Updating Management Education Dennis R. McDermott, 1975* **Marketing Management Program Standard** Ontario. Ministry of Education and Training, 1997 *Marketing management*, 1989 **Marketing Management**, 1996. Prepared for unit MMK277 Marketing management offered by the Faculty of Management's Bowater School of Management and Marketing in Deakin University's Open Campus Program. [Instructor's Manual for Marketing Management](#), 1985 **Higher Education Marketing in Africa** Emmanuel Mogaji, Felix Maringe, Robert Ebo Hinson, 2020-05-21. This book explores the key players, challenges and policies affecting higher education in Africa. It also explores the marketing strategies and the students' selection process, providing theoretical and practical insights into education marketing in Africa. In particular, it focuses on the competition for students. The growing number of student enrolments, the public sector's inability to meet the ever-increasing demands and new private universities springing up mean that it is essential for universities to identify their market and effectively communicate their messages. Although there has been substantial theoretical research to help shed light on students' choices and universities' marketing strategies, little work has been undertaken on higher education in the African context. Filling that gap in the research while at the same time acknowledging the regional differences in Africa, this book offers empirical insights into the higher education market across the continent.
