Jesus Essene E Planta Nesbit:

Jesus an Essene Edward Planta Nesbit, 2015-12-04 Jesus an Essene is a short book espousing a theory of Jesus being an Essene It was written by 19th century American schoolmaster E Planta Nesbit Christ, Christians And Christianity E. Planta Nesbit, 1899 **Christ, Christians and Christianity, Book I** E. Planta Nesbit, 2010-02 Edward Planta Nesbit c 1825 1900 was a schoolmaster author and land agent in Australia His only known work Christ Christians and Christianity Book I Jesus an Essene was published in 1895 It was intended as the first volume in a series of 7 but he never completed any further volumes Essenes were apocalyptic ascetics one of the three or four major Jewish schools of Jesus time though they were not mentioned in the New Testament Some scholars theorize that Jesus was an Essene or close to them Among these scholars is Pope Benedict XVI who supposes in his book on Jesus that it appears that not only John the Baptist but possibly Jesus and his family as well were close to the Qumran community Jesus an Essene (a Timeless Classic) Edward Planta Nesbit, 2017-02-17 The suspicion that Jesus probably belonged to the Jewish sect of the Essenes was first strongly awakened in the author's mind by a careful perusal of the works of Josephus and of Philo Jud us but he is quite aware that the same idea has sometimes been entertained more or less strongly by others But nowhere has he seen the details which these two Jewish writers have given of the Essenes so fully compared with the teachings and the life of Jesus and their agreement so fully demonstrated as they are in the following ages It seems surprising that the striking similarity which exists between the purest of the Jewish sects and the founder of Christianity should so long have escaped prominent remark Readers will be able to decide for themselves after perusing all they will meet with in this work as to the probability or not of Jesus having been an Essene Whether they determine in the affirmative or not they will probably meet with such facts as will cause at least many of them to acknowledge that the great Teacher was deeply imbued with the spirit and doctrines of the Essenes and that there are ample materials supplied to allow of an explanation being given of his life and supposed death on the cross with his after resurrection and ascension in accordance with natural and ordinary principles **Jesus and his Two Fathers: The Person and the Legacy** Uri Wernik, 2020-03-03 Who was Jesus in real life What inspired his ideas What did he aim to achieve What drew his disciples to him How was he influenced by them Unlike the many quests for the historical Jesus as a psychologist Wernik answers these questions from the perspectives of psychology and the social sciences This book's central axis is the theme of the father It looks at the family constellation into which Jesus was born where he was raised by a stepfather It also investigates the relationship he develops with God his father in heaven and examines how he became a father figure to his disciples and followers It is hoped that readers will also think about their own father when reading the one usually called dad Jesus and His Two Fathers sees Jesus love of peace and appeasement doctrine as well as his difficulty with anger control in the context of his upbringing and family constellation Wernik offers a solution to the problem of the missing years which were unaccounted in the New Testament He examines the internal conflicts in Jesus movement and the tensions with the

religious establishment which led to his death Jesus did not see himself as the Messiah and Wernik shows him in fact as a great reformer of Judaism who changed the notions of righteousness the relation of the believers to God and the status of the commandments This book will be of interest to scholars teachers and students in the humanities and social sciences among others in the fields of religion especially Christianity and Judaism It is aimed at interested discerning readers of non fiction in these areas The Westminster Review ,1895 *The Essenes, the Scrolls, and the Dead Sea* Joan E. Taylor,2012-11-15 The mystery surrounding the Dead Sea Scrolls remains over 60 years after their rediscovery Who hid them and why This groundbreaking book reinvigorates the contested hypothesis that the Essenes were responsible Rather than being a marginal esoteric sect Taylor shows that this group acted as one of the leading legal schools of Judaism **Jesus An Essene** E Planta Nesbit,2021-05-09 The discovery of the Dead Sea Scrolls in the caves near Qumran in 1947 sparked near endless speculation about the possible connections between the Essenes purportedly the inhabitants of the settlement and the birth nature and growth of early Christianity Jesus the Essenes and Christian Origins sheds new light on this old question by reexamining the complex relationships among Qumran the historical Jesus the Essenes and Christian origins within first century Palestinian Judaism Author Simon J Joseph s careful examination of a number of distinctive passages in the Jesus tradition in light of Qumran Essene texts focuses on major points of contact between the Qumran Essene community and early Christianity in four areas of belief and practice covenant identity messianism eschatology and halakhah legal interpretation placing the weight of his argument for continuity and discontinuity on the halakhic topics of divorce Sabbath sacrifice celibacy and violence Joseph focuses on the historical cultural chronological and theological correspondences as convergence This not only illuminates the historical Jesus teachings as distinctive developing and extending earlier Jewish ethical and halakhic thought it also clarifies the emergence of early Christianity in relationship to Palestinian Essenism By bringing this holistic analysis of the evidence to bear Joseph adds a powerful and insightful voice to the decades long debate surrounding the Essenes and Christianity Christ, Christians and Christianity Edward Planta Nesbit,1895 Bibliography of Australia John Alexander Ferguson,1977 *Journey Into Truth* Kent Saylor,2010-09-20 This book chronicles the amazing spiritual journey made by the author after a series of misfortunes took him from a happy life into an abyss filled with grief and aching loss He thus began questioning everything about life faith truth and God In frustrated desperation he started a five year quest for answers to the melancholy and pain The author writes of powerful hidden knowledge discovered during his fight back to wholeness Through these secrets he ultimately attained a deep genuine sense of peace joy and purpose The book shares personal details of his significant insight filled journey as well as the hidden formula for happiness that he uncovered along the way His references to long lost ancient wisdom make it easy for readers to quickly find their own pathway to profound peace and joy They are also led to discover the means by which they can personally experience a life of true contentment coming to understand their life s unique purpose and thereby achieving deep personal fulfillment An
