Jimmy Stewart Bomber Pilot:

Jimmy Stewart Starr Smith, 2006-11-15 Of all the celebrities who served their country during World War II and they were legion Jimmy Stewart was unique Bomber Pilot chronicles his long journey to become a bomber pilot in combat

Jimmy Stewart Starr Smith, 2005-04-30 Of all the celebrities who served their country during World War II and they were legion Jimmy Stewart was unique On December 7th when the attack on Pearl Harbor woke so many others to the reality of war Stewart was already in uniform as a private on guard duty south of San Francisco at the Army Air Corps Moffet Field Seeing war on the horizon Jimmy Stewart at the height of his fame after Mr Smith Goes to Washington and his Oscar winning turn in The Philadelphia Story in 1940 had enlisted several months earlier Jimmy Stewart Bomber Pilot chronicles his long journey to become a bomber pilot in combat Author Starr Smith the intelligence officer assigned to the movie star recounts how Stewart's first battles were with the Air Corps high command who insisted on keeping the naturally talented pilot out of harm's way as an instructor pilot for B 17 Flying Fortresses and B 24 Liberators By 1944 however Stewart managed to get assigned to a Liberator squadron that was deploying to England to join the mighty Eighth Air Force Once in the thick of it he rose to command his own squadron and flew twenty combat missions including one to Berlin My father would feel honored by this book Kelly Stewart Harcourt daughter of Jimmy Stewart We would have made Jimmy a group commander equivalent to an army regiment if the war had lasted another month General Jimmy Doolittle An excellent biography of a distinguished airman and fine human being Roger Freeman author of The Mighty Eighth A History of the U S 8th Air Force How wonderful it is that Starr Smith has finally directed a literary light on the personal history of Jimmy Stewart I welcomed Starr's book It is needed and wanted Bravo Gay Talese This is a very well researched and written book It fills a place in history about no mere actor but a courageous and selfless man Brigadier General Jimmy Stewart USAF General Michael E Ryan former Chief of Staff of the Air Force I have met a few movie stars but of them all I think that Jimmy Stewart was most like those modest heroes he portrayed Now journalist Starr Smith has raised the curtain on Stewart's gallant service as a bomber pilot and air combat commander in World War II Walter Cronkite from the Foreword **JIMMY STEWART: BOMBER PILOT. JIMMY.**

STEWART, 2005 *Bomber Pilot* Philip Ardery, 1978-01-01 Offers a detailed account of World War II pilot training and records Ardery's emotions and experiences as he took part in such missions as the daylight bombing of Berlin and the invasion of Normandy **The Air-Raid Warden Was a Spy** William B. Breuer, 2008-04-21 Critical acclaim for William B

Breuer A first class historian The Wall Street Journal Top Secret Tales of World War II A book for rainy days and long solitary nights by the fire If there were a genre for cozy nonfiction this would be the template Publishers Weekly Perfect for the curious and adventure readers and those who love exotic tales and especially history buffs who will be surprised at what they didn't know Recommended for nearly everyone Kirkus Reviews Daring Missions of World War II The author brings to light many previously unknown stories of behind the scenes bravery and covert activities that helped the Allies win critical

victories Albuquerque Journal Secret Weapons of World War II Rip roaring tales a delightful addition to the niche that Breuer has so successfully carved out Publishers Weekly The Me 262 Stormbird Colin Heaton, Anne-Marie Lewis, 2012-05-15 The Me 262 was the first of its kind the first jet powered aircraft Although conceived before the war with the initial plans being drawn in April 1939 the Stormbird was beset with technological particularly the revolutionary engines and political difficulties resulting in it not entering combat until August 1944 with claims of nineteen downed Allied aircraft The performance of the Me 262 so far exceeded that of Allied aircraft that on 1 September 1944 USAAF General Carl Spaatz remarked that if greater numbers of German jets appeared they could inflict losses heavy enough to force cancellation of the Allied daylight bombing offensive The story of how the Stormbird came to be is fascinating history and it comes to life in the hands of noted historian Colin Heaton Told largely in the words of the German aces who flew it The Me 262 Stormbird provides the complete history of this remarkable airplane from the drawing boards to combat in the skies over the Third Reich Features two forewords one by Jorg Czypionka Me 262 night fighter pilot and another by historian and author Barrett Tillman *Hitchcock's Stars* Lesley L Coffin, 2023-06-14 Although he was a visual stylist who once referred to actors as cattle Alfred Hitchcock also had a remarkable talent for innovative and creative casting choices The director launched the careers of several actors and completely changed the trajectory of others many of whom created some of the most iconic screen performances in history However Hitchcock's ability to fit his leading men and women into just the right parts has been a largely overlooked aspect of his filmmaking skills In *Hitchcock's Stars* Alfred Hitchcock and the Hollywood Studio System Lesley L Coffin looks at how the director made the most of the actors who were at his disposal for several decades From his first American production in 1940 to his final feature in 1976 Hitchcock's films were examples of creative casting that strayed far from the norm during the structured Hollywood star system Rather than examining the cinematic aspects of his work this book explores the collaboration the director engaged in with some of the most *Jimmy Stewart* Michael Munn, 2013-03-01 Many of the stars of the silver screen in twentieth century Hollywood became national icons larger than life figures held up as paragons of American virtues Unfortunately the private lives of actors such as John Wayne Henry Fonda and Errol Flynn rarely lived up to the idealistic roles they portrayed However James Stewart was known as the underdog fighter in many of his films and in real life He was highly decorated for his bravery during his time as a bomber pilot during World War II and was adored for his earnest and kindly persona Here many unknown sides of Stewart are revealed his explosive temper his complex love affairs his service as a secret agent for the FBI his innate shyness and his passionate patriotism Munn's personal touch shines through his writing as he was a friend of Stewart and his wife Gloria and interviewed them as well as their colleagues and friends This definitive biography reveals the childhood ups and downs that formed this cinema hero explores the legendary Fonda Stewart relationship and recounts Stewart's experiences making acclaimed films that include *The Philadelphia Story* *Rear Window* *Anatomy of a Murder* *It's a Wonderful Life* and *Mr Smith*
