Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow Please Become Our Disciple! Donna Louise Smith,Jon Dean Smith,2014-12-15 If you are desperate to know God better this book is for you If you want to be taught by gentle yet firm veterans just like Jesus taught his twelve disciples this book is for you If you want to produce disciples who can overcome persecution this book is for you Observing our mature Christlike friends change their home lives and workplaces into peaceful excellent production centers brings us joy Watching them continue to maximize others around them brings us great joy *Five Traits of a Disciplemaker* Doug Nuenke,2021-09 What Distinguishes a Follower of Jesus Before Jesus left this world he called on his followers to make disciples Five Traits of a Disciplemaker helps followers of Jesus organize their lives around a dynamic relationship with God that draws more and more people into the body of Christ The contributors to this devotional each with a long history of knowing Christ making Him known and helping others do the same see five core competencies as critical to authentic discipleship 1 Walking with Jesus 2 Knowing and living the Scriptures 3 Participating in community 4 Engaging with those who don't know Christ 5 Reproducing spiritual generations Spend a month with a master class of disciplemakers and find yourself growing in your capacity and enthusiasm for following Christ Compiled by Doug Nuenke US president of The Navigators Foreword by Jerry Bridges author of The Pursuit of Holiness

The Disciple Maker George W. Patton, Jr.,2017-04-07 Is it possible to reach all the world for Jesus Christ in the next 20 years The answer is yes just by making disciples like Jesus We all are called to make disciples God did not call us to make just converts He called us to make disciples How heartless it is for an evangelist to say God did not call me to make disciples He called me to save souls I would beg to differ with the Brother that would make such a statement Matthew 28 18 20 says we are to make disciples There are only two kinds of people who cannot disciple and that is one who is not a follower of Christ

and or one who disobeys God's command and refuses to disciple How can we make disciples as Jesus did Set up a plan target a small select group of people without ignoring the others around you and use God's Word under the leading of the Holy Spirit of God and start making disciples In Proverbs 27:17 and 1 Corinthians 10:12 we are told to come along side and encourage those who are down who are new who are old who are immature and who are mature in other words everyone Teaming up with God and others makes it possible The Disciplemaker Gary Wayne Derickson, Earl D.

Radmacher, 2001-10-01 What are the keys to being a fruitful Christian What does it take to be blessed and experience answered prayer What is the key to successful evangelism Our Lord answered these questions the night before His betrayal when He met with His most intimate friends for their final instruction All of us want to be blessed by God and to have our prayer answered These words of Jesus tell us a sure way to be blessed And it has to do with how we treat each other The Upper Room Discourse is a faithful recounting of Jesus last evening with His disciples in which He addressed those issues foremost on His heart The Disciplemaker approaches the study of Jesus teachings that evening in light of the men He addressed As a result its conclusions are unique to the present literature on the Upper Room Where other scholars see John's account of the conversation that evening as a reflection on the cross and interpret Jesus teachings as justification truths how to become saved these authors recognize what Jesus says first and foremost as embodying rich sanctification truths how to enjoy salvation for the eleven believing apostles And what He said to His men that night is as important and life changing for us today as it was for them The Disciplemaker is a resource for the lay reader as well as the pastor biblical scholar It is also suitable as a textbook for use in courses on the life of Christ or Johannine theology The main body of this 480 page work has been freed of typical theological jargon and Greek terms are transliterated and explained Extensive notes are provided for those interested in the technical issues behind interpretive decisions discussions by the authors or in identifying the works of those scholars and views discussed **The Disciple Maker's Handbook** Bobby Harrington, Josh Robert Patrick, 2017-02-07

Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker

Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts **Jesus Christ Disciplemaker** Bill Hull,1988 **Five Traits of a Disciplemaker** Doug Nuenke,2021-09-21 What Distinguishes a Follower of Jesus Before Jesus left this world he called on his followers to make disciples Five Traits of a Disciplemaker helps followers of Jesus organize their lives around a dynamic relationship with God that draws more and more people into the body of Christ The contributors to this devotional each with a long history of knowing Christ making Him known and helping others do the same see five core competencies as critical to authentic discipleship 1 Walking with Jesus 2 Knowing and living the Scriptures 3 Participating in community 4 Engaging with those who don t know Christ 5 Reproducing spiritual generations Spend a month with a master class of disciplers and find yourself growing in your capacity and enthusiasm for following Christ Compiled by Doug Nuenke US president of The Navigators Foreword by Jerry Bridges author of The Pursuit of Holiness

Repairing the Missional Breach Kevin Blackwell,2024-04-02 Making disciples is the primary calling of the church however in the past decades of American evangelicalism there has been a breach of Christ s Great Commission as found in Matt 28 19 20 Much of this failure can be attributed to the doctrine and practice within three modern church movements The book offers a history and critique of modern American evangelical church movements including the Church Growth Emergent Church and Missional Church movements Each of these movements did not result in disciple making multiplication In this book you will find an analysis of disciple making in these movements as compared to the methods and model of Jesus Informed by these critiques formative ministry adjustments are presented as a faithful path for future missional approaches

From Maintenance to Mission Robert S. Rivers, 2005 Evangelization contrary to what many people believe is not just a Protestant concern in fact writes Robert Rivers it is Catholic to the core In this practical approachable work he suggests that the Catholic parish is a wonderful setting to carry out the evangelizing work of the church He makes the case that evangelization holds the key to the future of the church because it was in fact the centerpiece of post Vatican Council reform Drawing from the USCCB document Go and Make Disciples which offers a comprehensive plan and strategy for evangelization he explores ways to challenge us to become Catholic evangelizers And he proposes ways to move from maintenance to mission oriented parishes My purpose affirms the author is to try to place before the reader a compelling vision of Catholic evangelization and share some strategic thinking that might enable us to implement the great vision to which we have been called He attains that goal convincingly practically and hopefully **Live as Jesus Lived:**
