Joe Yank 5 Standard Comics:

Joe Yank #5 Standard Comics, 2015-11-27 Joe Yank 5 Alex Toth art 1952 This Korean War era comic centers around an American GI and his misadventures The lead story about the lead character's run in with the local black market benefits from some terrific artwork by Alex Toth His more cartoonish rendition of Joe's pal Sgt McGurk hints at the more comedic aspects of the tale This contrasts against the more violent panels especially page 5 panel 1 that seem inappropriate by today's standards That aside Toth seems to toggle between the different types of scenes with relative ease This is number 1 of 4 Joe Yank issues with Toth art and or covers These books are constantly updated with the best version Enjoy a nostalgic trip down memory lane with the best titles from the golden age of comics Escamilla Comics has lovingly remastered these timeless classics with vivid color correction image restoration and has also added an enhanced reading experience with Kindle Panel View The comic reprints from Calumet History and Hobby are reproduced from actual classic comics and sometimes reflect the imperfection of books that are decades old

Setting the Standard Alex Toth, 2011-08-17 Toth's influence on the art of comic books is incalculable As his generation was the first to grow up with the new 10 cent full color pamphlets he came to the medium with a fresh eye and enough talent and discipline to graphically strip it down to its bare essentials His efforts reached fruition at Standard Comics creating an entire school of imitators and establishing Toth as the comic book artist's artist Setting the Standard collects this highly influential body of work in one substantial volume Toth began his professional career at fifteen in 1945 for Heroic Comics but quickly advanced to superhero work for DC Responding to the endless criticism of editor Sheldon Mayer and production chief Sol Harrison the young artist strove toward a technique free of showoff surface tricks clutter and distracting picture elements Simply put he learned how to tell a story to the exclusion of all else After falling out with DC in 1952 Toth moved west He freelanced almost exclusively for Standard over the next two years contributing classic work for its crime horror science fiction and war titles But perhaps most revelatory to the reader will be the romance collaborations with writer Kim Ammodt Toth's personal favorites I came to prefer them for the quieter more credible natural human equations they dealt with emotions subtleties of gesture expression attitude
