Gurtner, 2020-07-17 In this collection of essays leading New Testament scholars reassess the reciprocal relationship between Matthew and Second Temple Judaism Some contributions focus on the relationship of the Matthean Jesus to Torah temple and synagogue while others explore theological issues of Jewish and gentile ethnicity and universalism within and behind the text

[The Function of Exorcism Stories in Mark's Gospel](#) Andreas Hauw, 2019-05-29 This book investigates stories of Jesus exorcisms in the Gospel of Mark The story of Jesus first public ministry in the synagogue Mark 1 21 28 and the Beelzebul controversy story 3 20 30 are examined to understand the other acts of exorcism that Jesus performed 5 1 20 7 24 30 9 14 32 Both Mark 1 21 28 and 3 20 30 highlight Jesus as a teacher and as an eschatological exorcist The latter stresses Jesus own understanding of exorcism and relates his identity with that of the Holy Spirit Therefore the first two exorcism stories in Mark's Gospel confirm Jesus as the bearer of the kingdom of God The motif of discipleship which is evident in both stories contributes to delineating Jesus christological identity as the Son of God as indicated by the incipit of Mark's Gospel Mark 1 1 Markan exorcism stories in Mark 5 1 20 7 24 30 and 9 14 29 further develop the presentation of Jesus exorcisms and other primary motifs The motifs of authority identity and mission confirm the christological identity of Jesus within gentile territory and are an important part of his mission to the gentiles Jesus specific mission in Mark 9 14 29 presents the exorcism that Jesus performed in the context of his role in both death and resurrection In this way Jesus as the bearer of the kingdom of God defeats the kingdom of Beelzebul

Jesus's epithets "Teacher" and "Prophet": a cognitive semantics approach to social roles Aurel-Onisim LEHACI, 2024 The book explores the complementarity of these roles highlighting their portrayal of Jesus's key attributes and his dual human divine identity Cognitive linguistics provides the perspective for delving into these social roles emphasizing their significance in understanding the complexity of Jesus's character It shows that Jesus embodies two complementary epithets teacher and prophet representing distinct approaches to knowledge transmission either through human activity or divine intervention The book illustrates the intricate complexity of Jesus's character proving that Jesus not only fulfills but surpasses typical expectations in both roles consistently revealing his dual identity and the permanent truth of both epithets

Christology in Mark's Gospel: Four Views J. R. Daniel Kirk, Adam Winn, Sandra Huebenthal, L. W. Hurtado, 2021-11-09

Gain Insights on Mark's Christology from Today's Leading Scholars The Gospel of Mark widely assumed to be the earliest narrative of Jesus's life and the least explicit in terms of Christology has long served as a worktable for the discovery of Christian origins and developing theologies The past ten years of scholarship have seen an unprecedented shift toward an early high Christology the notion that very early in the history of the Jesus movement his followers worshipped him as God Other studies have challenged this view arguing that Mark's story is incomplete intentionally ambiguous or presents Jesus in entirely human terms Christology in Mark's Gospel Four Views brings together key voices in conversation in order to offer a clear entry point into early Christians understanding of Jesus's identity Sandra Huebenthal Suspended Christology Larry W Hurtado Mark's Presentation of Jesus with rejoinder by Chris Keith J R Daniel Kirk Narrative Christology of a Suffering King and Adam Winn Jesus as the YHWH of Israel in the Gospel of Mark Each author offers a robust presentation of their position followed by lively interaction with the other contributors and one last word rejoinder The significance of this discussion is contextualized by the general editor Anthony Le Donne's introduction and summarized in the conclusion The CriticalPoints Series offers rigorous and nuanced engagement between today's best scholars for advancing the scholarship of tomorrow Like its older sibling the CounterPoints Series it provides a forum for comparison and critique of different positions focusing on critical issues in today's Christian scholarship in biblical studies in theology and in philosophy

Christians as Teachers Geoffrey Beech, 2015-12-04 How does teaching Christianly differ from other forms of teaching How might a Christian teach in a biblical way some commonplace set of facts from a mandated secular curriculum This book considers what a biblical approach to teaching may involve as it emerges from a biblically grounded life and what that might look like in the classroom Rather than speaking of integration of faith and learning it starts from a foundation of Christ the Truth and Lord of all and moves to the development of a framework for classroom practice that includes a need to try to see things from God's perspective All truly Christian education is seen therefore as a profoundly biblical pursuit leading to the revelation of God To

do this the book explores the underlying theology and principles out of which our education should flow These principles then allow us to examine such areas as the consideration of a Christian way to teach subjects such as geography and mathematics or even what might be distinctive about the way a Christian teacher may do something as mundane as picking up a pencil

Paul's Non-Violent Gospel Jeremy Gabrielson, 2013-11-01 Rather than viewing the Apostle Paul's many references to peace and non retaliation as generalized ethical principles drawn from Paul's background Jeremy Gabrielson argues that peace and non retaliation should be understood in relation to Paul's biography of being a violent persecutor of Jesus followers After his Damascus road experience Paul zealously announced the gospel but

abandoned his violent ways His apostolic vocation included calling and equipping assemblies of people whose common life was ordered by a politics characterized by peaceableness This political dimension of Paul s gospel in continuity with the earliest evidence we possess regarding Jesus and his disciples stands in stark contrast to the politics of both the contemporary Roman imperial power as well as those who would seek to replace Rome by violent means *Introducing Christian Education* Michael J. Witmer, 2008 Stephen E Witmer investigates an important aspect of early Christian self understanding the conviction of some early followers of Jesus that they had been and were being taught by God in fulfillment of Old Testament prophetic promises especially Isa 54 13 and Jer 31 33 34 While concentrating upon the idea of divine instruction in the Johannine corpus he also gives attention to the Pauline writings and to Matthew This allows for an analysis of the way in which multiple early Christian communities understood the concept both the unity and diversity of NT developments of the idea are noteworthy The author argues that the early Christian communities re interpreted the prophetic promise of eschatological divine instruction in light of the teaching of Jesus and the Spirit **James and Jude** William Frank Brosend, 2004-06-21 Sample Text **Trajectories in the Book of Acts** April Alexander, Jordan Daniel May, Robert G.
