Jesus The Final Hours:

24 - *Jesus' Final Hours* John Maxwell, 2015-04-26 For the first time ever the last day of Jesus life on earth has been broken down into twenty four one hour sections This hour by hour break down reveals the time the Last Supper began and ended It shows when Jesus and his disciples went to the Mount of Olives It reveals how long each of Jesus prayers in the Garden of Gethsemane lasted and where that time of prayer fitted into the time frame of Jesus final night You will learn at what time Jesus was betrayed and arrested and when his trials by Annas and Caiaphas took place The exact hour at which Peter denied Jesus the three times will be revealed You will also discover the period of time Jesus was kept under guard and at what time his trials by Pilate and Herod took place The time of Jesus walk to Calvary and for the events on the cross are revealed as is the time of his burial In this book you will learn even more of the love compassion and selfless character of Jesus Christ the Son of God who died on a cross at Calvary for the sins of the whole world **Earth's Final Hour** Ed Hindson, 1999-08-15 Some people say that the last days are upon us right now Others say the end times are in the distant future Who is right Is it possible to know If you re wondering what you can know for certain about the timetable of last days events you ll find answers in this book Can I still believe in the soon return of Christ Why have so many people miscalculated the second coming How can Christ s return be imminent if there are still unfulfilled prophecies This balanced look at the unfolding of Bible prophecy in a wildly chaotic world will help you sort fact from fiction Learn how to avoid excessive speculation and receive hope inspiration and a very clear picture of what God has revealed for about the last days **Last Hours of Jesus** Fr. Ralph Gorman, 2018-01-18 Here for the ordinary reader is an unforgettable moment by moment account that brings to vivid life the powerful events that transpired between Jesus Agony in the Garden of Gethsemane and His death on the Cross at Golgotha Told accurately and in a manner in teresting and intelligible it actually provides a fuller treatment of the Passion than is found in the Gospels You see those Gospels were written for first century readers already familiar with many of the persons places parties and politics that colored events in those long past days Not so modern readers twenty centuries later Which is why Fr Ralph Gorman has here crafted for us a single detailed narrative out of the four Gospels weaving into his narrative relevant Old Testament passages and prophecies and facts from Jewish and Roman history laws beliefs traditions and practices plus helpful first century military political geographical and archaeological information Faithful to the Gospels while drawing on the best commentaries on them in English Latin French German and Italian these rich pages provide you a refreshing reading of the Gospels supplemented by reliable archaeological historical and theological information about the period places and persons in volved Plus you have the benefit of Fr Gorman s keen depictions of the Gospel places based on his three years residence there You can read this book straight through or one chapter a day as spiritual reading before Mass or during Lent Either way you ll come to understand better the malice of the crowds the dismay and confusion of Christ s friends and the speed with which the deadly events unfolded Most of all you ll come to grasp anew the depths of Christ s love

for you awakening in you greater devotion to Him than ever before How about it Wouldn't it be good for you by reading and meditating on the contents of this book to spend with Jesus His last hours From these moving pages you'll come to learn scores of new and sometimes surprising things including The exact moment that Satan entered Judas can you name it The most terrible words Jesus spoke during his life on earth do you know them Pray they will never be said about you The real meaning of the agony in the garden Hint it was more than suffering How Jesus failed to fulfill popular hopes about the Messiah The dangerous political currents in Palestine that fueled the fatal events of holy week Fr Ralph Gorman explains them all That naked man who fled before Jesus and the soldiers after Jesus's arrest Was it really St Mark as some say Annas Caiaphas Herod the Great Herod Antipas Pilate the High Priests the Sanhedrin the Sadducees the Scribes and the Pharisees learn which of these many overlapping and often conflicting authorities and groups ruled what did what and why Why the groups that hated Jesus did not just kill him secretly The many and often shifting charges made against Jesus Why Jesus refused to answer many of His accusers The moment that under oath Jesus declared himself to be God do you know when that was Pontius Pilate before and after Christ's passion where he came from and what happened to him afterwards He burst asunder and all his bowels gushed out St Luke's little known description of the death of Judas The incestuous marriage that led to the death of John the Baptist Pontius Pilate why he admired but condemned Jesus What Barabbas really did and why that led the crowd to demand Pilate release him instead of Jesus Why so quickly Palm Sunday's Hosannas led to Good Friday's Crucify him Who Christ blamed for his plight and to what extent The likely location of the crucifixion and that spot in particular was chosen The statue of Venus erected over Golgotha and of Jupiter over the Holy Sepulcher who did it and how it helped later generations of Christians How Roman methods deliberately increased the shame and pain of crucifixion How Christ's great sufferings on the cross confirmed rather than falsified the truth of his divinity Why after His death the Sanhedrin still feared Jesus And much more to enrich your knowledge understanding and love of Jesus 24 John Maxwell, 2015-04-10

18 Hours Carl E. Holland, 2008 Holland explains the Easter story by combining all facets of the story in all four gospels in an unforgettable way **Jesus Wept: The Significance of Jesus' Laments in the New Testament** Rebekah Eklund, 2015-02-26 Lament does not seem to be a pervasive feature of the New Testament particularly when viewed in relation to the Old Testament A careful investigation of the New Testament however reveals that it thoroughly incorporates the pattern of Old Testament lament into its proclamation of the gospel especially in the person of Jesus Christ as he both prays and embodies lament As an act that fundamentally calls upon God to be faithful to God's promises to Israel and to the church lament in the New Testament becomes a prayer of longing for God's kingdom which has been inaugurated in the ministry and resurrection of Jesus fully to come Twist of Fate Brad Hastings, 2008 From Ancient Greece to contemporary times themes of fate and destiny have served as a central worldview for many These compelling ideas have guided those in battle and provided influence and inspirations for politicians philosophers and artists Despite a pervasive concern with fate

we find that an explicit discussion of this construct is absent from psychological theory *Twist of Fate* reconciles contemporary psychological research with the ancient and frequently held position of fatalism that was common in that era The Greek mythological history of the Moirae the triad of goddesses known as the Fates offers a unique perspective on human beings by illustrating how fate and destiny influence a variety of behaviors such as drug addiction spirituality sexual activity aggression and other applied psychological topics An analysis of the Moirae integrates diverse ideas from evolutionary psychology neuroscience psychoanalysis and Nietzsche's philosophy into a fatalistic view of the human personality The analysis raises the issues of possibilities for personal change the role of clinical interventions and what role freedom actually plays in the human experience *Twist of Fate* also accounts for recent developments in personality theory and research by shedding new light on findings from evolutionary psychology narrative theory and trait psychology The result is an integrative personality theory that takes the reader from Nietzsche to neuroscience

The One Year Adventure with the God of Your Story

Brian Hardin, 2019-10-08 The Bible is a beautiful and divinely inspired book From Genesis to Revelation the Bible tells the cohesive story of God's unwillingness to be left out of the human story your story In this One Year devotional join founder and voice of the Daily Audio Bible Brian Hardin on a journey to read it in its entirety Brian Hardin has been podcasting the Bible to hundreds of thousands for over a decade leading people through the whole Bible every year Now he's putting his love of the daily reading of Scripture on to the page In this collection of 365 readings you'll be surprised by how often what you read in the Bible will be a mirror into your own heart and motives And you'll be delighted to understand that God is not a distant and uninterested Being He is deeply invested in the human story and deeply in love with what He has fashioned God wants to know and be known by us

The Oxford Handbook of the Synoptic Gospels Stephen P. Ahearne-Kroll, 2023 The Oxford Handbook of the Synoptic Gospels presents essays that push the field beyond the Synoptic Problem and theological themes that ignore the particularities of each Gospel The first section explores some of the traditional approaches of literary dependence and engages with alternative ways to understand Synoptic relations while the second section treats a variety of historical literary and cultural phenomena important to the study of these Gospels

The Building Blocks of the Earliest Gospel Arthur J. Bellinzoni, 2018-02-16 This volume provides enough information about each story in the Gospel of Mark and about the gospel as a whole in order to afford an informed understanding of the gospel The evangelist was not writing a book for submission to a committee for inclusion in the Christian Bible Rather he was collecting existing oral and written tradition into a coherent narrative to promote for his own Christian community an understanding of the good news of Jesus the Messiah The church to which the evangelist was writing probably in Antioch of Syria was likely already familiar with many of the stories from the church's evolving liturgy Christians gathered in people's homes there were no churches as we understand that word as a specific building for Christian worship It was in such gatherings in homes that stories were told perhaps as the basis for a message delivered by an elder of the church Such stories illustrated some truth about Jesus or

addressed an issue of importance to the church In other words these individual stories were developed to serve the needs of the Christian community Historical accuracy was not a concern of the evangelist Proclaiming Jesus as Messiah was his primary purpose

Bible and Cinema Adele Reinhartz,2022-03-30 Bible and Cinema An Introduction is a comprehensive examination of how the Bible has been used and represented in mainstream cinema to develop its plots characters and themes The book considers two general types of films Bible movies that retell biblical stories such as the Exodus and the life of Jesus and Bible related movies that make use of biblical books stories verses and figures and Bibles themselves to tell non biblical often fictional narratives Topics covered include the contribution of Bible and Bible related movies to the history of the Bible s reception the ways in which filmmakers make use of scripture to address and reflect their own time and place the Bible as a vehicle through which films can address social and political issues reflect human experiences and emotions explore existential issues such as evil and death and express themes such as destruction and redemption the role of the Bible as a source of ethics and morality and how this role is both perpetuated and undermined in a range of contemporary Hollywood films and film as a medium for experiences of transcendence and the role of the Bible in creating such experiences This thoroughly updated second edition includes insightful analysis of films such as Noah Gods and Men Mary Magdalene and The Shawshank Redemption paying attention to visual and aural elements as well as plot character and dialogue The book also includes pedagogical resources including discussions of film theory as well as key words and discussion questions Teachers students and anyone interested in the intersection of Bible and cinema will find this an invaluable guide to a growing field

Narrativity in Biblical and Related Texts George J. Brooke,Jean-Daniel Kaestli,2000 Seventeen innovative studies are collected in this volume which has been produced under the aegis of the Centre for Biblical Studies University of Manchester and L Institut des sciences bibliques Universite de Lausanne The majority of the studies engage with narrative through providing insightful working examples Building on the many contributions of recent narratological research for the most part the studies in this collection avoid the technical language of narratology as they present fresh insights at many levels Some essays focus more on the implied author some on the implied reader or hearer and some on the way particular messages are constructed some of the studies consider how author message and reader are all interconnected There are several creative proposals for refining genre definition from law and wisdom to gospel and apocryphal writings Some studies highlight the way in which narratives can contain ethical religious and cultural messages Sensitivity to narrative is also shown by some contributors to expose in intriguing ways the redactional processes behind the final form of texts Students of narrative in the ancient world will find much to consider in this book and others engaged with literary studies more generally will discover that scholars of the worlds of the Bible and Late Antiquity have much to offer them

THE TRAINING OF THE TWELVE APOSTLES Edward D. Andrews,2024-08-11 In The Training of the Twelve Apostles Edward D Andrews presents a profound exploration of the essential lessons Jesus imparted to His chosen twelve shaping them into the pillars of the early Christian

Church This book delves deeply into the transformative journey of these apostles from their initial calling to their ultimate role in spreading the Gospel Through rigorous biblical analysis and a conservative evangelical lens Andrews illustrates how these foundational teachings are not just historical insights but timeless principles vital for every Christian s spiritual growth and discipleship today This work is a must read for believers seeking to understand the core of Christ s teachings and their application in the modern world The Centurion and the Songbird Stephanie Weller Hanson,Sibyl Niemann,2001-05-21

The ten short stories in The Centurion and the Songbird retell stories from the Gospels each from the point of view of a character in the narrative Stimulating and engaging these stories read deeply into the biblical story bringing the Bible s message and characters to life and opening hearts to new imaginative understandings Thaddeus a young man worried about the life of his soul seeks out a prophet to ask what he must do to earn eternal life Olivia goes to Calvary to witness the death of her beloved teacher Jesus whose life is entwined with hers and with that of her husband Pontius Pilate Mattathias works for a Roman centurion who seems to respect Jewish beliefs and customs But Mattathias is confused and angered when Flavius seeks healing for his slave from the troublemaker Jesus The companion leader s guide includes suggestions for using the stories with groups **Watch Out! Godly Women On The Loose** Corallie Buchanan,2017-02 If you find that some days you can hardly summon the strength to rise out of bed because your past is weighing you down Watch Out Godly Women on the Loose is the book for you This book is designed for women who desperately want to move on from their haunting past and the lies that the devil feeds them It is for women who want to unlock God s power and discover his exciting plans for their future Corallie Buchanan writes Godly Women knowing what it feels like to struggle with issues and experiences from the past such as depression loneliness and suicide This is an encouraging and challenging book whether you have experienced abuse in the past or need motivation to do God s work And when you have finished reading it be sure to keep it at the front of the bookshelf as sections of the book may repeatedly help you as you continue to battle your past

Truth Revealed Robert P. Vande Kappelle,2014-11-10 If the New Testament represents the crown jewels of Christianity the Gospel of John is its pearl of great price the most beloved most read most quoted most distinctive most memorable most debated book in its canon Truth Revealed is ideal for individual and group study It divides the Gospel of John into twelve units providing helpful introductory features summaries learning objectives and questions for each unit and concludes by offering perspective on a specific topic that arises as one follows the narrative always with an eye on the big picture namely guidance for daily living Few sayings attributed to Jesus are better known or more widely quoted than the words You shall know the truth and the truth shall make you free John 8 32 At his trial before Pilate Jesus declared that his purpose in life was to witness to the truth Pilate responds with the Gospel s most memorable question What is truth The answer is explored in Truth Revealed a commentary that provides literary theological historical and textual guidelines for understanding the message of this ancient work in a way that is accessible and applicable to twenty first century readers **Lost**

Christianities Bart D. Ehrman, 2005-09-15 The early Christian Church was a chaos of contending beliefs. Some groups of Christians claimed that there was not one God but two or twelve or thirty. Some believed that the world had not been created by God but by a lesser ignorant deity. Certain sects maintained that Jesus was human but not divine while others said he was divine but not human. In *Lost Christianities* Bart D. Ehrman offers a fascinating look at these early forms of Christianity and shows how they came to be suppressed, reformed or forgotten. All of these groups insisted that they upheld the teachings of Jesus and his apostles and they all possessed writings that bore out their claims, books reputedly produced by Jesus's own followers. Modern archaeological work has recovered a number of key texts and as Ehrman shows, these spectacular discoveries reveal religious diversity that says much about the ways in which history gets written by the winners. Ehrman's discussion ranges from considerations of various lost scriptures including forged gospels supposedly written by Simon Peter, Jesus's closest disciple, and Judas Thomas, Jesus's alleged twin brother, to the disparate beliefs of such groups as the Jewish Christian Ebionites, the anti-Jewish Marcionites, and various Gnostic sects. Ehrman examines in depth the battles that raged between proto-orthodox Christians, those who eventually compiled the canonical books of the New Testament, and standardized Christian belief and the groups they denounced as heretics and ultimately overcame. Scrupulously researched and lucidly written, *Lost Christianities* is an eye-opening account of politics, power, and the clash of ideas among Christians in the decades before one group came to see its views prevail.

A Song of Faith James S. Wolfe, 2008-04 James S. Wolfe is a poet, preacher, programmer, and professor. He holds a B.A. in Philosophy from Oberlin College, an M.Div. in Theology from Union Theological Seminary in New York, and a Ph.D. in Religion and Society from Graduate Theological Union in Berkeley. In *The Gist of the Bible*, he offers short commentaries on the 104 best chapters in scripture, grouped in pairs by theme. Jim teaches religious studies and sociology at Indianapolis universities.

A Wilderness of Mirrors Mark Meynell, 2015-05-19 Despite our material and technological advances, Western society is experiencing a deep malaise caused by a breakdown of trust. We've been misled by authorities and institutions, by businesses and politicians, and even by those who were supposed to care for us. The very cohesion of society seems tenuous at times. The church is not immune from these trends. Historically, it has a dubious record when it has wielded power; personally, many of its members are as afflicted by our culture's breakdown as anyone. In *A Wilderness of Mirrors*, author Mark Meynell explores the roots of the discord and alienation that mark our society, but he also outlines a gospel-based reason for hope. An astute social observer with a pastor's spiritual sensitivity, Meynell grounds his antidote on four bedrocks of the Christian faith: human nature, Jesus, the church, and the story of God's action in the world. Ultimately hopeful, *A Wilderness of Mirrors* calls Christians to rediscover the radical implications of Jesus's life and message for a disillusioned world, a world more than ever in need of his trustworthy goodness.

Signs of the Messiah Andreas Köstenberger, 2021-02-24 That you may believe. Have you ever asked God for a sign?

Throughout Scripture God gave signs to his people whether mighty acts during the exodus or miracles through Elijah and Elisha Jesus was also asked for a sign Yet despite giving seven remarkable signs his people refused to believe him In *Signs of the Messiah* Andreas K stenberger veteran New Testament scholar and expert on the Gospel of John guides readers through John and highlights its plot and message John s Gospel is written to inspire faith in Jesus By keeping the Gospel s big picture in view readers will see Jesus mighty signs and be compelled to trust more fully in the Messiah Readers will have a deeper grasp of John s message and intent through this short and accessible introduction
