W. Green, 2024-09-16 The Spirit and the Song Pneumatological Reflections on Popular Music explores pertinent pneumatological issues that arise in music It offers three distinct contributions first it asks what if anything music tells listeners about God's Spiritedness Can the experience of music speak to human spiritedness the world's transcendentalty or a person's own self transcendence in ways nothing else does or can Second this book explores how the Spirit functions within and even determines culture through music Because music is a profound human

expression it can find itself in a rich dialogue with the Spirit Third and finally this book explores the contested status of music in Christian spiritual traditions It deals with music as inspired by the Spirit music as participation in Spiritedness and music as temptation of the flesh As such this book also engages music's placement in Christian spiritual traditions The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music

Hey Joe Marc Shapiro,2016-12-17 The song Hey Joe was a momentary blip on the pop music scene in 1965 courtesy of a Southern California band called The Leaves It would be their only hit But over the next 50 plus years the quirky song about premeditated murder went on to become something special a musical rite of passage for the likes of Jimi Hendrix Patti Smith Led Zeppelin and countless others It was a perennial that any teen band worth their limited chops coveted and recorded and finally it was an entry in The Guinness Book of World Records when thousands of people got together to play the song as the ultimate jam Part history part mystery and part memoir the book Hey Joe The Unauthorized Biography of a Rock Classic by New York Times bestselling author Marc Shapiro is through extensive and exhaustive research that included the memories of countless well known musicians who were part of the Hey Joe odyssey a detailed look at the history of Hey Joe the song that few have ever thought to think deeply about and the rumors legends and outlandish tales surrounding the song that ultimately culminate in the ultimate question Hey Joe where you going with that gun in your hand In Hey Joe The Unauthorized Biography of a Rock Classic readers will learn The family tree of songs that spanned decades and finally spawned Hey Joe Who actually wrote the song How close Hendrix came to not recording Hey Joe The mystery of who actually recorded the first version of Hey Joe No it was not The Leaves Would you believe Kim Fowley Or The Surfaris What a very young Bruce Springsteen had to do with the song Nearly 3000 versions of Hey Joe familiar obscure and in many cases downright impossible to find have been recorded and released
