Jewish Roots Understanding Your Jewish Faith Revised Edition:

Jewish Roots Dan Juster, 2013-02-19 Are your roots firmly grounded in Scripture The destiny of Israel and the Christian Church is bound together evident in the Scriptures Learning this truth is essential for survival Jewish Roots A Foundation of Biblical Theology is an introduction to biblical theology from a Jewish contextual point of view plus practical evaluation and council for the Messianic Jewish communities and the Christian Church Jewish Roots presents the fundamentals regarding biblical theology Israel and the Church the Jewish people the Messianic Jewish community and much more Important matters are discussed such as the relationship of law and grace the role of the Spirit and an approach to Judaism This new edition considers recent biblical scholarship and evaluates the progress of the Messianic Jewish community a pulsating grass roots movement among Jewish and non Jewish followers of Jesus of Nazareth who recognize and identify with their Jewishness Messianic Judaism and Messianic Jewish biblical theology are significant not only to those who are part of Messianic Jewish congregations indeed because the destiny of Israel and the Church is bound together Messianic Jewish theology has implications of great importance for all people worldwide *At the Foot of the Mountain* Joshua M. Lessard, Jennifer M. Rosner, 2021-06-09 Where does a relatively young movement turn for identity and direction when it straddles the fence between two competing major religions Messianic Jews have done something that for centuries was considered untenable Like Christians they have embraced Jesus as the divine Messiah but they have refused to surrender their place within the Jewish people How compatible are these two sides of Messianic Jewish faith Can Messianic Jews participate as full members in both the body of Messiah and the people of Israel Can they be led by the Holy Spirit that Jesus promised while also following the rulings of the Jewish sages Did Jesus affirm rabbinic authority or does that authority now lie elsewhere within the new covenant In this volume Messianic Jewish rabbi Joshua Lessard and Messianic Jewish scholar Jennifer Rosner debate the path forward for Messianic Judaism as it grapples with being the child of divorced parents the church and Israel Both Lessard and Rosner are committed to the success of Messianic Judaism though they put forth contrasting visions of what that means The discussion herein is unique and provocative not only for Messianic Jews but for all who have wrestled at the crossroads of Torah tradition and Spirit Searching Her Own Mystery Mark S. Kinzer, 2015-03-30 Vatican II's Declaration on the Relation of the Church to Non Christian Religions *Nostra Aetate* transformed the Catholic view of the Jewish people and the Jewish religious tradition Asserting that the Church discovers her link to the stock of Abraham when searching her own mystery *Nostra Aetate* intimated that the mystery of Israel is inseparable from the mystery of the Church As interlocking mysteries each community requires the other in order to understand itself In *Searching Her Own Mystery* noted Messianic Jewish theologian Mark S Kinzer argues that the Church has yet to explore adequately the implications of *Nostra Aetate* for Christian self understanding The new Catholic teaching concerning Israel should produce fresh perspectives on the entire range of Christian theology including Christology ecclesiology and the theology of the sacraments To this end Kinzer

proposes an Israel ecclesiology rooted in Israel Christology in which a restored ecclesia ex circumcissione the church from the circumcision assumes a crucial role as a sacramental sign of the Church's bond with the Jewish people and genealogical Israel's irrevocable election

Our Hands are Stained with Blood Michael L. Brown, PhD, 2019-09-17 Every Christian must read this shocking account of the Church's history The pages of church history are marked by countless horrors committed against the Jewish people From the first persecutions of the Jews in the fourth century to the horrors of the Holocaust from Israel bashing in today's press to anti-Semitism spouted from the

Stones the Builders Rejected Mark S. Kinzer, 2024-06-04 Since the groundbreaking publication of *Postmissionary Messianic Judaism* 2005 Mark Kinzer has challenged theologians and religious leaders to consider the essential ecumenical vocation of Jewish disciples of Jesus Proposing a bilateral ecclesiology in solidarity with Israel he argued that the overcoming of Christian supersessionism required a robust affirmation of the distinctive calling of Jews within the community of Jesus the Messiah In this way Kinzer's work put the issue of Jewish followers of Jesus on the theological agenda for those seeking a reparative reconfiguration of the relationship between the church and the Jewish people In recent years Kinzer has attended to the theological implications of this perspective and has widened his focus to include not only the Messianic Jewish movement but also Jews within Catholic Orthodox and Protestant churches The present collection of essays reflects this wider concern According to Kinzer the theological stones of contention are Christology conceived of as Messianology ecclesiology understood as Israelology and eschatology imagined as Zionology Moreover it is the presence of Jewish disciples of Jesus that concretizes these theological abstractions in the form of Jewish flesh and blood summoning Jews and Christians to rethink their relationship to one another in ways that express their essential mutual dependence

Jews and Christians Together Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions *Jews and Christians Together* delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti-Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish-Christian dialogue and gain a shared and constructive mutual respect

A Rabbi Looks at the Last Days Jonathan Bernis, 2013-01-15 A Rabbi Offers a Fresh Look at the End Times Few topics capture the imagination of believers like the last days Yet fear and incorrect teachings continue to surround this topic Rabbi Jonathan Bernis by contrast offers with warmth and clarity a unique and

surprising perspective on the end times Many see explosive turmoil in the Middle East and the mark of the beast as signs of the return of the Messiah Bernis points out an even clearer and more immediate sign the fulfillment of Old Testament prophecies regarding the restoration of the land of Israel and the regathering of the Lost Tribes of Israel which is happening in record numbers right now This book unpacks surprising and life changing insights on Israel the last days and the Messianic hope of every believer **Your People Shall Be My People** Don Finto,2016-04-05 Updated and Expanded Edition of a Landmark Text on an Urgent Topic Now updated and expanded this landmark text reveals God s purposes for his covenant people in these times and how this revelation is impacting the church Unlike Ruth in the Old Testament many of us have turned our backs on the Jewish people the relatives of the Messiah and we share the collective guilt for centuries of their persecution These pages remind us that now more than ever we must confess embrace and intercede for the chosen people of God aligning our prayers with God s plan Once again Israel and her people are center stage at a crucial moment in world history and this book shows why the church must effect reconciliation and why our prayers are vital in this hour If we will make the same covenant pledge to Israel that Ruth made to Naomi the church will never be the same Understanding the Jewish Roots of Christianity Gerald McDermott,2021-03-17 How Jewish is Christianity The question of how Jesus followers relate to Judaism has been a matter of debate since Jesus first sparred with the Pharisees The controversy has not abated taking many forms over the centuries In the decades following the Holocaust scholars and theologians reconsidered the Jewish origins and character of Christianity finding points of continuity Understanding the Jewish Roots of Christianity advances this discussion by freshly reassessing the issues Did Jesus intend to form a new religion Did Paul abrogate the Jewish law Does the New Testament condemn Judaism How and when did Christianity split from Judaism How should Jewish believers in Jesus relate to a largely gentile church What meaning do the Jewish origins of Christianity have for theology and practice today In this volume a variety of leading scholars and theologians explore the relationship of Judaism and Christianity through biblical historical theological and ecclesiological angles This cutting edge scholarship will enrich readers understanding of this centuries old debate Unveiling Ancient Biblical Secrets Larry Huch,2011-04-05 God s eyes are constantly searching for someone to heal someone to bless someone to prosper and someone to favor In Unveiling Ancient Biblical Secrets Pastor Larry Huch reveals God s ancient blessings for your life such as Destruction of the curse of poverty Healing beneath the wings of the tallit The first ten minutes that can change your whole day The covenant of success Opening the windows of heaven The hundredfold breakthrough in the parable of the seed By understanding and tapping into these timeless truths Christians can rediscover the destiny that God intends for His people We were meant to be shining examples of God s power blessing and favor **Christian Fruit--Jewish Root** John D. Garr,2015-04-13 Christian Fruit Jewish Root is an in depth scholarly examination of the Hebraic foundations of the major tenets and practices of Christianity This volume confirms the truth that the inherent Jewishness of the Christian faith is simply an undeniable historical and

theological fact By evaluating Christian doctrine and polity through the Jewish mindset of Jesus and the apostles this book uncovers a veritable treasure of Hebraic truth For every authentic Christian fruit there is a Jewish toot This truth is demonstrated across a wide spectrum of theological truth including Scripture Messiah Salvation Faith Baptism Gospel Grace and Discipleship Christianity owes a profound debt of gratitude to the Jewish people and to biblical and Second Temple Judaism for the foundations of the truths and practices that it hold dear As you read this challenging informative and inspirational book you will be amazed at just how Jewish Christianity the other Jewish religion actually is **Unified Jewish Religious Education Curriculum** ,1983 **Reflections on A New Mexican Crypto-Jewish Song Book** Seth D.

Kunin,2023-07-25 **Reflections on A New Mexican Crypto Jewish Song Book** offers close examinations of a manuscript written over a 20 year period by Loggie Carrasco a well known crypto Jew from Albuquerque New Mexico The manuscript includes a wide range of genres folklore memory ritual practices genealogy and most significantly poetry and songs Although the manuscript remains unpublished this book utilizes quotations and excerpts to enable the reader to have a good understanding of Carrasco's voice Focusing on the main genres and themes that shape Carrasco's manuscripts the contributors argue that the work is both unique and illustrative of the vitality of crypto Jewish culture and contemporary understandings of it

Broken Branches Zola Levitt,1995-01-01 What can replace Israel and the Jews in God's plan Certainly not America and not the church Nonetheless well intentioned denominations seem to have sprouted blinders to their heritage the very roots of their Christianity Let us restore the foundation to our Christianity and quit using Grace as an excuse to cast away the Jews and the Promised Land **Beyond Jewish Identity** Jon A. Levisohn,Ari Y. Kelman,2019-12-31 There is something deeply problematic about the ways that Jews particularly in America talk about Jewish identity as a desired outcome of Jewish education For many the idea that the purpose of Jewish education is to strengthen Jewish identity is so obvious that it hardly seems worth disputing and the only important question is which kinds of Jewish education do that work more effectively or more efficiently But what does it mean to strengthen Jewish identity Why do Jewish educators policy makers and philanthropists talk that way What do they assume about Jewish education or about Jewish identity when they use formulations like strengthen Jewish identity And what are the costs of doing so This volume the first collection to examine critically the relationship between Jewish education and Jewish identity makes two important interventions First it offers a critical assessment of the relationship between education and identity arguing that the reification of identity has hampered much educational creativity in the pursuit of this goal and that the nearly ubiquitous employment of the term obscures significant questions about what Jewish education is and ought to be Second this volume offers thoughtful responses that are not merely synonymous replacements for identity suggesting new possibilities for how to think about the purposes and desired outcomes of Jewish education potentially contributing to any number of new conversations about the relationship between Jewish education and Jewish life **The Dynamics of Jewish Latino Relationships** Bridget Kevane,2015-08-13

The Dynamics of Jewish Latino Relationships centers around three themes immigration race and identity and faith and religion Each chapter explores an encounter that for various reasons has brought Latinos and Jews together on the same stage

The New Jewish Diaspora Zvi Gitelman, 2016-07-27 In 1900 over five million Jews lived in the Russian empire today there are four times as many Russian speaking Jews residing outside the former Soviet Union than there are in that region The New Jewish Diaspora is the first English language study of the Russian speaking Jewish diaspora This migration has made deep marks on the social cultural and political terrain of many countries in particular the United States Israel and Germany The contributors examine the varied ways these immigrants have adapted to new environments while identifying the common cultural bonds that continue to unite them Assembling an international array of experts on the Soviet and post Soviet Jewish diaspora the book makes room for a wide range of scholarly approaches allowing readers to appreciate the significance of this migration from many different angles Some chapters offer data driven analyses that seek to quantify the impact Russian speaking Jewish populations are making in their adoptive countries and their adaptations there Others take a more ethnographic approach using interviews and observations to determine how these immigrants integrate their old traditions and affiliations into their new identities Further chapters examine how despite the oceans separating them members of this diaspora form imagined communities within cyberspace and through literature enabling them to keep their shared culture alive Above all the scholars in The New Jewish Diaspora place the migration of Russian speaking Jews in its historical and social contexts showing where it fits within the larger historic saga of the Jewish diaspora exploring its dynamic engagement with the contemporary world and pointing to future paths these immigrants and their descendants might follow

Our Father Abraham Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson s own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson s
