Allison Jr.** Tucker Ferda,Daniel Frayer-Griggs,Nathan C. Johnson,2020-11-30 Over the course of his

career Dale Allison has enriched our understanding of Jewish and Christian hopes about the end of history advanced nuanced readings of ancient texts in light of their scriptural and cultural conversation partners and deepened our knowledge of the history of biblical interpretation throughout the ages In all of these ways he has sought in the words of T S Eliot to recover what has been lost In To Recover What Has Been Lost Essays on Eschatology Intertextuality and Reception History in Honor of Dale C Allison Jr leading biblical scholars and historians offer ground breaking studies on Jewish and Christian eschatology intertextuality and reception history three areas particularly evident in Allison s scholarship These essays reconstruct the past advance fresh readings and reclaim overlooked exegetical insights In so doing they too recover what has been lost

John the Baptist in History and Theology Joel Marcus,2018-11-16 An analysis that challenges the conventional Christian hierarchy of John the Baptist and Jesus of Nazareth While the Christian tradition has subordinated John the Baptist to Jesus of Nazareth John himself would likely have disagreed with that ranking In this eye opening new book John the Baptist in History and Theology Joel Marcus makes a powerful case that John saw himself not Jesus as the proclaimer and initiator of the kingdom of God and his own ministry as the center of God s saving action in history Although the Fourth Gospel has the Baptist saying He must increase but I must decrease Marcus contends that this and other biblical and extrabiblical evidence reveal a continuing competition between the two men that early Christians sought to muffle Like Jesus John was an apocalyptic prophet who looked forward to the imminent end of the world and the establishment of God s rule on earth

Originally a member of the Dead Sea Sect an apocalyptic community within Judaism John broke with the group over his growing conviction that he himself was Elijah the end time prophet who would inaugurate God's kingdom on earth Through his ministry of baptism he ushered all who came to him Jews and non Jews alike into this dawning new age Jesus began his career as a follower of the Baptist but like other successor figures in religious history he parted ways from his predecessor as he became convinced of his own centrality in God's purposes Meanwhile John's mass following and apocalyptic message became political threats to Herod Antipas who had John executed to abort any revolutionary movement Based on close critical historical readings of early texts including the accounts of John in the Gospels and in Josephus's Antiquities as well as parallels from later religious movements John the Baptist in History and Theology situates the Baptist within Second Temple Judaism and compares him to other apocalyptic thinkers from ancient and modern times It concludes with thoughtful reflections on how its revisionist interpretations might be incorporated into the Christian faith
