Politics, Work, and Daily Life in the USSR James R. Millar, 1987 Politics work and daily life in the USSR is designed to illustrate how the Soviet social system really works and how the Soviet people cope with it This study is based on the first comprehensive survey of life in the USSR since the Harvard Project over thirty three years ago The essays

contained analyze the variations in attitude and behaviour reflected in the findings of the Soviet Interview Project a five year investigation of contemporary daily life in the USSR The survey involved interviewing thousands of recent emigrants from the USSR to the United States as a means of learning about their former day to day lives Some aspects of this survey dealt with areas the Soviets themselves had never investigated so the data were not and indeed still are not available even in unpublished Soviet sources This study of a large volume of firsthand observations is extremely valuable to anyone interested in the inner workings and behavioural dynamics of the contemporary Soviet social system **The Ultimate Jewish**

Teacher's Handbook Nachama Skolnik Moskowitz,2003 This complete and comprehensive resource for teachers new and experienced alike offers a big picture look at the goals of Jewish education **The Sunday-school World** ,1885 **Philip Roth and the Jews** Alan Cooper,2012-02-01 In a style richly accessible to the general reader this book presents Roth s secular Jewishness with its own mysteries and humor as most representative of the American Jewish experience Thirty years into his career as a writer Philip Roth remains known to most readers as a self hating Jew or a flawed would be comic Philip Roth and the Jews shows Roth the ironist the master of absurdity for whom twentieth century America and modern Jewish history resonate with each other s signal accomplishments and anxieties Roth s egoism is a persona an abashed moralist discomfited by the world Cooper shows that in the Jewish works Roth has taken the pulse of America and read the pressures of the world Modernism the universal tug for individual sovereignty and against tribal definition is an issue everywhere Roth s own odyssey of betrayal loss and return the pattern of the Jewish writer in the last 200 years is so shaped by his origins that Roth has carried his home and neighborhood into the corners of the earth and thus never left them **Black Humor and the White Terror** Béla Bodó,2023-04-06 This book examines political humor as a reaction to the lost war the post war chaos and antisemitic violence in Hungary between 1918 and 1922 While there is an increased body of literature on Jewish humor as a form of resistance and a means of resilience during the Holocaust only a handful of studies have addressed Jewish humor as a reaction to physical attacks and increased discrimination in Europe during and after the First World War The majority of studies have approached the issue of Jewish humor from an anthropological cultural or linguistic perspective they have been interested in the humor of lower or lower middle class Jews in the East European shtetles before 1914 On the other hand this study follows a historical and political approach to the same topic and focuses on the reaction of urban middle class and culturally assimilated Jews to recent events to the disintegration of the Dual Monarchy the collapse of law and order increased violence the reversal of Jewish emancipation and the rise of new and more pernicious antisemitic prejudices The study sees humor not only as a form of entertainment and jokes as literature and a product of popular culture but also as a heuristic device to understand the world and make sense of recent changes as well as a means to defend one s social position individual and group identity strike back at the enemy and last but not least to gain the support and change the hearts and minds of non Jews and neutral bystanders Unlike previous scholarly works on Jewish resistance during the Holocaust this

study sees Budapest Jewish humor after WWI as a joint adventure as a product of urban and Hungarian culture in which Jewish not only played an important role but also cofounded Finally the book addressed the issue of continuity in Hungarian history the twisted road to Auschwitz whether urban Jewish humor as a form of escapism helped to desensitize the future victims of the Holocaust to the approaching danger or it continued to play the same defensive and positive role in the interwar period as it had done in the immediate aftermath of the Great War **Jewish Eating and Identity Through the**

Ages David C. Kraemer, 2020-07-24 This book explores the history of Jewish eating and Jewish identity from the Bible to the present The lessons of this book rest squarely on the much quoted insight you are what you eat But this book goes beyond that simple truism to recognise that you are not only what you eat but also how when where and with whom you eat This book begins at the beginning with the Torah and then follows the history of Jewish eating until the modern age and even into our own day Along the way it travels from Jewish homes in the Holy Land and Babylonia Iraq to France and Spain and Italy then to Germany and Poland and finally to the United States of America It looks at significant developments in Jewish eating in all ages in the ancient Near East and Persia in the Classical age throughout the Middle Ages and into Modernity It pays careful attention to Jewish eating laws halakha in each time and place but it does not stop there it also looks for Jews who bend and break the law who eat like Romans or Christians regardless of the law and who develop their own hybrid customs according to their own laws whatever Jewish tradition might tell them In this colourful history of Jewish eating we get more than a taste of how expressive and crucial eating choices have always been *Jewish Women's Torah Study* Ilan

Fuchs, 2013-11-20 One of the cornerstones of the religious Jewish experience in all its variations is Torah study and this learning is considered a central criterion for leadership Jewish Women s Torah Study addresses the question of women s integration in the halachic religious system at this pivotal intersection The contemporary debate regarding women s Torah study first emerged in the second half of the 19th century As women s status in general society changed offering increased legal rights and opportunities for education a debate on the need to change women s participation in Torah study emerged Orthodoxy was faced with the question which parts if any of modernity should be integrated into Halacha Exemplifying the entire array of Orthodox responses to modernity this book is a valuable addition to the scholarship of Judaism in the modern era and will be of interest to students and scholars of Religion Gender Studies and Jewish Studies Theodor Herzl, a
