preach the gospel to all especially gentiles in Spain Through this letter Paul wants to pave the way for a visit to Rome and expects their support on his mission trip to Spain The question is this What kind of the gospel does he want to share with them Traditionally the letter has been read from the perspective of forensic salvation that an individual justification occurs once and for all by faith in Christ This view remains with the so called New Perspective on Paul and Christ s faithfulness has not been explored Rereading the letter with a renewed concept of the good news in the letter this book challenges the traditional reading of Romans and explores Paul s threefold gospel that features the gospel that is God centered Christ exemplified and Christian imitated His main concern is

how gentiles can become children of God as well as how Jews may live faithfully in Christ In Romans the good news is the power of God for salvation to everyone who has faith It is not a set of knowledge about God or Jesus Paul is eager to share this gospel of faith with the Roman Christians and to correct some misunderstandings about him since his gospel is viewed as anti Jewish or antinomian

**Unlocking the Puzzle** David Oliver Smith,2016-11-22 A shorter simpler first draft of the Gospel of Mark has been theorized by New Testament scholars for almost two hundred years Using literary tools David Oliver Smith strips away interpolation and redaction from the canonical Gospel to reveal that long sought first draft the Original Gospel of Mark Original Mark shorter than the canonical version and with several large blocks of text replaced in their original locations reveals a coherent structure and a different picture of who Jesus is But it is anything other than simple The Original Gospel also presents puzzles for the curious reader of Mark to solve and Smith has found the keys to their solution Analysis of the text that was interpolated into Mark reveals who that redactor might have been Evidence is presented that it was the author of the Gospel of Luke who redacted the first written Gospel jumbled its structure and changed its Christology Follow the analysis of literary structures created by the genius who wrote Mark s Gospel and discover the astounding design of the Original Gospel of Mark
