A New Perspective on the Use of Paul in the Gospel of Mark Cameron Evan Ferguson, 2021-03-01 This volume presents a detailed case for the plausible literary dependence of the Gospel of Mark on select letters of the apostle Paul The book argues that Mark and Paul share a gospel narrative that tells the story of the life death resurrection and second coming of Jesus Christ in accordance with the scriptures and it suggests that Mark presumed Paul and his mission to be constitutive episodes of that story It contends that Mark self consciously sought to anticipate the person teachings and mission of Paul by constructing narrative precursors concordant with the eventual teachings of the itinerant apostle a process Ferguson labels Mark's etiological hermeneutic The book focuses in particular on the various representations of Christ's death that Paul believed occurred within his communities Christ's death performed in ritual prefigured in scripture and embodied within Paul's person and it argues that these are all seeded within and anticipated by Mark's narrative Through careful argument and detailed analysis A New Perspective on the Use of Paul in the Gospel of Mark makes a substantial contribution to the ongoing debate about the dependence of Mark on Paul It is key reading for any scholar engaged in that debate and the insights it provides will be of interest to anyone studying the Synoptic Gospels or the epistles of Paul more generally

Verheyden, 2017-01-09 The present volume contains the proceedings of the Fourth International Symposium of the Leuven Centre for the Study of the Gospels which was dedicated to various aspects of Luke's writings that all have to do with his knowledge of the world he is describing in his work The symposium studied a number of topics relating to the social world of earliest Christianity Contributors had been asked to address if relevant 1 the history of research for the theme that had been assigned to them 2 recent developments in assessing the relationship between Gospel and Acts and the dating of both works and 3 the implications that can be drawn from studying the evidence of Luke Acts for reconstructing the life world of the first Christian communities Contributors include Giovanni Bazzana Mark Bilby Michelle Christian Jens Herzer John Kloppenborg Manfred Lang Markus Oehler Thomas Phillips Dieter

Roth Dan Smith and Arjan Zuiderhoek **The Gospel of Paul the Gospel of Jesus** James Jeffrey, 1899 **Paul and Jesus** David Wenham, 2002 It has been fashionable in New Testament scholarship to view the apostle Paul as a religious freelancer who corrupted Jesus teachings David Wenham has written convincingly against this view and in this new book he introduces readers to the true Paul Rooted in a thorough knowledge of the New Testament this book fulfills two important purposes First it provides a superb introduction to Paul himself Wenham describes Paul's early life shows the importance of his conversion and follows him on his missionary journeys Second the book explores Paul's relation to Jesus Writing in dialogue with those who wish to distance Paul from Jesus Wenham shows just how important the ministry and teaching of Jesus were to Paul's own thought and evangelism What emerges from a study of Paul's epistles is a man who drew extensively on the traditions of Jesus and faithfully worked to spread his message to the rest of the world **Jesus, Paul and Matthew, Volume Two** Andries Van Aarde, 2020-06 This book is the second of two volumes which reflect on the trend in biblical scholarship that contrasts the vision of the historical Jesus with that of the apostle Paul on the one hand and the vision of Paul with that of the evangelist Matthew on the other It argues that Jesus replaced the concept of politics of holiness with that of politics of compassion This means that the church as a community of Jesus followers forms a fictive family replacing a soteriology grounded in the biological family God's adoption of people as God's children is based on the potential of people to absorb the divine into their humanity This truism is to be found in the visions shared by the peasant Jesus the apostle Paul and the rabbi Matthew as well as in creedal Christianity The book concludes with autobiographical reflective notes analogous to the parabolic story of the travellers to Emmaus from Jerusalem Luke 24 and that of the African eunuch Acts 8 on his way back from Jerusalem to Africa The notes serve to consolidate the two volumes on Jesus Paul and Matthew and their messages of God's wisdom justice and mercy **Jesus the Lord according to Paul the Apostle** Gordon D. Fee, 2018-01-02 Representing the fruit of a lifetime of study this work from a revered evangelical scholar provides a concise summary of Paul's teaching about Jesus Over the years Gordon Fee has written and taught extensively on Paul's understanding of the person of Christ In this handy volume he offers the results of his exegetical work in a form accessible to any interested reader of Scripture The book includes a foreword by Cherith Fee Nordling *The Two Gospels - Paul & Jesus* Donald Werner, 2017-08-22 While the modern day Christian Church follows the Gospel of Paul it wasn't always so The early church followed the Gospel of Jesus There are two Gospels I doubt that many people realize that there are two Gospels and they are polar opposites The church jumps through hoops and does all it can to synchronize Paul's teachings with Jesus teachings but it failed When you read in this book the comparison of the two Gospels you will see why they are incompatible They are so incompatible that they can't both exist in the church so the church has rejected Jesus Gospel in favor of the Paul's Gospel of lawlessness The second half of the book deals with Paul Many love Paul and his teachings and embrace them in place of Jesus teachings Other see Paul as an anti-christ figure teaching a Gospel that is the opposite of the Gospel Jesus taught I lay out

the facts and you will have to decide for yourself *Did St Paul Get Jesus Right?* David Wenham, 2011-10-19 Was St Paul a distorter of Jesus original message or a faithful follower Over recent years some critics of Christianity have claimed that while Jesus was a gifted teacher and a man of unparalleled kindness St Paul was the true founder of Christianity which he based on a delusional mistake the idea that Jesus was God This theory has found its way into academia churches newspapers and most recently novels In *Did St Paul Get Jesus Right* respected New Testament scholar David Wenham looks at the historical evidence for such claims Comparing the life and message of Jesus with the writings of St Paul he offers a thoughtful exploration of their relationship concluding that far from imagining Christianity Paul was the messenger of an inherited faith

Paul and the Gospels Michael F. Bird, Joel Willits, 2013-05-01 This volume which collects together the work of several established scholars attempts to situate the Apostle Paul the Pauline writings and the earliest Christian Gospels together in the context of early Christianity It addresses the issue of how the Christianity depicted in and represented by the individual Gospels relates to the vision of Christianity represented by Paul and the Pauline writings This raises such questions as to what extent did Paul influence the canonical and non canonical Gospels In what way are the Gospels reactions to Paul and his legacy A comparison of the Gospels and Paul on topics such as Old Testament Law Gentile mission Christology and early church leadership structures represents a fruitful area of study While a number of volumes have appeared that attempt to assess the relationship between the historical Jesus and the Apostle Paul relatively few studies on Paul and the Gospels have been published This volume excellently fills this gap in New Testament Studies and makes a valuable contribution to studies on Christian Origins Pauline research and the Gospels

Jesus and Paul Reconnected Todd D. Still, 2007-10-15 The six essays in this volume consider the relationship between Jesus and Paul from diverse angles bringing fresh insights into an area of study that has long lain dormant Written by established scholars *Jesus and Paul Reconnected* explores historical congruity between Christ and his apostle and examines potential connections in their thought relationships and practices Topics considered include the grace of God treatment of the poor law and gospel Peter's connection between the two the Last Supper and the death of Christ Todd Still brings these superb scholars together in hopes of encouraging further conversation and contributing to this growing area of New Testament research The result is a new and stimulating exploration of these two extraordinary figures of the faith Contributors John M G Barclay Markus Bockmuehl Beverly Roberts Gaventa Bruce W Longenecker Francis Watson Stephen Westerholm

The Jesus Paul Knew James W. Reapsome, 2018-04-17 Many of us may have thought more about Paul's foundational theology than about how Paul learned more about Jesus and what it meant to obey him in the everyday tests of his faith This ten session LifeGuide Bible Study guide leads us through the growth in the apostle Paul's knowledge of Jesus and how it changed his life when at pivotal points he intersected with Jesus

Transformation David A. deSilva, 2014-09-18 The gospel is often presented as little more than a get out of hell free pass But is that all there is to it What made it so compelling that the Apostle Paul would give up

everything enduring hardships and deprivation to preach good news David deSilva argues that some Christians have unintentionally reduced the gospel to a message Paul would hardly recognize The gift of righteousness is far richer than many of us have dared to imagine In Transformation The Heart of Paul's Gospel deSilva examines the gospel message as presented in Paul's letters He demonstrates that Paul had nothing less than in mind than the means to transform and renew all of creation including ourselves Prepare to let Paul's message of change and renewal transform your own thinking Paul and the New Perspective Seyoon Kim,2001-11-08 Understanding Paul and his conversion to Christianity is imperative for a thorough knowledge of the New Testament In Paul and the New Perspective Seyoon Kim develops his argument that the origin of Paul's gospel lies in two places his radical conversion at Damascus and his usage of the Jesus tradition in light of Damascus This new way of looking at Paul further explains how Paul made strong distinctions between the Spirit and the flesh law with further implications for his doctrine of justification A departure from the New Perspective School represented by James D G Dunn Kim's Paul and the New Perspective offers a thorough and extensive argument for the foundation of the gospel that Paul spread in the first century The Origin of Paul's Gospel Seyoon Kim,1984 **The "Man Christ Jesus"** Stephen Oliver Stout,2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus
