Covenantal Apologetics K. Scott Oliphint, 2013-07-31 Defending the faith can be daunting and a well reasoned and biblically grounded apologetic is essential for the challenge Following in the footsteps of groundbreaking apologist Cornelius Van Til Scott Oliphint presents us with an introduction to Reformed apologetics as he sets forth the principles behind a distinctly covenantal approach This book clearly explains the theological foundations of covenantal apologetics and illustrates its application in real world conversations with unbelievers helping Christians to boldly knowledgeable and winsomely proclaim the gospel

Olson, 2011-09-01 From an expat hotel manager to a respected drug baron a sadistic triad boss to a Thai transvestite this action packed novel set in Thailand has them all At about the same time a Filipino maid is murdered on the enclave of Macau a cleaning lady at a small resort on the Thai island of Koh Samui discovers that the excitement of a night spent with a friendly transvestite has been too much for the heart of an elderly Chinese guest A quick trip through Malaysia to Singapore by the resort manager follows leading to more nighttime escapades From there it s to the bars of Bangkok and a grisly murder in Lumpini Park Follow the trials tribulations and loves of an easygoing Australian resort manager s Southeast Asian adventure The novel is based loosely on many of the places and people met by the author as he roamed Southeast Asia whilst carrying out investigations as the region s best known real life Private Eye

Loose Cannon Dean Ing, 2003-06-16 From the bestselling author of *The Ransom of Black Stealth One* Dean Ing returns to his fascination with experimental aircraft but this time instead of the big jets of *The Ransom of Black Stealth One* this one is about smaller more insidious flying machines Rob Tarrant is a genius at designing flying things and his work for General Standards Corporation has yielded more than one patent for the aviation giant But Tarrant s hobby is building miniature UAVs Unmanned Aerial Vehicles tiny remote controlled drones They could be toys but Tarrant s latest version is so small and so stable that he thinks he might be able to mount other miniaturized technology on board chemical analyzers or listening devices Being a good company man Tarrant plans to give his little flying machine design to General Standards But from the moment he describes the project to his boss his life

becomes a living hell for Tarrant has succeeded in building a device that has been the subject of a dozen top secret research projects And everyone wants to stop him before he shows his new toys to the whole world At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Kenni Knowledge* Kenni York,2015-12-05 Every day is a new opportunity to gain greater insight about the world around you and about yourself Kenni Knowledge is the epitome of self discovery and personal truth Determined to live each day empowered and focused on the positive things in life author and community activist Kenni York shares her words of wisdom tidbits of advice cautionary warnings and food for thought as discovered while going through multiple changes in her life from being sexually and emotionally abused used and broken married cheated on and divorced from having nothing to building greatness and from losing some things and people in order to win Kenni has compiled her life lessons to provide readers with one thought per calendar day to help you through various situations as she has viewed them All thoughts quotes included may not be of the popular mindset school of thought they weren t intended to be Each thought is penned from Kenni s personal truth in hopes that you will tap into your own Only then will you discover that true happiness lies within **Rhythm and Vigilance** Vita Peacock,Mikkel Kenni Bruun,Claire Elisabeth Dungey,Matan Shapiro,2025-05-16 Available open access digitally under CC BY NC ND licence Studies of surveillance have emphasised how technology is used to control space This innovative collection examines how new monitoring technologies are also affecting the experience of time Drawing on Henri Lefebvre s concept of rhythm the book brings together ethnographic research from Europe China and the US to show how digital monitoring is transforming spatio temporal relations across the Global North As digital technologies continue to reshape the rhythms of life this book makes a valuable contribution to both anthropology and surveillance studies **The Book of the Twelve Minor Prophets** Elijah Porter Barrows,1868 *Towards an Anthropology of Psychology* Mikkel Kenni Bruun,Rebecca Hutten,2025-10-01 Anthropology and psychology share a long history of rivalry collaboration and mutual disregard This volume reconsiders psychology as a field of anthropological enquiry In doing so it takes an ethnographic approach to psychology examining psychotherapeutic practices and models of mental health at the heart of psy Featuring ethnographic studies of psychological therapies subjects and professionals the book also suggests what an anthropological voice can offer to improve psychological healthcare At the cutting edge of ethnographic research this book brings together studies from the Global North and Global South showing how psychological realities shape our understandings of what it means to be human *An Account of the Infancy, Religious, and Literary Life of Adam Clarke ...* Adam Clarke,1833 *An Essay, etc.* Translated by J. does so on Christian grounds Stressing Shakespeare's theological sensitivity Oser places Shakespeare's work in the radical middle the dialectical opening between the sacred and the secular where great writing can flourish According to Oser the radical middle was and remains a site of cultural originality as expressed through mimetic works of art intended for a catholic small c audience It describes the conceptual space where Shakespeare was free to engage theological questions and where his Christian skepticism could serve his literary purposes Oser reviews the rival cases for a Protestant Shakespeare and for a Catholic Shakespeare but leaves the issue open focusing instead on how Shakespeare exploits artistic resources that are specific to Christianity including the classical Christian rhetorical tradition The scope of the book ranges from an introductory survey of the critical field as it now stands to individual chapters on *A Midsummer Night's Dream* *The Merchant of Venice* *the Henriad* *Hamlet* and *King Lear* Writing with a deep sense of literary history Oser holds that mainstream literary criticism has created a false picture of Shakespeare by secularizing him and misconstruing the nature of his art Through careful study of the plays Oser recovers a Shakespeare who is less vulnerable to the winds of academic and political fashion and who is a friend to the enduring project of humanistic education *Christian Humanism in Shakespeare A Study in Religion and Literature* is both eminently readable and a work of consequence
