Block, Peter Enns, Robert L. Hubbard, Jr., August H. Jobes, K Lawson Younger, Bill T Arnold, August H Konkel, Andrew E Hill, Donna Petter, Thomas Petter, Karen H Jobes, 2021-02-16 The NIV Application Commentary Old Testament Set One Genesis Job 12 Volume Collection is a value for readers This series helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context It gives preachers and teachers the tools ideas and insights they need to communicate God's Word today [Niv Application Commentary Jonah, Nahum, Habakkuk, Zephaniah](#) James Bruckner, 2004 The prophetic books Jonah Nahum Habakkuk and Zephaniah are brief but powerful They comfort us with the assurance that when nothing in this life makes sense God is still in control They toughen our faith in the face of the world's ugly realities And they reveal the complexities of humans in relation to God Jonah ran from his divine commission Habakkuk questioned God concerning his ways Repenting under Jonah's message the city of Ninevah ultimately backslid and reaped the doom prophesied by Nahum And Zephaniah's remnant depicts a faith that

remains faithful We needn't look too hard to find our own world and concerns mirrored in these books Exploring the links between the Bible and our own times James Bruckner shares perspectives on four of the Minor Prophets that reveal their enduring relevance for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our present day context It explains not only what the Bibles meant but also how it speaks powerfully today **NIVAC Bundle 3: Wisdom Books** John H. Walton, Gerald H. Wilson, Paul Koptak, Iain Provan, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written **Job** Bruce Arnold, 2022-04-28 Most people think of the book of Job as an attempt to explain suffering but they fail to see the more important issue of God's righteousness and graciousness in bringing good out of evil The understanding offered in this book helps the reader focus accordingly on God's purpose in grace to bring Job to know Jehovah himself and his heavenly will that he might thereby be transformed and truly become a servant of God In this respect the book presents a paradigm of God's crucial work with all believers to make himself known to them through revelation and repentance that they might genuinely know him as their Redeemer and be one with his exalted will As is expressed throughout the Bible God warmly desires that all his people serve him The repentance that comes at the climax of the book is not the believer's repentance upon initial faith but the more crucial repentance of the mature believer for the kingdom of God God's purpose with our lives depends therefore on our understanding his will and knowing our God and his righteousness Job is an ordinary servant of God therefore as a pattern to all believers [A Survey of the Old Testament Workbook](#) Andrew E.
