Zen Judaism Christopher L. Schilling, 2021-05-04 Contemporary Judaism is transforming especially in America from a community experience to more of a do it yourself religion focused on the individual self In this book Christopher L Schilling offers a critique of this transformation Schilling discusses problematic aspects of Jewish mindfulness meditation and the relationship between Judaism and psychedelics proceeding to explore the science behind these developments and the implications they have for Judaism

Spiritual Growth Paul Steinberg, 2018-09-30 This book began with Paul Steinberg s realization that although religions are struggling to meet the

needs and trends of our modern age spirituality is not Its contemporary manifestations continue to thrive and Jews can be found throughout all varieties of spiritual leadership in America Facing the fact that for whatever reason Jewish leaders simply have not done a good job of translating the ancient spiritual wisdom of their beliefs into contemporary language and images that resonate with mass appeal Rabbi Steinberg knew that the faith of his fathers was ready for a new spiritual message And so he has written it a message that is both particular to Judaism and uses Jewish language and text as starting points for a view that is universal enough to include spiritual concepts terms and expressions from many other spiritual traditions Spiritual Growth A Contemporary Jewish Approach provides both a language and a set of Jewish spiritual principles that are accessible and integrated with contemporary life as well as being deep and authentically real i e not dumbed down for anyone It is a work that emerged out of Rabbi Steinberg s own personal experiences pains and spiritual journey the trials and growth documented in his highly successful book Recovery the 12 Steps and Jewish Spirituality There are not a lot of works like this There are books on Jewish scholarship history and theology But books on Jewish spirituality tend usually to focus on a particular motif such as the feminine grief aging or Kabbalistic biblical interpretations Spiritual Growth A Contemporary Jewish Approach presents its message through the psycho spiritual world view of 2018 but without the language and narrative of a therapist It is an important contribution to the spiritual seeking community at large to Jews who have become alienated from their faith and to anyone interested in learning more about what a historically vibrant spirituality can bring to today s troubled world **Restoring the Temple of Vision** Marsha Keith Schuchard, 2002-04-07

Bible only 1 percent he or she will begin to grasp the essence of the Bible This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives The result is a life that is better and more serious a life with meaning purpose and direction The Bible s Top 50 Ideas Presents the Bible s essential ideas in readable engaging fashion Focuses on the contemporary value of the Bible Uses commentaries and explanations from sources that are modern as well as ancient Christian as well as Jewish and popular as well as scholarly Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings The result is a moral legal and literary foundation that remains the basis of all democratic and principled societies to this day Symbols of the Kabbalah Sanford L. Drob,1999-11-01 Symbols of the Kabbalah Philosophical and Psychological Perspectives provides a philosophical and psychological interpretation of the major symbols of the theosophical Kabbalah It shows that the Kabbalah particularly as it is expressed in the school of Isaac Luria provides a coherent and comprehensive account of the cosmos and humanity s role within it that is intellectually morally and spiritually significant for contemporary life *Civil Courage* Naomi Kramer,2007 If we are responsible educators the causes of the Holocaust must be addressed in order to prevent future genocide Contemporary Jewish Identity Emanuele Ottolenghi and Mark Weitzman examine contemporary antisemitism in Europe and North America respectively Michael Pollan reflects upon Jewish identity from the unique perspective of a young Jew who worked as a civil servant for the Austrian government in a program designed to acknowledge Austria s role as a perpetrator of the Shoah Testimony Firsthand testimony will soon be available only in memoirs or recorded oral histories In the future second and subsequent generations must speak as witnesses Sheldon Schreter a grandchild of Holocaust victims describes a visit with his four sons to Sighet Romania his parents birthplace and struggles with the question of Why The prevention of genocide is in large measure dependent upon the good will and intervention of citizens living in modern cultures **Going Against the Flow** Alan M. Laibelman,2004 Most contemporary efforts in philosophy treat metaphysics and ethics as isolated arenas of thought Critical analytical exploration of a multitude of ethical theories emanating from historically diverse philosophical and theological traditions demonstrates that a consistent and comprehensive ethic depends upon a solid metaphysical foundation Building upon a metaphysical scheme first explicated in *The Other Perennial Philosophy* A Metaphysical Dialectic Alan M Laibelman elaborates on a syncretistic ethical system incorporating elements from many cross cultural sources and also develops an extensive theory of consciousness inclusive of both transcendental and existential components *Jewish Family and Life* Yosef I. as infrequently as possible they feel as Michael Levin puts it bored shnorred and ignored What Every Jew Needs to Know About God is addressed to those people and attempts to provide at least the beginnings of an answer to those questions which most American Jews feel have not been adequately treated by the organized religious Jewish community As Levin puts it my suspicion is that a lot of Jews wish they had a deeper understanding not of how to celebrate this holiday or how to observe this particular custom I think a lot of Jews are curious about God And so Levin in his exposition keeps God at the center of his attention and in particular the individual s need for a relationship with his or her Creator from a Jewish perspective

The Restoration Covenant , The Afterlife of Attention Damian Murphy, 2025-10-03 What happens when attention once a form of reverence care and presence is shattered by distraction speed and relentless noise in the digital age The Afterlife of Attention explores how our inner lives have been transformed by the rise of algorithmic systems social media and unyielding demands for productivity Drawing on ancient philosophy medieval contemplative traditions and modern cultural critique it traces the long history of attentional life from the sacred stillness of monastic silence to the fractured landscapes of screens and feeds Part philosophy part cultural history and part spiritual enquiry this book is a meditation on what it means to see clearly think deeply and dwell meaningfully in a world that constantly pulls us away from ourselves It uncovers how attention has shifted from wonder to capture and how despite this we might yet reclaim it as a form of resistance intimacy and care Urgent and contemplative The Afterlife of Attention asks not only what attention has become but what it might still be a way of seeing the world anew of standing apart from the algorithmic churn and of rediscovering the depth and quiet that make us human
