Jesus An Emerging Jewish Mosaic Jewish Perspectives Post Holocaust Jewish And Christian Text:

Jesus, an Emerging Jewish Mosaic Daniel F. Moore, 2011-11-03 Since Martin Buber in *Two Types of Faith* acknowledged Jesus as his great brother other Jewish writers have sought to ascertain a place for Jesus within the larger context of Jewish history In the aftermath of the Shoah specifically in the afflicted consciousness of humanity Jew and Christian alike began to ask how this tragedy could have happened especially among and against people of faith In an effort to assure that such a tragedy never happens again the focus of some fell upon Jesus previously the obstacle to reconciliation but now perceived as the obvious and most viable bridge to span the chasm and assuage the wound of anti Jewish and anti Christian sentiments Still others chose to join and expand the academic quest for the historical Jesus adding Jewish voices to the effort to explore more rigorously and objectively the figure of Jesus in historical writing In this unique and illuminating volume Father Daniel F Moore presents the historical identity of Jesus through lens of such Jewish scholars as Schalom Ben Chorin David Flusser Geza Vermes and Jacob Neuser A useful book for those interesting in ecumenical discourse and Jesus studies

Jewish Jesus Research and its Challenge to Christology Today Walter Homolka, 2016-10-05 Historical Jesus research Jewish or Christian is marked by the search for origins and authenticity The various Quests for the Historical Jesus contributed to a crisis of identity within Western Christianity The result was a move back to the Jewish roots For Jewish scholars it was a means to position Jewry within a dominantly Christian culture As a consequence Jews now feel more at ease to relate to Jesus as a Jew For Walter Homolka the Christian challenge now is to formulate a new Christology between a Christian exclusivism that denies the universality of God and a pluralism that endangers the specificity of the Christian understanding of God and the uniqueness of religious traditions including that of Christianity

Jesus Research James H. Charlesworth, Brian Rhea, Petr Pokorny, 2014-01-23 This volume explores nearly every facet of Jesus research from eyewitness criteria to the reliability of memory from archaeology to psychobiography from oral traditions to literary sources and from narrative criticism to Gospel criticism Bringing together a wide variety of topics and perspectives in one volume this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton Prague Symposium on Jesus Research It summarizes the significant advances in understanding Jesus that scholars have made in recent years chiefly through the development of diverse methodologies Even readers who are already knowledgeable in the field will discover unique angles from well known New Testament scholars and all will be brought up to speed on the current state of play within Jesus studies

Journal of Biblical Literature, 2008 International Review of Biblical Studies, Volume 55 (2008-2009) Bernhard Lang, 2010-03-08 Formerly known by its subtitle *Internationale Zeitschriftenschau f r Bibelwissenschaft und Grenzgebiete* the *International Review of Biblical Studies* has served the scholarly community ever since its inception in the early 1950 s Each annual volume includes approximately 2 000 abstracts

Bibliography Contributors Index **Christ Jesus and the Jewish People Today** Philip A. Cunningham, 2011-03-11 Christ Jesus and the Jewish People Today explores the historical biblical christological trinitarian and ecclesiological dimensions of this crucial question How might we Christians in our time reaffirm our faith claim that Jesus Christ is the Savior of all humanity even as we affirm the Jewish people's covenantal life with God This volume is the result of a transatlantic interfaith collaboration among Boston College Catholic Theological Union Katholieke Universiteit Leuven Lund University Pontifical Gregorian University and Saint Joseph's University This book opens up new vistas after forty five years of Catholic Jewish reconciliation Not comfortable with resting on prior accomplishments this work is a bold step forward in Catholic searching for a closer theological bond to Judaism without giving up the differences between the two faiths Offers the cutting edge of Christian theological views of Judaism Alan Brill Seton Hall University Stunning in its scope erudition and creativity this work is without parallel or peer A watershed contribution to a new era in the Jewish Christian encounter as both communities increasingly take decades of dialogue experience back into their own theological workshops and with newfound partners lending support strive to fashion a more adequate account of God's work among us Peter A Pettit Institute for Jewish Christian Understanding Muhlenberg College Jesus of Nazareth, King of the Jews Paula Fredriksen, 2000-12-05 Paula Fredriksen renowned historian and author of From Christ to Jesus begins this inquiry into the historic Jesus with a fact that may be the only undisputed thing we know about him his crucifixion Rome reserved this means of execution particularly for political insurrectionists and the Roman charge posted at the head of the cross indicted Jesus for claiming to be King of the Jews To reconstruct the Jesus who provoked this punishment Fredriksen takes us into the religious worlds Jewish and pagan of Mediterranean antiquity through the labyrinth of Galilean and Judean politics and on into the ancient narratives of Paul's letters the gospels the Dead Sea Scrolls and Josephus histories The result is a profound contribution both to our understanding of the social and religious contexts within which Jesus of Nazareth moved and to our appreciation of the mission and message that ended in the proclamation of Jesus as Messiah *Soundings in the Religion of Jesus* Bruce Chilton, Anthony Le Donne, 2012 Jesus was a Jew and not a Christian That affirmation may seem obvious but here an international cast of Jewish and Christian scholars spell out its weighty and often complex consequences for contemporary Jewish Christian dialogue Soundings in the Religion of Jesus contextualizes Jesus and the writings about him that set the stage for Jewish Christian relations for the next two thousand years Of equal importance this book considers the reception celebration and too often the neglect of Jesus' Jewishness in modern contexts and the impact such responses have had for Jewish Christian relations Topics explored include the ethics of scriptural translation the ideological motives of Nazi theologians and other quests for the Historical Jesus and the ways in which New Testament portraits of Jesus both help and hurt authentic Jewish Christian dialogue **A New Look at Rabbi Jesus** Rabbi Albert (Abraham) I. Slomovitz Ph.D., 2020-01-10 The primary goal of this book is to solve a two thousand year old puzzle if Jesus lived a totally Jewish life

and became the founder of Christianity why aren't Jews and Christians in a respectful appreciative and embracing relationship This work begins to reduce two thousand years of misunderstanding stereotyping and prejudices that have existed between these two faiths In its place are historical facts about the childhood religious education and communities that nourished and influenced Jesus This work also encourages new approaches to biblical interpretations and thought The ultimate aim of the author is to have Jews and Christians realize that they are strongly connected by mutual faith beliefs and traditions Dr Slomovitz has summarized this linkage with the phrase Loving Jesus means loving Jews In That Day Rabbi David Levine, 1998 In That Day is Rabbi David Levine's poignant account of how Yeshua is gathering His people past present and future together into a rich tapestry that brings a clear understanding of what God is doing on the earth today among the Jews Those who love Israel will find Rabbi Levine's insights exciting prophetic and full of promise End time prophecy is being fulfilled as Jewish people everywhere gather together in celebration of Jubilee and the fiftieth anniversary of the founding statehood of Israel Find out how these events fit perfectly together in the Lord's plan to restore His people and His promises to them
